A Proclamation

In accordance with the Proclamation of His Excellency, Governor Saltonstall, Fire Prevention Week will be observed in Newton from October 8th to October 14th. In connection with this observance, on Sunday afternoon, October 8th, our own Fire Department will again demonstrate the methods and equipment used for our protection. Means of fire protection will be explained.

Property loss due to fire in Massachusetts last year exceeded \$12,000,000 and, more important, 77 lives were lost. The seriousness of this situation is obvious, particularly in these critical times. A large proportion of this loss of lives and property can be prevented by greater care and vigilance by all of us. May we all cooperate in the observance of this week and in a serious endeavor to reduce these losses here and throughout the State.

KIWANIS INTERNATIONAL AND THE KIWANIS CLUB OF Newton

present this TESTIMONIAL of Appreciation
to The Newton Graphic

In recognition of the service which this Newspaper and the other Newspapers of the United States and Canada have rendered our two nations during these critical war years. For accurate and comprehensive reporting of the war news, for generous and unrelenting support of wartime activities on the home front, for fostering sound morale, for fearless and independent editorial opinion, and for unrelaxed vigilance in safeguarding the basic liberties of free speech and a free press, we tender our sincere gratitude, on the occasion of National Newspaper Week, October 1 to 8, 1944.

Kiwanis Club Awards Citation To Graphic

Highlighting its observance of National Newspaper Week, October 1 to 8, the Kiwanis Club of Newton at its meeting last Tuesday awarded a Certificate of Citation to the Newton Graphic as a testimonial of appreciation for its contribution to the nation's war program.

The certificate was presented to Philip O. Ahlin, Editor of the Graphic, by Samuel Johnson, of the Kiwanis International, who was assisted by Walter A. Hood, President, Club Secretary Edmund Derocher, Ben Dean, Grand Rapids, and O. E. Peterson, Chicago, President and secretary, respectively, of Kiwanis International.

National Newspaper Week has been observed for several years by Kiwanis International's clubs and members throughout the United States. This year, however, Canadian clubs also are participating in the celebration by awarding Certificates of Citation to their local newspapers.

The context of the certificate states that it was presented "in recognition of the service which this newspaper and the other (Continued on Page 8)

Voters' Booths To Open

The Newton League of Women Voters will open their Information Booths for the citizens of Newton on Oct. 15.

The League of Women Voters is a non-partisan organization and at this time is furnishing non-partisan facts about candidates for the coming elections.

Mrs. Albert Walker, chairman, has charge of the arrangements and will be assisted by Miss Adelaide Ball, Mrs. Fred Caswell, Mrs. Frank Dennison, Mrs. E. B. Millard, Mrs. Gilbert Supple, Mrs. H. E. Wilson and others.

**Philip Jasset
Joins Navy**

Philip L. Jasset, son of Mr. and Mrs. William J. Jasset of 148 Pearl street, has enlisted in the U.S. Naval Reserve, and left for training at Sampson, N. Y., on Tuesday, Sept. 26th. Philip played on the Newton High Varsity basketball team.

Another son, William Jr., is in the Army Air Corps, training at Sioux Falls Army Air Field.

Fire Prevention Demonstration Here

In recognition of the start of National Fire Prevention Week, the Newton Fire Department and the Newton Auxiliary Fire Service, under the direction of Chief J. L. Keating, will conduct a demonstration of fire apparatus and equipment on Sunday afternoon, October 8. The demonstration will be in front of the fire station in Newton Corner, where many types of fire fighting equipment will be put into actual operation, illustrating Newton's excellent fire control facilities. The various pieces of fire apparatus of the Newton Fire Department will be under the direction of Chief John L. Keating. A special feature will be a fire prevention display and a demonstration of the operation of a fire alarm box under Foreman James A. Saunders and Electrician William A. Davidson of the Wire Department.

Citizens of Newton will find this demonstration both interesting and enjoyable, for it will show the practical application of fire fighting methods such as one rarely has an opportunity to observe.

N. E. Scouts Elect Bierer Chairman

Close to 800 Boy Scout leaders from all over New England met this last Saturday at the New Ocean House, Swampscott for their Third War-Time Training Conference under the auspices of Region 1 and elected John M. Bierer of Waban, Chairman for the coming year. He succeeds William V. M. Fawcett of Newton who has served as Chairman of Region 1 for the past three years. The Regional Meeting this year was the largest and most successful ever held. Norumbega Council figured prominently in many ways, for two of its members received the highest award for distinguished service to the boyhood of New England when they were awarded the Silver Antelope from among only ten individuals so honored. Another was made a member of the Executive Board of Region 1. The recipients of these new awards from Newton were John M. Bierer and William V. M. Fawcett; and the new member of the Executive Board was Maynard L. Hutchinson.

The citation given John M. Bierer read as follows: "Able, efficient, business executive and distinguished Scout leader. Keen in analysis, firm in decision, just and kind in his associations with others. In Scouting he never forgets that a Scoutmaster he learned its real objective—the Boy." The citation for William V. M. Fawcett was: "Successful in business—ac- (Continued on Page 8)

Parent-Teacher Association Formed

A Parent-Teacher Association of the Cabot and Clafin Schools in Newtonville has recently been formed. At the first meeting held on Monday, Sept. 11, the following officers were elected:

President, Mrs. John Rambeau; 1st vice president, Mrs. Charles E. Worthen; 2nd vice president, Miss Helen Thompson, principal of Cabot and Clafin Schools; Mrs. Louis Lewis; secretary, Mrs. Maurice Strauss; treasurer, Mrs. Helen Bloom; program chairman, Mrs. William McAdams; publicity chairman, Mrs. Harold Jones.

On Monday night, Oct. 2, the first of three evening meetings was held. About 200 mothers and fathers, Miss Helen Thompson, and all the teachers at Cabot and Clafin Schools were present. After a short business meeting and a discussion of the Halloween parties to be held at the schools, a very inspiring talk was given by Dr. Homer W. Anderson, Supt. of the Newton schools. He stressed the importance of the P. T. A. as a means for combining the thoughts, brains, ideas and hopes of the individual mothers and fathers with those of the teachers and school authorities in molding a better school system for all our children.

After Dr. Anderson's talk the teachers and parents had an opportunity to meet each other and everyone enjoyed an informal hour. Punch and cookies were served. The next evening meeting will be held in February.

Pvt. Anderson Wounded In Italy.

Pvt. Stuart Paul Anderson, 19, only son of Dr. Howard W. Anderson, superintendent of the Newton schools and Mrs. Anderson, was wounded in action in Italy on July 13, and is now at the Cushing Memorial Hospital in Framingham.

Dr. and Mrs. Anderson have visited their son at the hospital and found him in good spirits. Before he can leave the hospital he will undergo another operation.

Pvt. Anderson, member of an infantry unit, was struck by shrapnel while lying on the ground in the act of digging a slit trench.

While a student at the University of Iowa he entered the Army about a year ago.

Dr. and Mrs. Anderson have a daughter, Carol, who is a student at Mary Washington College in Virginia.

Newton Community Club Fall Meeting

The opening meeting of the Newton Community Club will be held in the Underwood School Hall, October 12th, at 2 p. m.

The new President, Mrs. David Black will be in charge of the business meeting. A reception and tea will follow a reading by Miss June Hamblin, play-reader and dramatist, who will present "First Lady," an amusing satirical comedy on Washington women. Miss Hamblin possesses rare personal charm, a commanding stage presence and a marvelous aptitude for impersonation. The Club is looking forward to this delightful program.

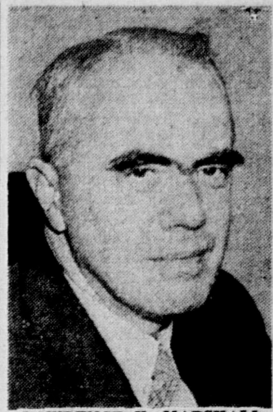

Newton's War Fund Enrollment Nears Completion

Newton's enrollment of 1540 at the end of September was recognized by the Greater Boston United War Fund at its regular luncheon last Monday when Thomas E. Shirley was presented with a "feather and hat" necktie for the outstanding achievement of the week. This total enrollment is 62 per cent of Newton's quota of 2500, and the balance is coming in at a rapid rate so that General Chairman Shirley expects that the full enrollment will be completed within the next week.

Outstanding in Newton is the Municipal Division, Chairman A. A. Robertson accepted a quota of 120 workers and he has already met his quota with 122 school and city employees volunteering. The Mercantile village teams are nearly 100 per cent completed, and Advance Gifts expects to be filled this week. In the Residential Division, where 1900 volunteers is the ultimate goal enrollments are coming in at the rate of about 100 per day, and Chairman Damon has assured the General Chairman that his full quota will be completed on time.

A group of manufacturers met at Brae Burn Country Club recently and made plans for the coming campaign. Representatives of a number of Newton concerns were present at the invitation of Frank L. Richardson, Executive Vice President of the Newton Trust Company, and a program for industry cooperation was discussed and met unanimous approval. Clark E. Woodward, President of the Chest, Thomas E. Shirley, Campaign Chairman, and Roger Preston, Assistant Campaign Chairman, met with the group, which included: Percy L. Spencer, Raytheon Production Corporation; Lester W. Tarr, Unitine Company; Frank E. Frykstrand, Middlesex & Boston Street Railway; Donald B. McIntyre, Zenith Products; William C. Beck, The Gamswell Company; Edward H. Hickey, Bachrach, Inc.; Rupert C. Thompson, Newton Chamber of Commerce; William M. Cahill and George L. White, Newton Trust Company; H. J. Pettengill, Newton Community Chest.

The Newton Campaign dates will be October 30 to November 4. The campaign period will be four days shorter than last year. This will require more intensified effort by all associated with the campaign in order that Newton may reach its goal of \$308,000 by November 14.

LAWRENCE K. MARSHALL
TO SPEAK AT FALL MEETING
OF COMMUNITY COUNCIL

The October meeting of the Newton Community Council is bringing together a group of local leaders to discuss ideas and plans for the growth of Newton.

L. K. Marshall, President of Raytheon Manufacturing Company, one of the group will contribute practical facts on present business problems and discuss prospects for the future.

FREEDOM OF THE PRESS

Far too often when a person thinks of "Freedom of the Press" his mind automatically flashes pictures of block-long press rooms, banks of typesetting machines, hundreds of men and women rushing to gather, write, edit and print the news of a fast moving world, of large news services, foreign staffs, and all that goes into the modern metropolitan newspaper.

Free notice the myriad of small town newspapers, the ones which gave birth to their big city brothers. As in most cases, the original idea is lost in the reflection of its great accomplishments. The metropolitan paper was born at a crossroads, because New York, Chicago, and San Francisco once were hamlets. City planners had ideas and their journalistic contemporaries kept pace.

Freedom of the press is an idea that encompasses many things. It means freedom of thought and freedom of action growing out of man's thoughts. While an unfriendly government might control a man's actions, it never could control his thoughts entirely.

It can't be merely a coincidence that the totalitarian governments went in for a controlled press as the first step in putting their programs into effect. If the foundation of a free system can be destroyed, the structure will fall quickly and easily. If the foundation is of such strength that it cannot be duped or undermined, this free system will not fall.

During the week of October 1-8, when the press of America is celebrating National Newspaper Week, remember that the editors and publishers are not fighting just for their right to print a paper every day or week as the case may be. They are fighting to protect the right of every American to plot his own course, to start at the bottom and go to the top, to live his own life in his own way, and to do these things without being pushed around by power-mad planners who want to do his thinking for him.

Call it free press, free thought or free enterprise. They are so closely knit that one will not survive without the other.

A free, unhampered press is the grass roots of America where free enterprise still lives.

EDWARD J. SPELLMAN

Wins Bronze Medal For Heroism

The Bronze Star Medal for heroism has been awarded to S.F. 2-c Edward J. Spellman, U.S.N.R., son of Mrs. Mary Spellman of 287a Washington street, Newton.

The citation accompanying the award was as follows: "For service as set forth in a secret citation. The portion of this citation that can be disclosed at this time states that you distinguished yourself by gallantry and intrepidity in action in the assault upon, and occupation of, an enemy held island, and carried out your duties in a calm and efficient manner despite determined enemy opposition and in the face of heavy mortar, machine gun and sniper fire. Your courage and conduct throughout were in keeping with the highest traditions of the naval service."

Spellman is attached to the Fifth Amphibious Force of the Pacific Fleet. He was graduated from Our Lady's High School, where he was on the basketball team. He entered the Navy on Nov. 2, 1943. He is married to the former Mary Baldaro of 17 Avon place, Newton, and they have a daughter, Patricia, two years old.

Lt. Jas. A. Patrick Now Captain

1st Lieut. James A. Patrick, U. S. Army Anti-Aircraft, has been promoted to the rank of Captain. Capt. Patrick is at present stationed at headquarters on an island near Honolulu. He is the son of Mr. and Mrs. Oswald Patrick of 30 Thornton street, Newton. He has two brothers in the service, Corp. Edward N. Patrick, USMC, who is stationed in the Pacific area and Sgt. Henry A. Patrick with the Army Air Forces in Greenland.

Miss Middaugh, C.S. To Deliver Lecture At Newville Church

A free public lecture on Christian Science will be delivered at First Church of Christ, Scientist of Newton in the church edifice at 391 Walnut street, Newtonville, on Friday evening, October 20, at 8 o'clock. The lecture entitled "Christian Science: The Promised Comforter" will be given by Miss Florence Middaugh, C.S., of Los Angeles, California, a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist in Boston, Massachusetts.

Newton Notables

This column has been vacationing since June 22, when we discussed briefly the careers of Judge John Varnum Spalding of Newton Highlands and Mr. Louis Fabian Bachrach of West Newton.

This week we shall consider another highly successful member of the bar, Judge George Clinton Sweeney of 12 Valentine St., West Newton. This gentleman was most elusive, partly because the summer schedule for members of the judiciary is slightly irregular and partly because, like all the rest of us, he likes to get as far away from home as possible during the summer hot spells. However, I finally caught up with Judge Sweeney and had a most delightful interview.

The judge was born in Gardner, Mass., on July 23, 1895. That makes him a relatively young man to hold such an influential position. Frankly, he could have told me that he was five years younger than the records show and gotten away with it. He is obviously a busy man and he wastes no time, tho' he never gives the impression of being in a hurry. The only trouble I had with him was in drawing him out. Unlike some judges who are constantly in the headlines and who even dabble in politics, Judge Sweeney is unduly modest. More about that before I close this little sketch.

Judge Sweeney is the son of John Francis Sweeney and Sarah (Shields) Sweeney. He was educated at Williston Seminary and won his LL.B. at Georgetown University in 1922. Prior to that he was a private in Company A, 301st Military Police Battalion in 1917, promoted to sergeant in 1918, and served overseas with the 76th Division. He was in the Judge Advocate's office of the Massachusetts National Guard.

Three years later, on April 14, 1925 he married Miss Winifred E. Johnson of New York Mills, Minnesota. The couple had three children: George C. Sheila Elizabeth and Judith Shields Sweeney. The son is just old enough to get in the armed forces and has enlisted in the Army Air Corps tho' he has not yet been called for duty. Miss Sheila is now at Dana Hall in Wellesley. She is planning to meet Mrs. Sweeney briefly as my interview came to a close. It is hard to visualize this charming, vivacious lady as the Mother of three grown children. Here again, I ran into the same quiet modesty, which somewhat cramped my style. It may, however, be said that Mrs. Sweeney's chief interest in life is her family, although she is very much interested in the Community Chest and the West Newton Community Centre. She also occasionally attends a meeting of the Delphian Society, a very unique organization, having chapters throughout the country, which appeals especially to those ladies who do not believe that a college degree necessarily completes a person's education.

Judge Sweeney started in the practice of law in Gardner and then became Mayor in 1931 after several years service on Gardner City Council. After serving for two years he was appointed assistant attorney general—U.S. In 1935 he became a U. S. District Court Judge for Massachusetts. Some years ago there was but one U. S. District Court Judge in this state, but there are now four. Judge Sweeney is the senior judge. Most of his time is taken up with civil cases and no case gets into his court unless it is a \$5,000 or more position. That eliminates most of the annoying "chicken-feed."

When questioned about possible post-war problems, the judge was reticent, though he did express the opinion that there would doubtless be a great deal of litigation as a result of reversion, etc. Unlike many prominent men, Judge Sweeney apparently has no great hobbies. His chief relaxation is obtained from frequent visits to his camp in New Hampshire, where he does a lot of reading, but cares little or nothing for the movies. When golf was mentioned, it was obvious that he was no tyro. He may require more regular practice, but any man who can shoot seven straight holes at Wood in par, even if he does follow it up with a nine and a ten, has the makings of a real golfer. In this connection, it was interesting to learn that the judge walks from the Back Bay station every morning to his office on the top floor of the Federal Building. In that respect he is very much like our popular Governor. He also skis quite a bit.

Finally, a feeble attempt was made to find out something about the Judge's political views. Your columnist is not completely dumb and realized, of course, that such questions would almost surely be barred. Beyond stating that he was a rather conservative Democrat, nothing exciting was disclosed.

If I land in court some day, nothing would please me more than to have Judge Sweeney "do the honors" for me.

Lt. Loring Awarded Citation

Lt. Stanton D. Loring, 26, son of Mr. and Mrs. William C. Loring of 9 Crescent avenue, Newton Centre has been awarded a citation by Admiral Harold R. Stark of the U. S. Navy for outstanding performance of duty during the invasion of France.

Lt. Loring attended Newton Country Day School and Newton High School and was graduated from Harvard in 1941. He entered the Navy with a commission as ensign in March 1942 and was promoted to lieutenant, senior grade, last May. He is in Naval Ordnance and has been overseas more than a year.

His brother, Lt. William C. Loring, Jr. also in Naval Ordnance, has been in the Pacific war zone since August 1943.

The Boston Public Library announces an illustrated lecture on "Adventures in Light and Color", by Dr. Charles J. Connick, of Newtonville, in the Lecture Hall of the Library, at eight o'clock, Sunday evening, October eighth. The speaker will be introduced by Rollo Walter Brown.

In addition to the intrinsic appeal of the subject which is its timeliness in view of the present campaign in France with its threat to the priceless heritage of mediaeval stained glass.

Rummage Sale

A rummage sale will be held on Saturday, Oct. 7th, from 10 a.m. to 5 p.m., at 2092 Commonwealth avenue, Auburndale, by the Centenary Methodist Women's Society of Christian Service. The store will be open Friday afternoon from one to five o'clock to receive articles.

Be Sure To Mail Christmas Gifts To Navy Men

Should the war end in Europe by Christmas, Navy men will be actively engaged in the Atlantic theatre transporting Army troops. In the Pacific theatre, Navy forces are constantly increasing and will continue to increase in the coming months. With many conjectures that boys in Europe will be home for Christmas, there has been a tendency to slack in mailing Christmas packages in the hope that the man will be home to receive it himself. This feeling may bring disappointment to many men, and it is vigorously urged that all packages to Navy, Marine, and Coast Guard personnel be mailed NOW.

St. Paul's Plans Harvest Festival

The Annual Harvest Festival will be held at St. Paul's Parish House, Newton Highlands, on Tuesday, October 10, from 4 to 10 p.m.

Politics With Color

by P. W. C.

Senator Ball of Minnesota

Fortnight Senator Ball of Minnesota, one of the B2-H2 Senators, (Ball, Burton, Hatch and Hill), threw a mild bomb-shell into the Republican campaign a short time ago by publicly stating that he could not, as of today, give his support to Gov. Thomas E. Dewey. On the surface, that is very bad news for the G.O.P. high-command, which is still in the dark as to the position which will be taken by Wendell L. Willkie before the campaign finally winds up on Nov. 7. The significant aspects of this current development is, of course, the fact that Senator Ball has now identified himself with the ultra-internationally-minded Willkies. If the bulk of the Willkie admirers continue to maintain their aloof position with reference to Gov. Dewey and are presently to be joined by the substantial following of the Minnesota Senator, it will be a God-send to Mr. Roosevelt, who has shown tremendous signs of weakness as Gov. Dewey has hammered at one peak point after another.

Now, the G.O.P. has recognized the seriousness of this entire situation and has seen to it that one of the other B2-H2 Senators, Hon. Harold H. Burton of Ohio, should endeavor to counteract the damage which Senator Ball has done. Senator Burton has definitely placed himself on record behind Gov. Dewey. Incidentally, I think it may fairly be said that the Ohio Senator has proved himself to be more of an internationalist than even more of an inveterate nationalist than the other two B2-H2 Senators are both Democrats. Consequently, the astute Mr. Herbert Brownell of New York has done about all he can to offset the Ball statement.

Consider, now, the exact wording of part of Ball's statement:—"I have read or listened to all of Gov. Dewey's speeches and statements to date. He has not yet convinced me that his own convictions on this issue are so strong that he would fight vigorously for a foreign policy which would offer a real hope of preventing World War III against the inevitable opposition to such a policy."

Well, how about the Commander-in-Chief's own efforts in this direction? As David Lawrence aptly put it a few days ago, Mr. Roosevelt did precious little at the recent Quebec conference to "turn his intimate friend and exponent of reactionary thinking in world affairs, Prime Minister Churchill, from his attachment to an old-fashioned three-power alliance that excludes for an indefinite period all other nations, large and small." Lawrence goes on to state that there is no sign that Mr. Roosevelt "has done any vigorous fighting as yet to dissuade Marshal Stalin from his position that Russia should be a law unto herself and make no commitments to give up her veto power on the executive council of the International Security League in the eventuality of a dispute between Russia and the United States."

We do not do that leave Senator Ball of Minnesota? Does he propose to try to drive his party's candidate for the Presidency, Gov. Dewey, into a corner and demand that he adopt a far more radical policy than the Champ's? Has Sen. Ball forgotten so soon what happened to his friend Wendell Willkie, largely on account of his strong, uncompromising stand on foreign policy? The G.O.P. leaders gave Willkie his hat and showed him the way out the door. He left unharmed and he will doubtless come back the same way, if at all. Parenthetically, I am reminded of one of my favorite radio programs, featuring the one and only Charlie McCarthy. The latter says to Mortimer Snerd, near the close of the Sunday night broadcast,—"Mortimer, how CAN you be so stupid?" To which Mortimer will make some idiotic reply to the effect that it is a gift or that he is something worked hard at it or something equally foolish. My point here is that it amazes me to note the continuing stupidity of SOME of the brass-hats and other leaders in the Republican party. Here we have Gov. Dewey getting the Champ on the ropes and swaying somewhat groggily, perplexed and worried about the outcome of the current fight, and what happens? A liberal Senator from Minnesota, who could, presumably, have taken his stand against Dewey many months ago, waits until six weeks before election and then sounds off in a manner which must delight the President to the point that he might even say a kind word about Herbert Hoover. And just think that there are still men who claim that women are illogical and unpredictable. Maybe so, but they had better stop making fun of the weaker sex. Their own record for consistency is nothing to write home about.

My personal opinion is that it is about time that the Republican party snaps out of it and gets behind dynamic Gov. Dewey in a big, whole-hearted way. He CAN be elected and he WILL be elected if the party which nominated him stops yelping about the obvious disunity in the Democratic party and spends more time in CREATING unity in the Republican party. You can't have everything in this world. That applies to politicians as well as to other frail human beings. Why not try to be content with what you yourself selected? The only alternative is another four years of New Dealism, which from now on will mean the dictatorship, on a small throne to the left, of the nauseating Sidney Hillman, who is my idea of a rotten American.

Left to right: KARL J. GOETHEL and JOHN DAVID COETHEL

Lt. Karl J. Goethel Killed in Accident

A few days after he received a letter from her two sons in the Army Air Forces telling of their chance meeting after narrowly escaping death or capture when their respective planes were shot down, Mrs. Marguerite G. Goethel, a widow, of 60 Greenwood avenue, West Newton was notified by the War Department that one of the boys was killed in an accident in England.

The deceased flier, First Lt. Karl J. Goethel, 22, pilot of a P-38 Lightning fighter plane, had been shot down in Germany, but after escaping capture for two months, he crossed over into France and made his way back to England.

The fatal accident occurred Sept. 12, according to the War Department telegram. Less than two weeks before that, on Aug. 29, Karl and his brother, Second Lt. John D. Goethel, 20, met by chance in a Red Cross officers' club in London.

Karl had been reported missing and not until he saw him in the clubhouse was John aware that Karl was safe. To add to the extent of the coincidence, each brother had a tale of almost incredible adventure to relate. In the joint letter received by their mother after their meeting, Karl told of having evaded capture for two months after being shot down, but stated that he

was not permitted to give details. He had been reported missing June 11 when he failed to return from the mission.

As for John, who is a bombardier on a Flying Fortress, he told of having parachuted into the English Channel from the plane after it had been disabled by flak during a raid over Germany. He related that the plane was limping home when, after reaching the channel, it became advisable to bail out. John, who was a poor swimmer, managed to keep afloat for an hour and 35 minutes until he was picked up by a destroyer near Cherbourg. The crew of the warship braved the mine-infested waters to effect the rescue.

On Aug. 29, John was registering at the officers' club in London when his officers happened to wander over the book and rest on the name of his "missing" brother. He hastened upstairs to the latter's room and found him asleep. They spent several days in celebration of their reunion before returning to duty.

Mrs. Goethel, who is employed as secretary in the Newton Cooperative Bank, has another son in the service, T. Peter Goethel, 18, a member of the Coast Guard, stationed at South Portland, Me., and a daughter, Mrs. Yvonne Ciesluk, former Army nurse, who served in the Nurse Corps for 2½ years and was last stationed in New Orleans.

Charles D. Hurrey Rotary Speaker

At the Rotary Club meeting on Friday, September 29, Clarence Mease introduced the speaker, Charles D. Hurrey, world traveler and lecturer, and former Secretary of the International committee of the Y.M.C.A. Mr. Hurrey has devoted 35 years to the service of young men, working with men of all races and creeds, and has travelled extensively all over the world. Mr. Hurrey spoke to us on the subject of prisoners of war, and described the good work being done by those two great international organizations, the Y.M.C.A. and the Red Cross. He pointed out that our prisoners in Germany and Japan needed food parcels as well as such things as books, games, musical instruments, etc., and that neutrals were representing us to see that our prisoners actually received those gifts and were being treated in accordance with the rules of the Geneva Convention. Mr. Hurrey stressed the importance of seeing this job through and the necessity of continuing our generous support of the coming campaign for funds by the Community Chest and the Red Cross.

From where I sit . . . by Joe Marsh

I Don't Think That Would Be Fair

I walked down by the depot Tuesday evening and watched a company of troops get off the train and drill up and down Madison Street for a little leg-stretching.

Jeb Crowell, the storekeeper, was stopping right along with the younger men, just as spry as he was during the first World War. We walked home together when the train pulled out and Jeb started talking about how things were when he came back home from France in 1919.

"It was pretty discouraging," Jeb said, "to come back and find out that Prohibition had turned

our best people into law breakers and that our kids were sneaking down back alleys to buy bootleg. I hope our boys don't have to come back to that again this time."

From where I sit, I don't believe our folks will try to take away the rights of our soldiers while they are overseas fighting to preserve them. Time enough to settle that argument after we've won the big scrap that's ahead of us now.

Kiwanis Club

Ben Louis presided at the October meeting of the Newton Kiwanis Club in place of President Walter Hood. After some spirited singing led by song master, Jack Janse, the business meeting was called to order.

Mr. Louis spoke in behalf of a serious observance of V Day when it arrives and asked that it be observed with thoughtfulness and reverence.

October 1st to the 8th is being observed throughout the country by Kiwanis as National Newspaper Week and Mr. Philip O. Ahlin, editor of the Newton Graphic, who was present as a guest of the club, was presented with a testimonial scroll by Samuel H. Johnson, chairman of the publicity committee. The scroll expresses the appreciation of Kiwanis International as well as local for the fine service rendered Kiwanis by the press. Mr. Ahlin accepted with a few well chosen words.

Mr. George White introduced Mr. Oliver M. Drummond of Wellesley Hills, who is a volunteer worker at the Newton Hospital. Mr. Drummond outlined the urgent need for men to act as volunteer orderlies in the Newton hospital and spoke of the increasing amount of work being done by the hospitals with reduced staffs. What is true of Newton, he said, is true of practically every other hospital in the country. After the meeting several members talked with Mr. Drummond about helping in this important work.

Frank Battles told about next week's program, announcing that Mr. Percy J. Burrell, representing the United War Fund will be the speaker. He then introduced John Brennan who showed some actual movies of combat pictures taken in the present war. The films were made by the signal corps and were full of action.

The attendance of the club seems to be on the up-grade and it looks as though soon the club would again be forced to use the "Y" auditorium instead of the present club room.

Makes Appeal For Christmas Cheer For Port Workers

Mrs. Edward J. Cannon, chairman of the Camp and Hospital Council for Newton Red Cross has issued an appeal for Christmas packages for the port company, the men who load and unload ships, and who are not always remembered at Yuletide. She suggests that the packages contain shaving cream, razor blades, tooth paste, writing paper and candy. "No money message can be enclosed," she says, "but a message can be enclosed with the name of the donor. Packages should not be sealed inside but may be gaily gift wrapped. Mrs. Cannon asks that any of these parcels be left for her at the Newton Red Cross Chapter House, 21 Foster street, Newtonville.

The Camp and Hospital Council is also asking for small table radios (in any condition) for the new Area Hospital in Weymouth, and for large easy chairs for the enlisted men's club and induction center at Fort Banks. The Chapter House will be happy to call for these items.

Oak Hill Exchange

The Oak Hill Exchange opened for its first sale on Thursday, September 21. Tables and racks were set up in the library of the school to display a very good looking assortment of children's clothing. The sizes ranged from little dresses and snow suits to fit an infant, to tweed tops and sweaters for the sixth graders.

The clothes represent what could be bought at the good stores before the OPA clamps were adjusted and they are sold at the Exchange for just a fraction of their original cost. Elegant little hand made dresses were marked very low. There were sweaters and jerseys that were very far under the dollar mark and darling little two piece wools for toddlers. There were rain coats, snow suits, rubbers, sneakers and riding boots.

We say this because the opening sale was very successful. Some of the stock remains but we are very anxious to add to it. If you have any article of clothing that is in good repair, for which you have no further need, won't you bring it to the Children's Exchange. The Parent Teacher Association makes 20 percent on the sale, but the rest is yours.

If you have a stroller, a carriage, a bicycle or any article too large to bring to us, let us know about it and we will try to find a customer. If you are looking for one of these things, let us know and we will do our best for you.

Remember: Thursday, Oak Hill School Library, Children's Exchange, 8:30 a.m. to 11:45 a.m.

Newton Lodge of Elks at their meeting on Thursday evening held a memorial service for the late Chief of Police Michael T. Hughes. The eulogy was given by Chaplain Nicholas Veducio.

District Deputy Oswald J. McCourt reported for the War Committee and requested donations for the Elks Fraternal Centres. A letter was received from Governor and Mrs. Leverett Saltonstall thanking the lodge for the note of sympathy sent them on the death of their son, Peter Saltonstall, who was killed in action.

It was announced that Past Exalted Ruler Willard Sampson is ill at the Newton Hospital.

Christopher A. Scarappa and John V. Cavanaugh were accepted into membership and Frank E. Bibbo was proposed for membership.

A request was made for used playing cards for servicemen in the hospitals.

An invitation was extended to members by District Deputy McCourt to accompany him on a visitation to Arlington on Wednesday night. He announced that the Newton meeting will be held on October 13 instead of on October 12.

Leading Knight George McGoldrick of Brookline Lodge outlined the inter-lodge league activities and Newton Lodge voted to enter the competition.

The meeting was opened with a supper served by the house committee under the direction of James Burns, chairman.

Dining With Jane and Bill

Bill—You know, Jane, I think there must be something the matter with me.

Jane—What do you mean? You look all right to me. Why this sudden concern about yourself?

Bill—Well, for the past month or more I've felt so doggone tired out. By the middle of the morning the only thing that keeps me going is a cup of coffee.

Jane—Do you mean to say Bill, you don't know what the trouble is? Sure, you've been working extra hard recently but I wager you that half your trouble is that birdlike breakfast you start off with every morning.

Bill—Now don't begin that again. I told you I just don't feel like eating in the morning.

Jane—Bill, listen to me and don't be so stubborn. Let's use a little common sense. You say you're all fagged out by the middle of the morning, and that you're somewhat revived by that mid-morning doughnut and coffee.

Bill—Yes, but I'm tired because my job is heavy and it takes a lot out of me.

Jane—Sure it does, but you don't give yourself a chance. Say, have you noticed the posters in all the subway cars? "You work like a horse, don't eat like a bird."

Bill—Yes, kind of clever. Well if you insist I'll give it a try even if it means getting up 10 minutes early. You're wagering that I'll be in better trim in two weeks and can work right through the morning without getting that tired feeling?

Jane—Yes, I'll take it on as a bet.

Note: This statement backs up Jane's hunch about Bill's breakfast.

"In medicine it is well known that a fall in blood sugar usually accompanied by excessive fatigue and weakness frequently follows a large intake of carbohydrate. Thus the typical American breakfast—one relatively high in carbohydrate and low in protein and fat content predisposes to mid-morning hypoglycemia (low blood sugar) with its consequent weakness and fatigue. — (Stare, E. J. and Thorn, G. W., 1943. Some Medical Aspects of Protein Food. Am. J. Pub. Health 33: 1444.)

What Bill has been having for breakfast:

Fruit Juice	Carbohydrate	100 grams
Sweet Rolls	Protein	8 grams
Coffee	Fat	10 grams

The new breakfast he is going to try:

Fruit Juice	Carbohydrate	55 grams
Scrambled Eggs	Protein	28 grams
Toast	Fat	50 grams
Glass of Milk		
Coffee

Newtonville Woman's Club

Miss Estelle Marsh, President

The Japan of Yesterday Today,

and Tomorrow was the title of a

most unusual lecture given by

Charles W. Copp at the second

meeting of the Newtonville

Woman's club, Tuesday, October

3rd at 2:30 p.m.

The meeting opened with the

singing of the Star Spangled Ban-

ner with Mrs. George W. Esler at

the piano.

Miss Estelle Marsh, the club

president spoke of our coming

lecture, "By Jeep to Alaska" to be

given by Herbert C. Sanks, world

traveler, photographer and author.

Mrs. Joseph L. Sevigny, chair-

man of War Relief, spoke of the

knitting and sewing available to

the club members.

Mrs. Robert S. Gaskell, Hospi-

tal committee chairman, re-

minded the members of the oppor-

tunity to sew or help in the diet

kitchens at the Newton hospital

on the 3rd Thursday of each month

at 10 a.m. Mrs. Gaskell also asked

that the annual contribution of

jellies for the hospital be brought

to the next club meeting on Oct.

17th.

Miss Marion Bassett, chairman

of the children's Xmas party, told

the club of her plans and a collection

was taken for the party.

There will be an evening bridge

party on Oct. 20th at the club-

house to be given by the Junior

Woman's Club. Tickets to be 50c.

W. N. Women's

Educational Club

Club activities for the West

Newton Women's Educational Club

start Friday, October 13, at the

Second Church Parish House, at

2 o'clock with the first regular

club meeting of the 1944-45 season.

Mrs. C. Warren Howe will preside

at the business meeting. Mr. Rob-

ert Stanton, author and lecturer,

will show color-camera scenes on

a 3000 mile motor trip through

Mexico. Mr. Stanton is one of

America's most gifted color-cam-

era artists as well as a noted trav-

eler. His lecture show at be color-

ful and interesting to all who are pres-

ent to hear him. Refreshments will

be served after the entertainment

in the church parlors with Mrs.

Earl L. Ham as Hospitality Chair-

man for the day.

Mothers' Rest Asso.

Closes Busy Season

Mrs. Ellis Gates of Windsor

road, Waban, president of the

Mothers' Rest Asso. of Newton,

held a board meeting at her home

last Thursday to hear reports of

the several chairmen and to con-

gratulate them on a summer of

service and success.

Several hundred mothers and

children were entertained at the

Rest from June to September and,

in spite of ration boards and labor

problems, the home carried out

its usual vacation program to the

satisfaction of all.

Those present at the meeting

were Miss Elizabeth P. Bartlett,

Mrs. George Brewer, Mrs. Foster

Cousins, Mrs. Roy Goud, Mrs. A.

Harry Hutchison, Mrs. Harold R.

Keller, Mrs. Kirtley F. Mather and

Mrs. George H. Wight.

Recent Weddings

Shepard-Gallagher

The Church of Our Lady, New-

ton, was decorated with gladioli

on Sunday, October 1st, for the

marriage of Miss Alyce G. Gal-

lagher and Chief Petty Officer

John Shepard, USNR, of Bright-

on. The 3:30 o'clock service was

performed by the Rev. Daniel

Riordan and a reception followed

at the Hunnewell Club, Newton.

The bride is the daughter of Mr.

and Mrs. Henry P. Gallagher of

241 Church street, Newton, and

the groom is the son of the late

Mr. and Mrs. John J. Shepard of

Brighton.

Given in marriage by her

father, the bride carried white

carnations with orchids and was

gowned in mouseline-de-soie with

chambray lace, and her finger-tip

length veil fell from a coronet.

Riordan and J. Rush was the

matriarch of honor for her sister.

Gowned in plum velvet, she wore

a matching hat and carried a

cascade bouquet of mixed pom-

poms. Miss Margaret Gallagher,

also a sister of the bride, and

Mrs. J. P. Roca of Dorchester

were the bridesmaids. They were

gowned alike in green velvet with

matching hats and carried cascade

bouquets of yellow pom-poms.

Miss Jane Gallagher, niece of the

bride, was the flower girl. Her

veil from a pink tulle, which

she wore a poke bonnet and

carried an old fashioned bouquet.

Louis J. Rush was the best man

for Chief Shepard and the ushers

were John Roache and Edward

Gallagher, brother of the bride.

Mrs. Shepard is a graduate of

Our Lady's High School and the

groom graduated from the Bright-

on High School. He has just re-

turned from the South Pacific af-

ter two years of active service

with the U. S. Navy Sea Bees,

Marine Division. At the reception

the following party, besides the

bride and groom who left later

for Florida, were Mr. and Mrs.

H. A. Gallup Jr. of North Adams

and Mr. and Mrs. George McKee

of New Hampshire. On Septem-

ber 23rd, the bride was honored

at a pre-wedding shower at the

home of Mrs. Louis Rush, 28 Bur-

ton street, Brighton.

Case-Durham

A beautiful wedding took place

in the First Methodist Church of

Needham Heights on the evening

of September 20, when Mildred

Jean Durham, daughter of Mr. and

Mrs. John A. Durham of Need-

ham, and Tech. Sgt. Raymond J.

Case, son of Rev. and Mrs. Her-

bert E. B. Case, of Auburndale,

were united in marriage in a

double ring service. Rev. Mason

Sharp of Lynn, a former minister

of the Methodist Church in Au-

burndale, officiated, assisted by

Dr. Carl N. Garland of Needham.

There were nearly 200 guests

from New York, Rhode Island,

Ohio and Greater Boston.

The bride, who was given in

marriage by her father, wore a

gown of pink blush satin and full

length veil, and carried a semi-

cascade of white gladioli and

stephanotis. She was attended by

J. J. Cronin, Specialist 2/c,

WAVE, from Lido Beach Naval

Receiving Station, Long Island,

where the bride was formerly sta-

tioned. The bridesmaids were

Miss Evelyn of Needham, Mrs.

Ralph Rowden (Marion McNeilly)

of Newton Center, and Mrs. Ber-

nard Anderson (Adele Crowell) of

Marblehead. The best man was

Technician William L. Twigh

from Camp Shelby. The ushers

were uncles of the bride.

The bride is a graduate of the

Needham High School and the

Copley School of Fashion. She en-

listed in the WAVES in April,

1943, and after taking her train-

ing at Hunter College was as-

signed to the Naval Receiving

Station at Lido Beach, Long Is-

land. She has recently been trans-

ferred to St. Albans, Long Island.

Tech. Sgt. Case attended North-

eastern University and is a gradu-

ate of the Bentley School of Ac-

counting and Finance. Previous to

entering the army he was con-

nected with the Peppercorn Mfg. Co.

of Boston. He entered the service

in 1940, and after two years at

Fort Devens, he was transferred

to Camp Shelby, Miss., where he is

Battalion Sgt. Major.

Pauler-Brodrick

The Leslie Lindsey Memorial

Chapel, Boston, was decorated

with candelabra with all white

tapers against banks of lilies and

white gladioli for the marriage

of Tech. Sgt. Pauler and Miss

Shirley E. Brodrick and Lt.

(jg) John Norman Pauler. The

eight o'clock ceremony, performed

by the Rev. Arthur S. Payzant,

was followed by a reception at

the Ritz Carlton. The bride is

the daughter of Mr. and Mrs. A.

Walter Brodrick of 130 Renss-

sela Park, West Newton, and Lt. Pau-

ler is the son of Mr. and Mrs.

Frank Stephen Pauler of Milwau-

kee, Wisconsin.

With her princess gown of ivory

satin, the bride wore an illusion

veil from a just one of seed

pearls, and carried white orchids

and stephanotis. Her maid of

honor, Miss Eleanor Hooper of

West Newton, wore American

beauty taffeta and carried pastel

shaded fall flowers. Mrs. Brod-

rick was

Community Council Appeals For Data On Nurses In Service

The Information Service of the Newton Community Council, in cooperation with the Nurses for War Services Committee, is proud to list the names of 84 Newton nurses who are serving in the Army or Navy Nurse Corps.

We are certain that this list is not complete so we ask your help in assisting us to fill the request from the Citizens' Advisory Committee for Returning Veterans and the Honor Roll Committee to provide them with the names and branches of service to which so many of our young women have gone.

In reading over this list, you find the omission of the name of a friend, relative or neighbor who has joined our fighting men, will you please call the Newton Community Council, LAS 5121 and give the information at once. There is no other way in which we can be sure the credit be given to and plans made for our service women.

Warren Junior High Halloween Party Off To Good Start
At a meeting in which class and community officers met with parents, plans for a snappy Halloween party were discussed.

The wishes of the classes as to type of party were made known to parents. Full cooperation between parents and youngsters assures the success of the party.

The Warrenites know what they want and the parents committee plans to help them get it.

YMCA Physical Program Starts Next Week

The fall program of Physical Department activities for boys and men at the Newton Y.M.C.A. will get under way during the coming week. The schedule has been arranged so that there are five different classes for boys and two for young men and men. All of the boys' classes, some of which will use the athletic field for touch football for a few weeks, instead of meeting in the gymnasium, will be followed by a swimming period.

The Cadets, boys eight and nine years old, will come on Saturday morning at 9:30. They will be two different classes for Juniors, boys who are at least ten years of age, but not yet in Junior High School. They will meet on Tuesday and Thursday afternoons, the first early in the afternoon for boys who are not in school, and the second, later in the afternoon, for boys who do not have those afternoons off from school. Both classes will meet together on Saturday mornings.

Junior High School boys are scheduled for Monday and Wednesday afternoons and Saturday mornings, while the Evening Class for boys who are at least fifteen years of age will meet on Tuesday, Thursday, and Saturday evenings.

The men's classes are the class for Business and Professional men on Monday and Thursday at 5:30 p.m., and the Senior class on the same days at 8:15 p.m.

Included in the boys' program there will be the practice on the athletic field of some football fundamentals and the playing of touch football, playing of basketball, soft ball and other group games, gymnastics, and track and field events in the gymnasium; Navy and Roger Stanton and Alden C. Reed, who were on the Camp Massasoit Day Camp staff during the past summer.

New Committee Chairman Named
Mrs. George E. Rawson of Newton has been appointed chairman of the Arts and Skills Corps working at the Cushing General Hospital at Framingham. It is announced by Mrs. William L. Young, chairman of Volunteer Special Services for the Chapter, that Mrs. Rawson's experience in organizing groups for various women's organizations, as well as her splendid work for Newton Red Cross during the past few years should help her in building up a fine working group for the new unit.

The Corps operates under the Army Occupational Therapy program, teaching both ambulatory and ward patients fine arts and crafts work, and is carefully supervised.

State Guard Unit Starts Training
Newton's State Guard Company, attired in its new OD Army-style uniforms, has started its fall training with new spirit.

Spurred by the approaching State Inspection on October 23rd, the officers and enlisted men are anxious to recruit their unit to full strength and to perfect their drill.

NEIL LEONARD, MODERATOR AT COMMUNITY COUNCIL MEETING

Neil Leonard, immediate past president of the Newton Community Council, will act as moderator at the Fall meeting of the Newton Community Council which will be held on October 10th.

The subject to be discussed, "Planning Today for Newton's Tomorrow" will be approached from four angles:

Mayor Paul M. Goddard will speak on the plans and hopes for the future of Newton.

Lawrence K. Marshall, President of Raytheon, will discuss Newton's prospects in business.

Dr. Homer W. Anderson, Superintendent of Schools, will explore the educational future of the city.

Dr. Julius Seelye Bixler, President of Colby College, Waterville, Maine, will bring to Newton an interesting interpretation of social and welfare problems facing a community such as ours.

Scout Conference--

(Continued from Page 1)

tively prominent in civic affairs. An actor who lives his lines. An ardent, energetic Scoutmaster, respected and beloved by boys and men alike." Others to receive this recognition were: Dudley M. Dorr of Lancaster; Arthur M. Conley of Bridgeport; Conn. Commander Alexander W. Moffat of Boston; Francis W. Hatch of Weymouth; Most Rev. Maurice F. McAuliffe, D.D., Bishop of Hartford; Conn. Albert M. Stone of Gardner; Heywood H. Whaples, Farmington, Conn.; and Leon S. Gay of Cavendish, Vt.

Maynard L. Hutchinson of West Newton has long been identified with community activities. He served at one time as President of Norumbega Council and more recently was Chairman of the Greater Boston United War Fund.

He has been a friend of Scouting for many years. Robert E. Pettit, Scout Executive of Norumbega Council, was Chairman of the Exhibit and Display Committee, as well as in charge of the Banquet Tableaux Committee. There were thirty exhibits from the 5 Boy Scout Councils represented at the Conference, among these the most outstanding one was that presented by Norumbega Council, which carried the "V-Mail Scout" project—recently undertaken so successfully by the local Council. This exhibit was set up by Henry S. C. Cummings, Chairman of the V-Mail Scout Project, Arthur G. Wolfrum, Edward E. Cohen, Robert E. Pettit and has on duty Scouts Ed Jaquith, Troop 7W; Ferd J. Fawcett, Troop 22; F. Brittain Kennedy Jr., Troop 10; and Cubscout Conger Fawcett, Pack 22. The exhibit showed a typical field post office at Bangor, Maine, with soldiers obviously happy over the receipt of letters from home. On the table were shown details of the "V-Mail Scout" Plan—such as the V-Mail letter, the report card, the Certificate which boys receive for writing a letter, the badge which they receive for writing more than once, photos, posters and letters from service men. The exhibit attracted a great deal of attention and will doubtless lead to other Councils following the lead of Norumbega Council in getting Scouts to write to some "overseas boy" each month by V-Mail.

The feature speaker was Dr. Elbert K. Fretwell, Chief Scout Executive, who touched on the Conference theme "Scouting at War—Time Essential—Give the 'Kid's Kid Brother' his chance now!" and felt that to add to human happiness we must give more attention to attitudes;—we must appreciate our privileges and responsibilities; and since we are so much a part of all we meet, he challenged us to see that the boyhood of tomorrow has the benefit of the message of Scouting—"On my honor I will do my best—to do my duty to God and my Country, and to obey the Scout Law. To help other people at all times. To keep myself physically strong, mentally awake, and morally straight." There were thirty-one delegates from Norumbega Council attending the banquet and on the night before James C. Walton of Newton attended the President's Dinner, as President of Norumbega Council. He had as his guest the Council Scout Commissioner H. Brittain Kennedy of Waban.

Few Councils in New England have had greater interest in Scouting than in Newton. It has been a pioneer in the Cubscout field and serves over 8000 boys between the ages of 9 and 12. The new Regional Chairman John M. Bierer has been for a number of years National Chairman of Cubbing for the Boy Scout Organization. There are over 1100 Boy Scouts in the Newton-Wellesley area—and for over 21 years Scouting has flourished and grown within this Council thanks to the able leadership of such men as John Bierer, Bill Fawcett, Maynard Hutchinson, Joseph P. Jamieson, Ben Guernsey, Jim Walton, and many others. There are over 1,312,000 scouts in the United States today—a powerful force for good in the days immediately ahead—ready for action, prepared to serve their community and their country—all eager to do their best!

Sgt. Kee Cited For Meritorious Service

Sgt. Allan N. Kee, son of Mr. and Mrs. Allan N. Kee of 76 Arden street, Newton, has been cited for meritorious service in Bougainville, Solomon Islands on February 13, 1944. The citation reads as follows:

Sergeant Allan N. Kee, 20117-364, Infantry, United States Army, for meritorious service at Bougainville, Solomon Islands, on 13 February, 1944.

During an enemy air raid in the early morning of 13 February 1944, the Division Headquarters Command Post area was hit with five hundred pound demolition and incendiary bombs which set fire to a tent, occupied by four men and wounded two of them. Sergeant Kee, with complete disregard for his personal safety, and while enemy planes were still overhead and heavy anti-aircraft flak still falling, left his own shelter to go to the aid of the wounded. Sergeant Kee used great initiative and courage in improving a stretcher and in the removal of the wounded men over three hundred yards of open terrain to a medical aid station.

This devotion to duty on the part of Sergeant Kee reflects great credit on himself and is in keeping with the highest standards and traditions of our United States Army.

R. B. McClure, Major General, Newton High School, 1937, and of the Bentley School of Accounting, and was a member of the National Guard. He has served in the Pacific area for two years and nine months.

Newton Soldier Decorated in Italy

WITH THE FIFTH ARMY, ITALY—Private First Class Gerardo L. Cellucci of Newton, has been awarded the Bronze Star for heroic achievement in action during the Tunisian campaign while serving with the 34th "Red Bull" Division.

When the battalion aid station was subjected to heavy enemy fire and was rendered impotent for a short period, Cellucci, now on the Fifth Army front in Italy, assisted in administering first aid to the wounded men of four companies. Working continuously under German mortar, machine gun and artillery fire for 65 hours, Cellucci undoubtedly, in the opinion of his officers, saved the lives of many wounded comrades.

His mother, Mrs. Cedisia Cellucci, lives at 23 Curphy Court, Newton.

NEW GUINEA, Southwest Pacific—Pfc. Basil A. Gorgone, son of Mr. and Mrs. Philip Gorgone of 18 Cottage place, West Newton, is now on duty with an Anti-aircraft Battalion in the Southwest Pacific.

Pfc. Gorgone's organization has been overseas since September, 1942 and has been based in New Caledonia, Guadalcanal, New Zealand, and New Guinea. He saw considerable action at Guadalcanal, taking part in the first American offensive against the Japanese. His organization was responsible for the Anti-aircraft defense of Henderson Field for a period of eleven months, and is officially credited with shooting down a number of Jap planes.

FIFTEENTH AAF IN ITALY (Special to Graphic)—1st Lt. Sam E. Monaghan, navigator in a B-24 Liberator, now a veteran of bombing attacks on many enemy installations, recently passed the 50-mission mark.

He is married to the former Manetta L. Henning who is now residing at 44 Fairfax street, West Newton.

AN EIGHTH AIR FORCE FIGHTER STATION, England—Private First Class John L. Corbett of Newton Upper Falls is a member of an Eighth Fighter Command P-1 Mustang group recently passed the 450-mark in victories over Nazi planes becoming the third American fighter group in the European Theater of Operations to make such a record.

Pfc. Corbett is an armorer in the finance company attached to the Mustang group stationed here.

Pfc. Corbett, who formerly resided at 41 Butts street, Newton Upper Falls, was employed by the Stowe and Woodward Co. of Newton Upper Falls before being inducted in August, 1942.

AN EIGHTH AAF LIBERATOR STATION, England—The promotion of George W. Smith of Newton Centre from 1st Lieutenant to Captain has been announced at this station.

He is a pilot on a B-24 Liberator heavy bomber at this combat crew station. In civilian life Capt. Smith was a business manager employed by Kemp Smith Co. of Newton Centre.

His wife, Mrs. Margaret H. Smith, lives at 35 Walter street, Newton Centre.

Captain Smith wears the Air Medal with three Oak Leaf Clusters "for meritorious achievement in aerial combat" over Germany and enemy-occupied Europe.

MADISON, Wis., Sept. 25—Pvt. Fuller Marshall, son of Mr. and Mrs. Howard W. Marshall, 11 Sylvan avenue, West Newton, has been enrolled in the technical school for training of radio mechanics students at Trux Field, an installation of the Army Air Forces Training Command.

Pfc. W. B. Ward Killed In Italy

Word has been received from the War Department by Mr. and Mrs. C. Grafton Ward of 121 Ward street, Chestnut Hill, that their son, Pvt. First Class William B. Ward, 23, has been killed in action in Italy. He had been in North Africa, but early in May was transferred to Italy where he saw combat service with the infantry.

Pvt. Ward, the 10th generation of his family, was born in Newton. He was graduated from the Newton High School in 1938 and attended the Babson Institute. Members at the Newton Y. M. C. A. will recall Pvt. Ward who was a popular member in the Boys' Department. For many years, and during high school, he served as a volunteer leader of one of the Cadet groups and for two summers assisted at the desk in the Boys' Division Lobby. Before entering the service, on October 14, 1943, he had been employed by a wholesale fuel firm in Boston.

Besides his parents he leaves a brother, Joseph Grafton Ward.

Wounded in France

Word has been received from the War Department by Mrs. Jean Karcher, 22 Oakland street, Newton, that her husband Private Frederick C. Karcher has been wounded in action somewhere in the native of the New England

Frederick C. Karcher who is serving with the Infantry received his basic training at Camp Blanding, Florida, and has been overseas for three months. He is now resting at a Field Station Hospital in France.

FORT RILEY, Kans.—Corporal Technician Francis R. Hailey of Newton Centre, a member of Headquarters Battery of the 393d Field Artillery Battalion now stationed at Camp Dunston on the Fort Riley Reservation, was promoted recently from rank of private first class.

Corporal Hailey was inducted in January 1944 and received his basic training at Fort Bragg, North Carolina. At present he is radio operator in Headquarters Battery.

Corporal Hailey's wife, Lucille Hailey, lives in Newton Centre.

MAXTON, N. C., September—1st Lt. Ernest I. Toombs, commanding officer of Section B-1 at Laurinburg, Maxton Army Air Base, has been promoted to the rank of captain, it has been announced by Lt. Col. Ellsworth F. Curry, commanding officer of the glider installation of the 1 Troop Carrier Command.

In the employ of Newton, Captain Toombs is the son of Mrs. Jean C. Toombs of 103 Newtonville avenue. He attended Boston University, and was the circulation manager of the Boston Herald Traveler prior to his entry into the army in June, 1942.

Pvt. James Ellis, U.S. Army, son of Mr. and Mrs. Fred Ellis of 12 Chesley avenue, Newtonville, has recently returned from the Southwest Pacific after 31 months overseas. Pvt. Ellis received his basic training at Camp Edwards and left there with the medical regiment for overseas duty where he participated in the Guadalcanal campaign. He attended Our Lady's School, and at the time of his enlistment in April, 1941, was in the employ of the New England Laundries. Following a 21-day furlough, Pvt. Ellis will report to North Carolina.

ATLANTIC CITY, N. J.—First Lieutenant George L. Kline of Waban, Mass., has reported to the AAF Redistribution Station No. 1 here, after eight months of service overseas in the Italian and Mediterranean theaters of war. Lt. Kline was a navigator on a B-24 Liberator heavy bomber while overseas. He engaged in 50 combat missions. He wears the Distinguished Flying Cross and the Air Medal with five clusters.

Lt. Kline is the husband of the former Miss Virginia Hardy who lives at 1259 Beacon street, Waban, Mass.

S/Sgt. Parker N. Wheeler, after 50 combat missions is back in the states. He has been promoted to T/Sgt. and has received the Purple Heart and the Presidential Citation for low flying over the Poenosi fields. He is now at an instructor's school in Galveston, Tex.

WITH THE ARMY AIR FORCE ENGINEER COMMAND IN ITALY—Antonio T. Caruso, Jr., of Newton Centre, was recently promoted to the rank of Technician 5th Grade in the aviation engineer unit which builds bases for Allied air power in the Mediterranean Theater of Operations. He is the son of Mr. and Mrs. Antonio Caruso of 10 Beecher place, Newton Centre.

Do's And Don'ts Of Fire Prevention

Fire Chief Keating today called upon all the citizens of Newton to join in the national observance of Fire Prevention Week, and which will be held from October 8-14 by proclamation of Mayor Goddard.

Calling fire fighting a science and fire prevention a matter of common sense, Chief Keating pointed to the ascending curve of fire losses in the past few years, and urged home owners, factory workers, industrial leaders and business men to join together to root out the fire hazards during Fire Prevention Week and to keep them out.

"What are the important fire hazards? They are just seven and if every one will concentrate on these hazards, we will automatically eliminate at least 90 per cent of the fires which last year burned our homes at the rate of 1000 a day."

Here is the list of DO'S and DON'TS compiled by Chief Keating:

DO clean and repair defective and dirty heating plants, including the stoves and the chimney.

DO replace flammable wood shingles when re-roofing is necessary with fire-resistant asphalt shingles, or some similar material like asbestos, slate or tile.

DO repair frayed electric cords, don't run them under rugs and al-fresco disconnect appliances after using them.

DON'T be careless with matches and smoking. Keep matches in metal containers and out of reach of children. Never smoke in bed; have plenty of ash trays and put out the cigarette or cigar—don't let them smoulder.

DON'T use flammable cleaning fluid or keep in the home.

DON'T use wood or paper cartons for ashes—use metal containers.

DON'T allow papers, rags, mattresses, and the like, to accumulate. Get these out and in to your local salvage committee. Good housekeeping is one of the best forms of fire defense.

I urge every citizen to take these steps now to protect the life of his family and his home from the ravages of fire. For fire strikes quickly and without mercy when our defenses are down—when we cease to be vigilant—when we fail to practice simple precautions. Is this too much to ask anyone when his life and his home are at stake?

"Of course," Chief Keating said, "a few fires are unavoidable, despite all precautions, so we recommend that every family delegate at least one member to the fire department in an alarm accurately and without delay should fire break out. Many times the alarm comes in too late to be effective or is transmitted in such a garbled manner that the department is not informed of the exact location of the fire. When you call, call the fire department at once."

"The Fire Department is ready during Fire Prevention Week to provide any interested citizens with further information on the causes of fires and the best ways to prevent them and control them at the source," Chief Keating concluded.

Returning Veterans' Needs Studied By Advisory Committee

Nearly every one of the 3200 Newton service men and women who have replied to the questionnaire sent by the Newton Citizens' Advisory Committee for Returning Veterans has a pretty definite plan for his future.

Only about 8 per cent indicate that they will need help in finding a job. This was revealed in a recent summary of the information which the Committee has on hand.

John F. Wheelock, executive secretary of the Citizens' Advisory Committee, explained that besides keeping in touch with veterans already discharged, his office maintains a continuous record of the probable needs following discharge of all Newton's service men and women.

About one-fifth of our Newton veterans, being of school and college age, plan to pursue their education further. "This proportion is likely to increase as the liberal educational provisions of the GI Bill of Rights become more generally known," said Mr. Wheelock. "Many who answered questions about returning to school by 'no' or 'doubtful' will change the answer to 'yes' when they realize the educational opportunities offered by the educational program of the Veterans' Administration."

About 50 per cent of the questionnaires stated that their old jobs are being held for them and that they mean to return to them. On the other hand, many stated that the old job no longer appealed to them and that they hoped to turn to different work. A detailed occupational breakdown is being compiled at the present time by the Citizens' Committee in order to facilitate a speedy return to civilian life by Newton veterans.

MAXWELL FIELD, Ala.—Clarance C. Benedict II, son of Mr. and Mrs. Elmer H. Benedict, 280 Walnut street, West Newton, Mass., has been appointed Second in Command in the corps of cadets with the rank of Aviation Cadet Lieutenant at the Army Air Forces Pre-Flight School at Maxwell Field, Ala., where he is completing an intensive course in military, academic and physical training.

DAVIS-MONTHAN FIELD, TUCSON, Ariz.—Cpl. Rocco J. Ruggiero, 18, son of Mr. and Mrs. Joseph Ruggiero, 62 West street, Newton, Mass., was recently graduated from this combat crew training school and will soon go to an overseas combat zone for active duty as an aerial gunner on a B-24 Liberator bomber.

He attended Newton High School. Prior to entering the Air Force, he was employed as a machinist in West Newton.

newspapers of the United States and Canada have rendered our two nations during these critical war years. For accurate and comprehensive reporting of the war news, for generous and unflinching support of wartime activities on the home front, for fostering sound morale, for fearless and independent editorial opinion, and for unrelenting vigilance in safeguarding the basic liberties of free speech and a free press."

In accepting of the Certificate of Citation, Mr. Ahlin said in part, "A weekly newspaper is a community institution. An institution has been defined as 'anything forming a characteristic and persistent feature in social or community life or habit.'"

"Surely, the weekly newspaper has become a characteristic and persistent feature in community life. It is one of our oldest institutions. In Newton, The Graphic has been published every week, without interruption for 72 years, and may well be classed as one of those persistent institutions."

Kiwanis International's president, Ben Dean, who formerly was city editor of the Grand Rapids Herald, said the service organization was awarding Certificates of Citation as a means of recognizing the "splendid contribution that the newspapers are making to the nation in war as in peace."

Dr. Wm. Duncan Reid formerly of 35 Hyde avenue, Newton, was recently commissioned Lieut. Comdr. in the Medical Corps of the U.S. Navy and is on duty at the Veterans Hospital in Pittsburgh, Pa.

Cadet Donald T. Black has recently graduated from his course in the army air corps at Maxwell Field, Ala., and is now training at Buckingham Air Field, Fort Myers, Fla.

From A Son To His Mother.

On Oct. 5, Mrs. Gardner B. Hinckley of 26 Page road received the following letter from her son, Lt. Ralph E. Hinckley, a prisoner in a German camp. Lt. Hinckley was reported missing in action, July 6, and later a United States prisoner of war.

July 22, 1944

Dear Princess,—

For your birthday this year, I fear I have naught to offer save all my deepest love and affection and the news that I am hale, hearty, in the best of spirits and the first jailbird in the Hinckley-Irvine clan in the outcome of that fatal day, awhile back. Not a hair of my head was hurt—I suffered from an injured pride only. Please thank the Red Cross in person with a sizable donation from me. They're tops!

Lovingly, your Son, Ralph.

Vera Micheles Dean To Speak At Newton Centre Woman's Club

VERA M. DEAN

Mrs. Sylvester McGinn, Chairman of the International Committee of the Newton Centre Woman's Club, announces that the first speaker of the year will be Vera Micheles Dean, Research Director of the Foreign Policy Association. She will speak on the "The Necessity of World Organization," at eight o'clock, Tuesday evening, November 14, at the Newton Centre Woman's Club House. This meeting is open to the public, and Mrs. Kristian Juthe is in charge of tickets.

Mrs. Dean holds a Master's degree in International Law from Yale and a Ph.D. from Radcliffe, and is a trustee of both Radcliffe and Vassar. She also has received the honorary degree of D.H.L. from the University of Rochester, and an LL.D. from Smith College. Her book, "Europe in Retreat" is now in its third printing. In addition to numerous articles and book reviews, she is the author of the recent Foreign Policy Association books and reports, "The Threshold of World Order" and "The U.S.S.R. and Japan."

Speaking seven foreign languages, Mrs. Dean has travelled and studied extensively in Russia, Finland, Norway, Germany, France, Italy, Austria, Switzerland, and Latin-America. Besides many lectures at schools and colleges, she has given courses in international affairs at Barnard, Yale and Cornell Colleges. She also has spoken at national conferences of the Association of United States and Canada, the National Education Association, and the Virginia Institute of Public Affairs. This year she served as special consultant to the office of Foreign Relief and Rehabilitation, and on the staff of Director General Herbert Lehman at the United Nations Relief and Rehabilitation Conference in Atlantic City.

Mrs. Dean's director, chairman of the entertainment committee.

Another group of 15 Italian war prisoners was entertained at the Sons of Italy Hall on Adams street by the Arcese Society.

Funds for defraying the cost of both events were donated by individual members of the two Italian organizations. Sufficient additional funds were collected from the members to provide for Christmas gifts for their guests, which will be distributed at Fort Andrews during the Christmas holidays.

The prisoners returned to Boston at 7:30.

Asks For Records For Hospital Trains

Newton Community has received a call through Mrs. Herbert G. Bedell, member of State Federation Division of War Relief, from the War Relief Headquarters at 420 Boylston street, Boston, for Victrola Records, pocket editions of comics and detective stories.

These articles are badly needed for hospital trains, which must be equipped immediately. Boys and girls of the Bigelow Junior High and the Weeks Junior High schools have responded to the call with enthusiasm and are busy collecting these articles which are so much in demand, not only for hospital trains but also for the various camp hospitals. Only records in the best of condition are good enough for our boys, so anyone interested, please look over your album and try to spare at least one record to help this worthy cause.

Collections will be made at the home of Mrs. Herbert G. Bedell, 41 Converse avenue, Newton, Mrs. Frederick G. Howe, Jr., 167 Waverly avenue, Newton, and Mrs. A. C. Cummings, 447 Centre street, Newton.

One hundred eighty-five delegates and friends of the Newton Community Council, a Red Feather Service of the Newton Community Chest, attended the Fall Meeting at the Newton Centre Women's Club on Tuesday evening, October 10, at 7:30 p.m. Dessert and coffee was served.

In calling the meeting to order, William B. Plumer, chairman of the Newton Community Council, said:

Opening Dinner Of United War Fund Oct. 30th Preliminary Meetings Now Are Under Way --Impetus Is Gaining

With the Opening Dinner of the Greater Boston United War Fund Campaign in Newton only two weeks away—October 30—preliminary meetings are starting to take place all over the City, and from present indications, the Campaign will have gained considerable impetus before the residential solicitation takes place.

Among the Divisions holding

meetings, the most active is perhaps the Mercantile Division, which held a Village Chairmen's

meeting on Tuesday at the home of Mrs. L. Sumner Pruyne, Chairman. Heading the villages and sections this year are: Mrs. Roderie M. Blood, Assistant Chairman; Auburndale, Mrs. Thomas W. Ferguson and Mrs. William W. Edson; Newton, Miss Elizabeth Bartlett and Mrs. Donald L. Gibbs; Newton Centre, Mrs. Abbott Spear and Mrs. Kenneth Fortune; Newtonville, Mrs. Wallace M. Ross and Mrs. Albert P. Everts; Waban, Mrs. Merrill P. Delano; West Newton, Mrs. John C. Campbell and Mrs. Walter Machlachlan; Clubs and Societies, Mrs. John M. Powell and Mrs. Lawrence Garvin; Chest

Agencies, Mrs. William B. Plumer. This year a new section has been added to this Division, a Chest Agencies Unit. All paid employees of the Hospital and other member-agencies of the Chest will be solicited by this unit.

Starting Monday of the coming week meetings will be held at the homes of Village Chairmen with seven meetings already scheduled: Newton Highlands on Monday, October 16, at 10:30 a.m.; Newtonville, Tuesday, October 17, at 10 a.m.; Auburndale, Tuesday, October 17, at 10:30 a.m.; West Newton, Wednesday, October 18, at 10:30 a.m.; Newton Centre, Thursday, October 19, at 10:30 a.m.; Clubs and Societies, Thursday, October 19, at 10:30 a.m.; Waban, Thursday, October 19, at 10:30 a.m.

The Mercantile Division has adopted an ambitious program for the Campaign and the meetings planned are for the purpose of stimulating the workers with the same enthusiasm that the leaders already have. The work of this Division will start one week earlier than the Residential Campaign. Under the leadership of Mrs. Pruyne, a morning coffee will be held for all women workers at the Trinity Church, Newton Centre, Monday, October 23, at 10:30 a.m. A luncheon will be held at 12 noon for the Section Chairman with Frank D. Hackett, Co-Chairman of the Division, in charge. The Chairmen in this group are: Automobiles, John Cahill; Banks, William M. Cahill; Bank Employees, Benjamin F. Louis; Beverages Stores, William J. Duffy; Men's Organizations, Ralph S. Sanguinetti; Private Schools, Frederick J. Fessenden, Jr.; Special Accounts, Lincoln Alvord.

Immediately following these meetings, calls are to be made on the merchants, and the object of the Division will be to complete all calls during the week of the 23rd, so that when the Presidential Division Campaign starts, the Mercantile Division work will be completed.

The Low-Down On Sidney Hillman

The verdict of the Labor Union, a union labor newspaper published in Dayton, Ohio, is that Sidney Hillman, head of the C.I.O. Political Action Committee, is "America's No. 1 Disruption."

The Labor Union then proceeds to give the low-down on the man who is trying to gain control of our national government: "Mr. Hillman was born in Lithuania, then a part of Russia, in 1887. He spent the first 20 formative years in Russia, being a youthful participant in the Russian revolutionary movement which afterwards became the Communist party. Emigrating to America in 1907, he became an apprentice cutter in the men's garment industry in Chicago. In 1910 he joined the United Garment Workers, affiliated with the American Federation of Labor, where he immediately commenced to reveal his genius as a union-breaker."

The Labor Union then goes on to trace the man's turbulent career, pointing out how he has disrupted every union labor organization upon which he has fastened himself, and summing up with the following:

"Such is the speckled past of the man who, today, has become the arbiter of the national Democratic party. He has crowned a life of disruption by becoming Mr. Roosevelt's backstage political manager. If the fourth term attempt is successful, Mr. Hillman may easily have the whole national administration as the theatre for his operations. . . .

"If Mr. Hillman has shown any consistent loyalty through the many twists and turns of his curious career, it has been to his native Soviet Russia. In 1921, on his Moscow visit, Lenin's Russia did him the honor of hailing him as 'Comrade Hillman,' through the columns of the officially edited 'Pravda.'"

"American labor, which is asked to give its support to PAC in this campaign, may well ponder the career of this insatiably ambitious man who sits at the PAC throttle."

The Coming Man Has Arrived

Four years ago Thomas E. Dewey, then District Attorney of New York and a newcomer in national politics, addressed a crowd of 18,000, mostly Republicans, in the Hollywood Bowl. The reaction of the audience to his slashing attack on the New Deal was contemporaneously described as highly favorable and the general verdict was that here was a coming party and popular leader.

Later Thomas E. Dewey, now Governor of New York and Republican nominee for President, addressed 90,000 tumultuously cheering people of all shades of political opinion in the Los Angeles Memorial Coliseum—and made good that verdict's promise. Already his party's leader, he displays the mental stature and the metaphorical breadth of shoulder, reach and grasp of a leader of Americans, regardless of group affiliation. The Dewey of 1940 was a comer, the Dewey of 1944 has arrived.

Nowhere are the effects of added experience and of successful grappling with large-scale social and economic problems more manifest than in Gov. Dewey's approach to them in this campaign. He has not changed his views on their fundamentals, but he has broadened them. In his California addresses of four years ago he spoke primarily as a partisan to partisans. In his current series, particularly in those of Thursday in San Francisco and of last night here, his discussion—of somewhat the same subjects—ignored so-called party lines and party doctrine and made its appeal to common commonsense, under whatever political label it may be found.

There is no better Republican than Gov. Dewey and no better proof of the fact than that he is bound to no fetter or dogma. His conception of the Presidency and of a national administration is one of even-handed service to everybody alike by the ablest men to be had, with no place favorites nor troughs for favored groups. After 12 particularly long years of New Deal self-service from the public service, it is a refreshing viewpoint.

The Republican nominee believes that the traditional privileges and opportunities of American citizenship are the common property of all citizens. He believes that there is useful, well-rewarded work for everybody who needs and wants it and that the Rooseveltian theory that America is shot, so far as concerns further industrial expansion, is poppycock. As he told a recent audience—the largest so far to hear him—he believes there should be social security for all our 60,000,000 breadwinners and not for only 40,000,000 or less of them. He believes that the way to get these things is for Americans to work together for them with and under an administration which will help them work together, as against one whose policy it has been and is to foster rivalry and contention between social, industrial and sectional groups.

The Governor of New York, if elected President, undertakes to furnish that kind of a co-operative and harmonizing administration. It is not an empty political pledge, unimplemented by practical experience and qualifications. He is supplying such an administration now to a State which, in addition to being the Union's largest, approximates a reduced replica of the nation as a whole, problems and all, more nearly than any other.

The five-point program of social security extension and improvement advocated by Gov. Dewey in his Coliseum speech will no doubt be hailed by his opposition as an adoption and adaptation of a New Deal creation in the first instance and of enlargements of it which they already had in mind to make in the second. Origination of government-co-operating aid for the aged, the unemployed and the incapacitated is a stock claim of the administration. It consistently ignores the fact that, in all essentials, the system has been in evolving practice in Europe for the past century and the further fact that, in this country, old age pensions, public aid for the blind, for needy children and the like, prohibition of child labor, restricted working hours for women and similar social and industrial reforms were of Republican conception and inauguration. As for the extension of security provisions to the 20,000,000 employed Americans now excluded from their benefits, the New Dealers similarly omit to mention that, ever since the social security law—a bipartisan enactment—was passed nine years ago, they have been talking about such expansion but doing nothing. More lately, they have neglected to provide continued coverage for men who have left civil life for the armed services. . . .

However, the buster of New York's rackets has not yet much more than started on the Washington ones. The prosecution in the case of the People vs. the New Deal has so far dealt with only the early counts of a long indictment. The time of submission to the jury is still several weeks away.

Ladies who wish to vote for school committee must register at City Hall before October 1.

It is understood that the electric cars will be propelled by horses this winter.

A jolly picnic party went from this place through Waltham to Wayland, Monday. At Waltham there was an incident not covered in the program, the barge being overturned and the occupants shaken up rather unexpectedly.

All the principal stores will be closed hereafter at 6 p. m. Monday, Tuesday, Wednesday and Thursday. The dry goods stores will be closed only on the first three evenings named and the apothecary establishments will keep open evenings as usual.

The Newton Cottage Hospital has 27 patients, 15 of whom are suffering from typhoid fever. They are mostly from Newton Centre and the Lower Falls.

The first church of Newton will celebrate the 25th anniversary of its organization, Sunday and Monday, Oct. 6 and 7, in its meeting house at Newton Centre.

50 Years Ago

The government has discontinued the use of letter sheet envelopes, introduced in 1885. They will be on sale until used up, the supply on hand lasting probably, about a month.

There is a petition now in the office of the Watertown Enterprise, over 20 feet long, and having more than 1000 signatures which is to be sent to the West End requesting a 5 cent fare from Boston to Watertown. Could it not be made to take in that other half mile, so that people from this city could ride back and forth to the "Hub" for a nickel?

A syndicate, Newton Centre, has purchased a catamaran and intend to equip it for racing purposes. Perhaps there's to be a try for the American's cup if such a thing is possible.

The exhibition of embroidery at the Hotel Hunnewell, Newton, on Tuesday attracted a large number of ladies, and many new and beautiful designs were shown, and a large number sold.

The proposed new boulevard which has created so much talk will only be 70 feet wide from Church to Elmwood street, Newton, and the plans now is to get the extra land by taking the sidewalk off from in front of Parlow Park. Mr. Howland says there is very little opposition and that instead of being very expensive, the new avenue would not cost over \$50,000.

Deal's depot carriage (Newton Centre) appeared this week in its new dress of paint and varnish, attractive almost as upon the occasion of its first debut.

25 Years Ago
Newton Graphic, October 3, 1919
Notwithstanding the fact that with interesting contests on the Republican side for nomination for state treasurer and attorney general and for representatives, and on the Democratic side for the nomination for governor, the voters of Newton gave scant attention to the state primary on Tuesday. Possibly this may have been due to the disagreeable weather, and possibly to the fact that some 400 public spirited citizens, most of whom were voters were kept in Boston that day as members of the State Guard. Only 2026 Republican ballots were cast and 256 Democratic.

Captain Edward F. Hamlin of Newton Centre, on Tuesday retired from the service of the state, having served 42 years as executive secretary of the Governor's council.

Rev. M. H. Lichter, the new pastor at Central Church, Newtonville, will begin his pastorate next Sunday morning.

While the Newton Constabulary unit of the State Guard has shown a most commendable spirit in enlisting for the present emergency in Boston, far greater praise should be given the Newton Company of the State Guard, Co. A, 11th Regiment. These men are performing the best kind of duty in the busiest part of Boston, and are said to be living in crowded inadequate quarters in the South Armory. (Ed. High School Plans

Hallowe'en Parties

The F. A. Day Junior High School started its preliminary plans for their Hallowe'en party last Monday evening at a meeting held at the school. Because of the difference in ages and interests, two parties will be held in Newtonville. One at the Junior High for those preferring to dance and another at the Newtonville Woman's Club where movies, stunts, games and music will hold sway. Mr. and Mrs. R. A. Stanfield and Mr. and Mrs. E. P. McGill were chosen as the chairmen of the activities party at the club house. Another meeting will be held next Monday evening at 7:30 at the home of Mr. and Mrs. McGill, 82 Lowell avenue to further plans for a "peppy" and hilarious party. Representatives from the student body will be present at this meeting to help the committee in planning the kind of party the youngsters want.

LETTERS TO THE EDITOR

Ward 5 Drain Water to Run Up Hill (?) Or To the Newton Graphic:

Commonly, conditions being favorable, man's efforts in construction follow the lines of least resistance.

September 26 the Board of Aldermen made appropriations for drains and street construction—worthy objects and long desired by Ward 5 residents concerned.

For Roundwood Road construction \$29,000 is named; and for White Pine Road, \$15,500 with an additional \$1,550 for drains. The latter figure seems a nominal sum considering that in construction practically all ledge will be encountered.

No sum was named in the press report for drain in Roundwood Road which is much larger than White Pine Road and involves larger expense in building—and then some. It is proposed in the drain needed to run water up hill to the east well not that exactly—but to get the needed pitch to carry the flow toward Circuit Ave. about 300 feet of the roadway will have to be blasted (ledge) to a depth of five to 15 feet or thereabouts. Mind you, at the same time the sewer was built pitching west.

It is contended that city money (taxpayer's coin) could be saved by following the primary scheme of drainage provided by nature, instead of least resistance to the west. Building a portion of Roundwood Road drain to the west might well save 200 to 300 feet of construction and additional expense of blasting a deep trench as mentioned above at a cost of many dollars per foot. However, Commissioner Haughey can give the approximate cost per foot, but may not be sure whether present sewer, water and gas pipes will suffer damage by blasting or whether residents in the section involved will come forward with claims for damaged houses.

Only a few years ago a second drain was built in Winter street in which a resident of Ward Five claimed \$2000 or more was sunk needlessly. However, the surface water of the territory to the west and south of Roundwood Road (including part of Roundwood rd., Rockland Place and High street flows into the old Winter street drain. Overall drainage of the territory might well be considered now and probably at a saving to taxpayers rather than blasting as proposed. It seems worthy of aldermanic notice.

To Hold Baked Bean Supper Oct. 13th

Central Congregational Church in Newtonville will hold a Baked Bean Supper on Friday, October 13, to be followed by a varied program which will include group singing under the direction of James H. Remley, impressions of the General Council meeting in Grand Rapids last June by Ralph W. Conant, excerpts from letters of service men and women to the minister, especially expressions of their thanks for the New Testaments which were sent to them by Central Club and the Church, and announcement of meetings and activities for the coming months by Mrs. Russell Baker, Director of Education, and the minister, Rev. Randolph S. Merrill. In conjunction with this meeting and continuing through Sunday, there will be an exhibit of pictures by artists in the parish of Central Church. Among the exhibitors will be the following:

Mrs. Austin H. Decatur, Mrs. Lewis Fowler, Mrs. Phyllis Curtis, Mrs. W. E. Strong, Mrs. Henry Stearns, Mrs. Lester Peterson, Mrs. James K. Bonnar, Mr. Fred H. Daniels, Miss Janet Merrill, Miss Carolyn Peterson, Miss Florence Alexander, Miss Faye Dyer, Miss Betty Brown, Mr. J. Herbert Weeks, Mrs. Philip E. Goodhue. The public is invited to view the exhibit on Friday afternoon and on Sunday afternoon between 3:00 and 5:00 o'clock.

Politics With Color

by P. W. C.

Wendell L. Willkie

The sudden passing of Wendell L. Willkie has stunned countless millions of Americans. It is difficult to believe that we shall never again hear that vibrant, powerful voice and see that tanned head of hair and the sunny, infectious smile. What a God-send it was to see him standing erect, unafraid of any man or any power on this earth, speaking his mind and standing resolutely by his convictions, regardless of the cost. This country needs men like Wendell Willkie always; it especially needs them today. Would that God had spared him to us for a few years more and taken from us any of a million lesser lights. However, perhaps we can get a little comfort from the saying: "God works in a mysterious circle, his wonders to perform."

Why do I say that this dynamic man of the people is so desperately needed in our midst today? First and foremost because he had more vision, more energy and more courage than any leading citizen in the United States. His famous book, "One World," is sufficient indication of his vision. His trip around the world proved his tireless energy. His courage has been shown ever since he entered public life and fought the good fight according to his convictions and his conscience, regardless of whether or not he lost friends, power, money or anything else which most of us value highly. Incidentally, that was one of the things which endeared him to so many people. Politics as politics was most distasteful to him. He hated all sham, insincerity and hypocrisy. Constant compromising irked him. Obviously, therefore, he could never be happy with the Old Guard of the Republican party. This was one cause of his defeat in 1940. We shall, unfortunately, never know what would have happened if Willkie had been nominated a second time. Doubtless there would have been a closer alliance between the Old Guard and the candidate for President.

It is amazing to note the sincerity and the deep feeling in the hundreds of tributes tendered this great man. Party lines are, for the moment, completely erased. Some of the very finest tributes have come from those who have opposed him in the political arena. One man who had a lot to say about Willkie was a commentator as nearly as I can recall it, "Wendell L. Willkie was like a breath of fresh air blown into the arena of politics." One of our leading radio commentators, Cedric Foster, closed his tribute with these words, "May Wendell Willkie land in the new world which he is now entering some of the happiness he so sincerely wished for all people in this world."

Alfred E. Smith
It is fitting at this time to pay a brief tribute to another great American who has left us, former Governor Alfred E. Smith of New York. Al Smith, as he was known to millions throughout the land, was also a defeated candidate for the Presidency. Herbert Hoover was his victorious opponent. However, he made a splendid record as Governor of New York and he had established for himself a high place in the councils of his party. Even when his advice was not followed as it once had been, he was still a potent figure in the background, trusted and loved by all who knew him. In some ways, he performed the same service for the Democratic party that Wendell Willkie did for the Republican party. He, too, was utterly unafraid. He was a rugged independent who called his shots as he saw them, without fear or favor. I have often wondered if Willkie and Smith ever got together and had any talks "off the record." My guess would be that these two men had a great deal in common and would take the same steps to get this country back on its feet, economically and from a governmental standpoint.

Al Smith, like Wendell Willkie, is gone but not forgotten. This country is better just because these two fine, rugged, patriotic citizens have lived and worked hard in our midst.

The Bandwagon
One of the sourest notes of the current campaign was struck in Symphony Hall last Friday night when a disgusting piece of Communist propaganda in behalf of the fourth-term effort of Mr. Roosevelt was presented to the public. Of course, when Miss Birmingham picked the hall, it was obvious that there would be a big crowd, though the CIO had probably sold most of the seats some days beforehand. The skit showed Mr. Hoover and Mr. Dewey in Hades. Well, if THAT is the best the CIO can do for their patron saint in the White House, it must be that they are powerfully scared of Gov. Dewey. I don't blame them. The trend appears to be toward the New York Governor. Much will depend on the soldier vote. As previously pointed out in this column, there are a half dozen states which do NOT have to count their votes until late November or early December. I am beginning to wonder if we will really know the result of the election on Nov. 8, as we normally would.

Newton Community Club Gets Large Donation Of Wool

The War Services Knitting and Sewing Division of the Newton Community Club under the direction of Mrs. Herbert G. Bedell, reports that a large quantity of wool valued at around \$200 has been donated by Mr. Richard C. O'Brien, 10 High street, Boston. For this the Division is very grateful, and also to the Women's Club of R. H. Stearns Company, Boston, for the gift of colorful yarns and knitted squares for afghans. Then there was the gracious lady from Newton who sent a generous check for the Russell Island project.

Such donations as these coming as a result of appeals made in the Graphic, are deeply appreciated by this group of energetic women who have continued throughout the summer to knit and sew the many articles needed by our boys in all branches of the service.

The War Services Knitting and Sewing Division of the Newton Community Club held its regular meeting October 5 at 2 p.m. at 73 Arlington street, when Mrs. Herbert G. Bedell presided over the Division, which includes among its members, Miss Adelaide Ball, President of the Newton Federation of Women's Clubs, and Mrs. David Black, President of Newton Community Club.

One of the projects which the Division is sponsoring is helping to collect articles and paying the postage on cartons to be sent to the tiny far away Russell Islands in the South Pacific. The Division is also sponsoring the project of furnishing Sun Room "D" at the Chelsea Naval Hospital, which will cost around \$300. This will include lounges, chairs, table lamps, smoking stands and drapes.

Mrs. Frederick G. Howe Jr., has offered to make the drapes and is already busy on the beautiful homespun material purchased by the Knitting and Sewing Division. The Newton Junior Community Club through its President, Miss Ruth Aldrich, has offered to donate \$25 and to help raise money towards the expenses of the Sun Room.

The Knitting and Sewing Division will donate forty afghans, twenty of which have already been completed.

Irving I. Goodof, M.D., of 117 Beaumont avenue, has been appointed an instructor of pathology at the Boston University school of medicine. Returning to his Alma Mater where he received his M.D. degree in 1940, to teach, Dr. Goodof was graduated from Harvard College in 1936. The author of numerous articles on pathology, he served as an assistant in that field at the Washington University Medical School. He is a member of the Society of Sigma Xi, New England Pathological Society and the American Association for the Advancement of Science.

Miss Sylvia E. Nargesian of 41 Central avenue, Newtonville, and Miss Helen Vangel of 46 Cummings road, Newton Center, have enrolled at the School of Practical Art, Boston. Miss Eleanor Thayer of 370 Austin street, West Newton, has returned for her third year of studies at the School of Practical Art.

Group Four from the W.S.C.S. of the Methodist Church, Mrs. Stephen G. Simpson, chairman, met at the Parsonage Monday afternoon.

Julius E. Warren, commissioner of the Massachusetts Department of Education, spoke at the first meeting of the Greater Boston Teachers' Round Table at the Boston University Women's Building last Wednesday.

Mr. John Boyajian of Harrington street, who conducts the Oakley Spa, corner of Washington and Walker streets, have received word from their son, Corp. Harold Boyajian, M. P., that he is stationed in Paris where he finds the people very friendly.

Dr. Mark Hanson recently graduated from the University of Minnesota, will serve as an interne at the Boston City Hospital until next June. He spent the week-end with his mother, Mrs. Harry A. Hanson of Brooks avenue.

Miss Hilda Machintosh of Furber avenue is spending a month's vacation with her brother in St. Petersburg, Fla.

Mrs. James D. Clare of Lowell avenue will speak to the Onseam Club of Bridgewater, Mass., at 2:30 on Monday, October 16. Her subject will be "Foods in Defense." Mrs. Clare has taught and equipped more nutrition aides in Massachusetts since the beginning of the war than has any other woman in this State.

Newton

Word has been received from the War Department by Mrs. Bertha C. Yo-Yung of 169 Cypress street, Newton Centre, that her husband, Sgt. Frank W. Young, Jr. was killed in action in France on September 15.

Sgt. Young was a graduate of Reading High School and had attended Tufts College before entering the Army in December, 1943. Besides his wife he leaves his father, Frank W. Young, and a sister, Mrs. Herman Nesbitt.

OCTOBER 12, 1944

The Greater Boston United War Fund opens in Newton October 30 with Opening Dinner at Newton High School at 6:30 P. M.

Goal for the Greater Boston Campaign is \$7,650,000 and for Newton is \$308,000.

Campaign in Newton will run for fifteen days, opening on October 30 and closing on November 14.

The Massachusetts Bay Colony Hat and Red Feather has been adopted as the symbol of the Greater Boston United War Fund, and the theme of publicity is all built around the phrase "Show That You Care."

There are 267 Red Feather Services in the Fund this year with 17 in Newton. There are 22 War Agencies also included.

The total enrollment in Newton on Tuesday noon, October 10, was 2013. This is 81 percent of the quota, and Chairman Shirley expects to complete enrollment within the next week.

October 29 will be Red Feather Sunday. The churches will cooperate by devoting part of their services in the interest of the Greater Boston United War Fund and the Newton Community Chest. Church leaflets will also be distributed that day.

Advance solicitation will start in the Advance Gifts Division on October 19, in the Mercantile Division on October 23, and in the Manufacturing and Municipal Divisions before October 30.

"WHAT'S COOKIN' IN NEWTON"

OCTOBER 12, 1944

Merry-Go-Round

(Continued from Page 1)

Appeal
An elderly gentleman from Wellesley, his name escapes us at the moment, who has been devoting several hours every evening, doing voluntary, unpaid work at the Newton Hospital, appealed to the assembled Kiwanians at the above mentioned meeting, for additional volunteers to assist (unpaid) at the hospital. Mornings, afternoons or evenings, he said. It was all the same. The hospital was understaffed. Help was virtually unobtainable and, well, the hospital had to continue functioning.

After the meeting they crowded around him, signing up. They're going up there to help take care of patients, wash dishes and pans, scrub floors, paint and do anything and everything that needs doing. They're all business and professional men and what, with war-time restrictions and demands on their time, they are, nearly all of them, running around in circles now. Few of them, as you can guess, have done little dishwashing or scrubbing of floors. They'll do it though and do it well.

Spirit
That's the spirit of your home town. A spirit inspired by each and every one of you gents who've gone traveling with a gun for Uncle Samuel. Newton is really hearing down from every conceivable angle and it's all because everybody here wants to at least do a little in appreciation and assistance of all of you over there who are doing so much.

Around Town
Colonel Eddie Hickey and his outfit are still in China and fighting steadily. Col. Eddie, who lives on Austin street, Newtonville, when he's home, writes that they take care of the medical needs of Chinese civilians occasionally, and when the medical officer is away, that he takes over. Recently, however, when he received a call to assist a Chinese woman who was about to give birth to her 19th, or maybe it was her 20th child, the good colonel jumped on his horse and retreated to the fighting front. . . . Sgt. Billy Ford, with an entertainment unit, is singing his swell stunner song in Germany now. He writes that artillery are often punctuated his best gags. . . . Barbara Champion, a top notch acrobatic dancer, has been in France with a U.S.O. unit for a couple of months. Wonder if any Newtonites have caught up with her? Barbara's 18, just old enough to go overseas and is a West Newton girl. . . . Duke Jordan, also from West Newton, and a swell entertainer, leaves for somewhere overseas in a week. If he gets out your way, have him do his imitation of Hitler. It's a nip. . . . Newton is coasting along. The natives go to bed early and usually by 11 p.m., quiet settles over the Garden City. The city's just marking time. Every-

body's working at something or other. We don't have strikes here and we won't have 'em. The post offices are swamped with Christmas packages headed your way. Hope you get them on Christmas morning!

RECOMMEND REPLACING OF MOTORS IN CRUISING CARS

In view of the fact that new cars are not available, the appropriation of \$700 for the installation of reconditioned motors in four of the fleet of seven police cruising cars will be recommended by Mayor Paul M. Goddard at a next meeting of the Newton Board of Aldermen.

Each of the four cars which are to have the reconditioned motors have piled up mileage of over 70,000 each. The other three, which are regarded as still in fair condition, have gone about 40,000 miles each. All of the cars are at least two years old.

The board will draw nine citizens for jury service and will hold a hearing on the proposed taking of land for the construction of a drain and sewer in Fernwood road, West Newton, from Auburndale avenue to beyond Stratford road.

Meetings of the finance, public works and franchises and licenses committees will be held at 7:15 p. m. and the board meeting will open at 8.

KIWANIS CLUB AWARDS CITATION TO GRAPHIC

Highlighting its observance of National Newspaper Week, October 1 to 8, the Kiwanis Club of Newton at its meeting last Tuesday awarded a Certificate of Citation to the Newton Graphic as a testimonial of appreciation for its contribution to the nation's war program.

The certificate was presented to Philip O. Ahlin, Editor of the Graphic, by Samuel Johnson, of the Kiwanis Club. It was signed by Walter A. Hood, President, Club Secretary Edmund Derocier, Ben Dean, Grand Rapids, and O. E. Peterson, Chicago, President and secretary, respectively of Kiwanis International.

National Newspaper Week has been observed for several years by Kiwanis International's clubs and members throughout the United States.

THEFTS REPORTED

Burglaries which occurred at a Newton home and a store were reported to the police.

At the home of James P. Conway, 60 Lathrop street, Newton, the sum of \$13.25 was stolen. The theft occurred between 8:15 a. m. and 2:30 p. m. The manner in which the thief gained entrance to the house is a mystery, as there were no signs of a break.

The burglary at the store of Max Talent, 2295 Washington street, Newton Lower Falls, was discovered yesterday. The thief apparently effected entrance by pushing in a basement window. He stole \$2.50 from the cash register.

OFFICER McENANEY WILL ASSIST IN TRAFFIC BUREAU

Patrolman Thomas L. McEnaney, who has been on motorcycle duty for over five years, was assigned to the Newton police traffic bureau today by Acting Chief Nicholas Veducio.

He will serve as an assistant to Sgt. William H. Dowling, head of the bureau. The personnel of the bureau has been depleted by the sudden death of Sgt. Thomas J. Burke and the resignation of Inspector Alfred W. Hammell.

McEnaney was appointed to the department in 1936. He has frequently lectured on safety at schools and before organizations, by assignment of the late Chief Michael T. Hughes. He is a graduate of the Staley College of the Spoken Word.

OFFICERS ARE INSTRUCTORS
Patrolman Joseph Greeley and John F. Lovely of the Newton Police Department have been appointed small arms instructors in the New England Police Revolver League, with the approval of acting Chief Nicholas Veducio, it was announced recently.

Patrolman Joseph H. Smith, small arms instructor for the Newton Department, and Greeley were guests at a banquet held by the Cryptic Council of Masons in Newtonville on Thursday. The patrolmen presented an exhibition of trick shooting with various types and calibers of pistols and revolvers, and also demonstrated with a Thompson sub-machine gun.

GRIEVE COMMANDER OF DISABLED AMERICAN VETS

Ray H. Grieve of 4 Mechanic street, Newton Upper Falls, was elected commander of the Chaplain Farrell Chapter, Disabled American Veterans of the World War, at its annual meeting in the War Memorial building, Newton Centre, last night.

Grieve was senior vice-commander this year. As commander he will succeed Loretto Bianci, the present commander.

The other officers elected are Martin Winbury, 420 Lexington street, Auburndale, senior vice-commander; W. Mark Noble, Jr., 1463 Beacon street, Waban, Jr., vice-commander; Fred A. Farrington, Jr., 1186 Chestnut street, Waban, treasurer.

Farrington, who has served as commander of the chapter and chairman of the Newton Veterans Council, has been elected district commander of Metropolitan District Council and will be installed at a meeting of the council next Sunday, Oct. 8 at 3 p.m.

"Madam, what do you mean by letting your child snatch off my wig?"

armed services of our country. Public recognition has been centered on these men right from the beginning.

In quiet, impressive ceremonies the new inductees have been welcomed by the sponsoring organization, inspired by a member of the clergy, instructed by a representative of the Draft Board, and wished a "God Speed" by the Mayor. Music has been provided by the High School band or by recordings. The Red Cross canteen service has supplied doughnuts and coffee. Practical toilet kits have been presented to the men by the sponsors of the "send-off."

On July 4, 1943 "Citizens of Newton Marching to Victory" on the Honor Roll of nearly 6000, now grown to 8000—was dedicated with appropriate exercises, by Governor Saltonstall, Mayor Goddard, and Hon. Sinclair Weeks. Star parents were honor guests.

The Citizens Committee for Service to Newton Servicemen has no intention of crowding post war plans on the men and women who are fighting for us on the battle front in the world. Rather, it is attempting to present practical suggestions for later decision. One proposal, meeting with a great deal of interest, is a Community Center to be used for a municipal auditorium, health center, and a practical building for use of all veterans.

ATHLETIC NIGHT WILL BE HELD MONDAY, OCT. 16

The 19th annual "Athletic Night" of the Newton Recreation Department will be held Monday, Oct. 16, at 8 p.m. at the Newton Centre Playground Building. Director John F. (Buck) Donahue announced today.

Mayor Paul M. Goddard will award the trophies, which he presents annually, to the champions of the Newton Twilight American and National Divisions. The Softball League champions will receive a trophy again donated by the Newton Recreation Department. Assisting Director Donahue with arrangements are Edward Norcross, Del Ryan, William Ryan, James Waters, Robert Barry and Arthur Weinstock.

ALDERMAN HUNT MEMBER OF TWO-GALLON CLUB

Alderman Arthur A. Hunt of 16 Dufield road, Auburndale, became the second member of the Newton "Two Gallon" Club when he gave his 16th pint of blood at the Red Cross Donor Center in Boston Monday.

Aldermen Hunt is a past commander of the Newton Post American Legion, and is a member and Secretary of Selective Service Board 113. The blood donations were made through Newton Chapter, Red Cross.

A Prayer

By
Rev. Ralph Hebard Rogers
Ph.D., Minister of the
Auburndale Congregational
Church

Eternal God, Father of us all, hear our prayer for our loved ones and friends who are absent from us in the service of country and in the larger cause of our human kind. Give them, as they need, strength of body and fortitude of soul. Be by their side through every ordeal, that they may perform their duties with courage and honor. Make them and us, O God, worthy of the victory of justice and freedom for which we and the nations are striving and for which we earnestly pray. And may the peace of God guard their hearts and ours. Amen.

CITIZENSHIP CLASSES ARE OPENED HERE OCT. 6

A special class in citizenship preparation for English-speaking persons opened Friday evening, October 6, at the Clafin School, Newtonville, at 9:30, under the auspices of the Americanization Department of the Newton public schools.

An evening class in citizenship preparation for English-speaking people opened Thursday evening, October 5, at 7:30 in the Technical High School building. A series of 15 lectures will be given on successive Thursday evenings. Marian E. Green, director of adult civic education, is in charge.

At the Newton Evening School, opening Monday night, classes in English, history, government are to be held each Monday, Tuesday and Thursday evenings from 7 to 9 p.m. in the Technical High School building.

Help in filling out first and second citizenship papers will be offered by the office of the director of adult civic education in the Technical High School building.

YMCA TO CONDUCT GYM CLASSES FOR BUSINESS MEN

The business men's gym class at the Newton Y.M.C.A. will meet on Monday and Thursday evenings from 5:30 to 6:30 p. m., according to a schedule released today by Physical Director Richard B. Simmonds.

Senior classes will be on Monday and Thursday from 8:15 to 9:30 p. m., while Evening Class gym sessions will be on Tuesdays and Thursdays from 7:15 to 8 p. m. Swimming sessions for the evening class will be on Tuesdays and Thursdays from 8 to 8:45, and on Saturday from 7:15 to 8 p. m.

Junior High School classes will be on Monday and Wednesday afternoons and on Saturday morning. Juniors will meet on Tuesday and Thursday afternoon and on Saturday morning, while Cadets will meet on Saturday mornings for gymnasium and swimming classes.

MUST PAY PANTS DAMAGE

Trousers are a necessary part of any man's attire and when a policeman tears his pants in the course of pursuit of a suspect, it behooves the latter to see to it that the former's uniform is restored to its former immaculate appearance.

So ruled Judge Donald E. Mayberry in the Newton District Court today when he placed Donald N. Reed, 25, of 45 Harris road, West Newton, on probation on a charge of trespassing and ordered the defendant to pay \$16 to buy a new pair of pants for Patrolman Francis Turner.

It happened on the night of Sept. 24. The police received a call from a woman resident of Waltham street, West Newton, that a man was seen on the grounds near her home. Patrolmen Turner and James Cunningham were sent to the scene in a cruising car.

At the approach of the police, the man ran to the grounds of the Swedish Home for Aged on the other side of the street and Patrolman Turner, while chasing him, ran against a branch on the lawn and tore one leg of his uniform trousers.

The man got away, but the officers had recognized him. They proceeded to his home and waiting until he arrived. He was brought into court today on a summons.

Newton Merry-Go-Round

by Paul Considine

In the humble opinion of this department, the Powers that Be are showing great wisdom in allowing moving pictures of American fighting men in action to be shown the folks at home. In this war, just as it was in the last one, it's more or less understood by everyone that the going is pretty tough on the fighting fronts and that war is what Sherman said it was, but actually, to the average citizen, it's all apt to be a little bit vague.

Now, however, with movie houses all over the country running news reel shots of Uncle Sam's warriors tangling with the Nazis and the Monkeymen, they're getting a real, first hand picture of what a grim, rough and deadly business our forces are engaged in, here and there around the world.

At a recent meeting of the Newton Kiwanis Club in the Newton "Y," for example, a representative group of the Garden City's businessmen sat quietly while several reels of film taken in action on various fronts were flashed on the screen. The thunder of the big guns and the advancing infantry, in France, screened as they hunched along by armored tanks; taking town after town as they marched over forward through shell bursts and the murky smoke of battle, brought home to everyone present, a thorough realization of the hardships and dangers faced every day by the A.E.F.

A Nineteen Year Old Kid . . . A nineteen year old kid, piloting a bomber with its landing gear shot away and bringing it in on an even keel to make a perfect belly landing, had the gathering holding on to their chairs. He calmly stepped out of the big ship with his grinning crew, and taking 45 minutes for lunch, they were off again, headed for German skies in another bomber, with another load of bombs for Adolf.

Jap Hunters . . . Jungle fighters crouching around a tree in search of Nips, throwing hand grenades and loosing bursts of automatic rifle fire as they inched along, gave ample evidence of the terrific danger and

difficulty the boys in the South Pacific take in stride every day, out in that Never, never Land, too.

Everybody Helps . . .

The Kiwanians were quiet during the showing and even more so after the lights went on. There was little comment other than a silent shaking of heads. The business of fighting a war is a rugged one and everyone here in your home town knows it and they're learning more and more about it every day. It's well that they do, because the job you're doing over there is inspiring men and women, girls and boys, even the kids, to take a shot at pretty nearly anything that needs taking care of here.

Human nature don't change much

"Keeping store," Sam Abernethy says, "can teach a person plenty about human nature."

"Now coffee rationing's lifted, folks ain't a-breakin' their necks tryin' to buy all they can. Knowin' they can have it if they want it, they ain't so all-fired anxious to get it."

Sam's right, as usual. I don't crave that second cup half as much as when I couldn't get it.

But that's human nature... Like allowing moderate beer in the Army's post exchanges. Instead of leading to more drinking, the OWI report says it

works out just the opposite—often as not the men choose soda-pop or milk, with beer right there and no restrictions on it.

But if it wasn't there, like in the last War, the story might be altogether different.

From where I sit, that's how it is with Americans. Tell 'em they can't have a thing and by golly, they'll find ways to get it. But admit their right to have it, and their own good sense will lead to moderation.

Dining With Jane and Bill

Jane—Going down to the drugstore after supper, Bill? Pick me up a bottle of cod liver oil, will you?

Bill—Cod liver oil? Who for? We haven't had any of that in the house since Junior was a baby.

Jane—Yes, but I took Junior to the doctor with me today and one of the first questions he asked was, "Is he having cod liver oil?" "Why, no," I said. "He hasn't had any for four or five years."

The doctor said, "You gave cod liver oil to him when he was a baby to help in forming strong bones and teeth, didn't you? Judging from the rate he's growing he still needs Vitamin D. We don't know as much about the requirement of Vitamin D as I wish we did, but I'd like you to give Junior some form of Vitamin D until he stops growing."

Bill—But it ought if people ate well-planned meals they didn't need any more vitamins.

Jane—Except Vitamin D, it seems. The doctor said that it is found in only a very few foods. It's name in the body by the sun shining on bare skin.

Bill—I can see, then, that Junior would need it in the winter. We don't get much sun in this climate. How about us? Do we need it too?

Jane—That's just what I asked the doctor. He said that adults probably don't need any more than they get from the sun and food, but children need from 400 to 800 units a day.

Bill—Gee, I'm glad you found out about that. We want Junior to have everything he needs. Do you have any change? I'll get the cod liver oil when I pick up my paper this evening.

Needlework Guild

Both our Governor and Mayor have endorsed National Needlework Guild October 8-14, when there will be a drive for new members and contributions of money or articles will be received by the Directors. The Governors of forty-six states are co-operating in this worthy cause. Mayor Goddard writes: "The work of our Newton Chapter has been outstanding and I believe that many in our community would derive great satisfaction by supporting and assisting in the work of this splendid organization." To be a member simply give two, identical, new articles of wearing apparel or household linens, or a donation of money. Newton is one of the very active branches of the Needlework Guild of America. Assisting our Newton President, Mrs. S. T. Douglas, are the following Section Presidents: Mrs. William A. Leighton (Auburndale), Mrs. Shields Warren (West Newton), Mrs. Henry Barringer and Mrs. John T. Webster (Newtonville), Mrs. D. A. White

and Mrs. M. W. Dennison (Newton), Mrs. M. W. Melcher (Newton Centre) and Mrs. Ralph Riddle (Waban).

The exhibition of articles will be held on Friday afternoon, October 27, at the Newton Centre Congregational Church—2:30 p.m.—when the Rev. Randolph S. Merrill will read a story. There will also be music and tea. Members and guests will be welcome.

Barbara Logan, daughter of Mr. and Mrs. R. J. Logan, 26 Westchester road, has arrived in Australia to serve the armed forces as an American Red Cross staff assistant. Before her Red Cross appointment, Miss Logan was employed at the Veterans' Reception Center, Boston, and previously by the Winslow Cobb Agency, Connecticut Mutual Life Insurance Company. She is a graduate of Newton High School and the Erskine School, Boston.

Lucy Jackson Chapter, D.A.R.

Interesting reports were given by delegates to the State meeting at Swampscott at the meeting of Lucy Jackson Chapter, D.A.R., Monday, October 9, at the Chapter House, Newton Lower Falls. High lights from these reports stressed the following projects:

The construction of permanent library buildings for the Army and Navy. This is a National War measure and is meeting with much enthusiasm everywhere.

The training of boys and girls in good citizenship to which end the Society is to work for the use of approved books in the schools and to urge the teaching of true American history including study of the Constitution of the United States.

An effort to double the membership of the Society in this coming year to meet the increased demand for privileges of its work.

Members of the Lucy Jackson Chapter holding State positions are Mrs. Holcombe J. Brown, Historian, Mrs. J. Walter Allen on Genealogical Records Committee and Mrs. George F. Howland on the Resolutions Committee.

At the conclusion of the Reports and business meeting a splendid talk on Quilts was given by Mrs. W. L. Oldroyd of Framingham who showed a great number of old quilts and piecing blocks. A woven spread and very old date quilt were presented to the Chapter by Miss Emma F. Johnson.

In the social hour which followed delicious refreshments were served by Mrs. Wm. L. Vosburgh and her committee of ladies. Miss Florence L. Tower and Miss Margaret Easton, Sheldon Clark of Cleveland, Ohio, was an out of town guest.

A Rummage Sale will be held at the Chapter House Friday, October 27, from 10 a.m. to 4 p.m.

Auburndale

The Woman's Guild of the Church of the Messiah, Auburndale, will hold open house and an apron sale from 10 to 12 and from 2 to 5 on Monday, October 16, at the home of Mrs. F. J. Randlett, 357 Central street.

Everyone is cordially invited to attend the open house and apron sale. Proceeds will go to help furnish the ladies' parlor in the new church.

Mr. and Mrs. M. E. Beardsley and son Hoyt have moved their cottage on Pilgrim Beach, Provincetown, and returned to their home on Crescent street.

He will be a professor and associate director of the bureau of business research. A graduate of the Boston University college of business administration where he has received his M.B.A. degree, Professor Stafford has written many articles for business journals.

Sports in a Nutshell

By Bill Sullivan

The Browns won the American League pennant by defeating the Yankees four straight. Kramer pitched four straight 4-1 beating Tiny Bonham. Potter won the second game 1-0. St. Louis only made 2 hits off Hank Borowoy who pitched a real air tight game but the Yankees tossed away their chances when Starnwies tried to catch a home run in the record. Galehouse shut out New York in the third game 2-0 holding the Yanks to 5 hits, the same number the Browns secured off Dubiel with Gene Moore smacking a home run in the sixth. Chet Laabs won the final game for the Browns by knocking home runs in the fourth and fifth innings each time with Mike Kreevich on first base. Jakucki held the Yanks to 6 hits, the same number the Browns secured off Mel Queen.

The Browns were deserved credit for winning one of the tightest games the American league has known. When the Red Sox beat the Browns Wednesday it looked bad as with only four games to play and one game behind it looked like Detroit, but Wednesday's two games from Detroit beating Trout, both games with Dutch Leonard holding the Tigers to 4 hits and knocking them right off the top. Newhauser and Gentry won their games for the Senators.

The world series started Wednesday, October 4th with Mort Cooper for the Cards and Galehouse for the Browns in an all St. Louis series.

The Browns won the first game of the World Series 2-1 with George McQuinn driving one of the Cards' home runs out of the park for a home run with Gene Moore on first. These were the only hits made off Cooper and it sure must make Mort wonder what he has to do to beat an American League team. The Cards secured 7 hits off Galehouse but only scored 1 run. McQuinn was the hero of the first game.

The Cards came right back and took the second game 3-2 in eleven innings. Potter started this game for the Browns with Lane for the Cards. The Browns made 4 errors with the Cards taking advantage twice. Potter made 2 errors, gumming up the works in the second when he tried to catch Max Laner's punt that Hayworth and Christmas were after and then fired the ball into the stands. The Browns tied up the game in the eighth.

Here Bliz Donnelly entered the game and boy did he pitch, striking out Moore, Stephens, walking McQuinn and fanning Christmas. It was all Donnelly's rest. The game was won in the eleventh and giving Donnelly credit for winning the first game for the Cards.

The Browns buried the Cards in the third game, driving in 4 runs off the mound in the third inning when they scored 4 runs. Jack Kramer pitched a beautiful game.

Newtonville Woman's Club

Emily Henry Bush, giving her interview with America's celebrities with portrait slides on the screen, will provide the program for the third meeting of the Newtonville Woman's Club, which will be held at the clubhouse on Tuesday, October 17, at 2:30 p.m. Coffee will be served at 1:30 p.m.

On October 27 at 8:15 p.m. at the Newton High School the club will present Herbert C. Lanks, war correspondent and world traveler, who will give his new lecture, "By Jeep to Alaska" with colored motion pictures and color slides. The Newton High School orchestra will furnish the music of the evening.

The annual contribution of jellies for the Newton Hospital will be received at the October 17th meeting.

Mrs. Frank Mansfield begins her series of "World Affairs" lectures on October 19th at 10 a.m. at the clubhouse.

Alice Dixon Bond's Book Review series will begin on October 26th at 10 a.m. at the clubhouse.

The first meeting of the season of Saint Mary's Church Service League was held in the Parish Hall on October 3rd. The President, Mrs. William Freethy presided at the meeting and plans were made for the winter season. Tea and cake was served.

Jan Treffy, son of Mr. and Mrs. Treffy of Pierpont road is at his home on a furlough. He is stationed in Nevada.

Mrs. John Carman has returned from the Newton Hospital. Mrs. Frederick Gilroy of Saint Mary's street has returned from a visit with her mother in Albany. Evening session for residents of Newton have opened in the schools. There is a class opening at the Hamilton School in dressmaking, as well as slip cover making. Also classes in Home front victory food preparation. These classes are open to everyone and are being held on Tuesday and Wednesday evenings at seven o'clock.

On Sunday morning, October 1st, at the morning service of the Perrin Memorial Church an Honor Roll was dedicated for those of the boys who are in the service. The service was conducted by the Rev. Edw. Fairweather.

Mrs. John Daley of Saint Mary's street has returned from a visit to Orlando, Florida, where she spent a few days with her husband, Lieutenant John Daley of the Marines.

On the evening of October 21st, there will be a Barn Dance at the Parish Hall of Saint Mary's Church. There will be an orchestra with a "caller" for the dances and men from a nearby Service Club will be entertained. There will be refreshments of cider, doughnuts and coffee. The public is invited to come and help entertain the service men.

ALARM TRACED TO DEFECT IN FIRE ALARM BOX

What was at first believed to have been a false alarm early Saturday morning in Newton was afterwards attributed to an electrical defect in the fire alarm box. The alarm came in at 12:51 a.m. from Box 14 at Church and Washington streets, Newton, and several engine and ladder companies responded, only to find no fire.

SEEKS ZONE WAIVER FOR GARAGE

A petition for a waiver of the required distance from a garage to the lot lines has been filed at City Hall by John L. Foley, 161 Parmenter road, West Newton.

The petitioner asks permission to locate the garage one foot and six inches, instead of the required five feet, from the side and rear lot lines. The land is in a Private Residence District.

The claims and rules committee of the Board of Aldermen will hold a joint hearing with the Planning Board on the petition.

The committee has also received a claim of Mildred Weiner, by her attorney, Louis B. Goldman, for personal injuries received in a fall on the sidewalk on Hammond street, Ward 6, on August 27. The claim will be investigated by the Law Department and the committee will hold a hearing on the matter.

The league will furnish non-partisan information concerning candidates in the coming elections. Mrs. Albert Walker, chairman, is in charge of the arrangements for the booths. She will be assisted by Miss Adelaide Ball, Mrs. Fred Coswell, Mrs. Frank Dennison, Mrs. E. B. Millard, Mrs. Gilbert Supple, and Mrs. E. H. Wilson.

AWARDED 50-YEAR BUTTON
The presentation of a 50-year veteran's button to Regent John W. Munster featured the meeting of the Mount Ida Council, Royal Arcanum, at Masonic Hall, Newtonville, Wednesday night.

A suite of Grand Council officers under the direction of Deputy Grand Regent Harry Bowly and Grand Treasurer Ernest F. Dow were guests at the meeting. Deputy Bowley, who is also supreme representative, reported on the Supreme Council meeting held last summer at Atlantic City.

William Munster, son of the regent, was present at his first meeting since his induction into membership at the meeting of the 11-0-5 Club in Boston last week. Refreshments were served after the meeting.

ARRESTED FOR DISTURBING PEACE AT FOOTBALL GAME
An affray that occurred at the Newton-Rindge football game Saturday afternoon resulted in the arrest of two youths on charges of disturbing the peace and mutual assault.

The pair were arraigned in the Newton District Court today and the case was continued to Friday.

One of the defendants was John B. Dorsey, 17, of 43 Dunsin street, Brighton. The other was a juvenile, 15 years old, living in Newton. They were arrested by Sgt. Bartlett Cullen and Patrolmen Albert Smith, Martin Greeley and Louis Cedrone.

Recent Weddings

Rust-Carrier

Announcement is made by Mr. and Mrs. Lynn R. Carrier of Elmer, Pennsylvania, of the marriage of their daughter, Mary Jane, to Fred Winslow Rust, Jr., in Williamstown, Mass., on October 1. Mr. Rust is the son of Mr. and Mrs. Fred Winslow Rust of 98 Kirkfall road, Newtonville and Cohasset.

Mrs. Rust graduated from St. Petersburg Junior College in Florida and the Rochester Business Institute in New York. Mr. Rust graduated from the Fessenden School, West Newton; St. George's School in Newport, Rhode Island; and the New Preparatory School in Cambridge. He was attending the Yale Dramatic School when he enlisted two years ago in the Signal Corps, from which he was honorably discharged this summer. He is now associated with the Rust-Craft Publishers, of which his father is president.

After November 15, Mr. and Mrs. Rust will be at home at 231 Mill street, Newtonville.

New Health Financing Plan Announced

A new state-wide plan for financing doctor and dentist bills, officially entitled The Blue Triangle Plan, is being launched this week by the banks of Massachusetts. The plan, which makes medical and dental care available to all on a monthly repayment basis, is sponsored by the Massachusetts Bankers Association and endorsed by the Massachusetts Dental Society and the Massachusetts Medical Society.

Elmer S. Bagnall, President of the Massachusetts Medical Society, in endorsing the Blue Triangle, pointed out that a majority of the people of Massachusetts have not as yet taken advantage of the Blue Cross and Blue Shield plans for prepayment of hospital and surgical expenses. "To help this large group," he said, "we have been studying with the Massachusetts Bankers Association, a plan for financial assistance in meeting costs of needed medical and surgical care."

"The Blue Triangle makes it possible for people to finance good health from income. The plan has the approval of the Massachusetts Medical Society because it provides a dignified mechanism to eliminate costly delays in carrying out measures for preservation of health."

Offers Courses in Handicrafts Here

The School Department of the City of Newton through the Massachusetts Department of Education plans to conduct a series of courses in Handicrafts and Practical Arts.

These courses will be taught by a corps of certified teachers and are free to all citizens of Newton who are over 16 years of age and not attending a full-time day school. A small charge is made for non-residents. The charge for women is ten cents per hour, and for men twenty cents per hour payable by the town in which the applicant resides.

The purpose of these courses is to train producers who may turn their knowledge into cash as well as those who may wish to express their creative desires in a practical way. It is the aim of the school to offer such instruction as will develop artistic ability and skill to meet discriminating standards of production.

A variety of courses are to be offered covering the field of handicraft skills and it is hoped that a large number of people will avail themselves of this opportunity.

The courses and teachers are as follows: rug making, Miss Marie Seltzer Thompson, Waltham; leathercraft, Miss Katherine Pratt, Dedham; tray painting and decorating, Mrs. Gladys Ricker Kaler, Weston; millinery and handbags, Miss Grace Donlan, Allston. All classes will be of three hours duration and will meet on Tuesdays from 1:15 to 4:15 p.m. For further information call the Newton Trade School, Bigelow 2193.

An exhibit of work covering the above courses will be held in the Hamilton School on Tuesday, October 18.

Marine Hospital Gray Ladies Make Plans For Winter

The Gray Lady Corps at the Marine Hospital, all of whom work under Newton Red Cross, held their fall meeting on Tuesday, September 26, at the Nurses' Home of the hospital. The winter schedule was discussed and planned.

Mrs. Fred G. Stritzinger, III, chairman of the Corps, presided, and the members were addressed by Mrs. Lawrence P. Dakin, vice-chairman and Mrs. Joseph P. Wogan, vice-chairman in charge of the Craft Shop. The main speaker was Mrs. Mary Deamling, officer at the Marine Hospital; Miss M. Goodwin, chief nurse; Miss Helen Conly and Mrs. Katherine Higgins, social directors; Mrs. Helen C. Welch, librarian; Mrs. P. Edward Eden, vice-chairman of Volunteer Special Services at Newton Red Cross; and Mrs.

deLesdernier-Cheyne

Mr. and Mrs. George O. Cheyne of 32 Rowe street, Auburndale, announce the marriage of their daughter, Miss Phyllis L. Cheyne, to Richard D. de Lesdernier, USNR, son of Mr. and Mrs. Pierpont F. de Lesdernier of 3 Winona street, Auburndale. The wedding took place September 26 at 8:15 o'clock at the Centenary Church, Auburndale, with the pastor, the Rev. Stephen Callender, officiating. A reception followed at the church, which was decorated with white gladioli and chrysanthemums against a background of ferns.

Given in marriage by her father, the bride wore with her gown of white satin a long tulle veil caught with ostrich plumes and carried a bouquet of white orchids and stephanotis. Miss Kay Robbins of Boston as the bride's only attendant was gowned in blue marquisette with a matching cap and bouquet of red roses and larkspur. Theodore de Lesdernier was best man for his brother-in-law.

Mr. de Lesdernier received his Naval Training at Columbia University and is now on leave from active duty in the Pacific Area.

Need Home Nursing Instructors Here

An urgent appeal for registered graduate nurses to teach Home Nursing classes in Newton has been made by Mrs. Sarah Woodworth, director of Nursing Services for Newton Red Cross.

"We know hospitals are not going to be able to take care of all the patients who wish to enter them this winter," said Mrs. Woodworth, "and that sick people will have to be taken care of in their own homes. Red Cross stands ready to teach Newton homemakers how to care for their own families in time of illness, and many women have applied for our Home Nursing course. However, we are seriously handicapped by lack of instructors to teach our classes."

Many graduate nurses, because of family obligations, cannot apply for military and naval service or full time nursing in their own communities. Here is an opportunity for these nurses to do their part in the war effort on the home front.

Any graduate nurse who will teach at least one class a year, which consists of but 24 hours of her time, can get detailed information by telephoning Mrs. Woodworth at the Newton Red Cross Chapter House, Lasell 6000.

Waban Girl Aids In Recent Rescue Work

Word has just been received by her mother that Miss Joan Concannon of 46 Collins road, Waban, worked all night during the recent hurricane to help in the rescue work at Stratford, Connecticut, where she is employed as a aeronautical engineer in the Chance Vought Aircraft Company. Miss Concannon and three companions were living at Short Beach, and when they were advised to evacuate, they immediately phoned the local Red Cross to volunteer to help with the rescue work. Miss Concannon is the daughter of Mr. and Mrs. Leo E. Concannon of the Waban address. Her mother has been affiliated with Newton Red Cross for some time and is Chairman of the Staff Assistance Corps for that Chapter.

Earl M. Dempsey, chairman of Newton Hospital Gray Ladies.

Marine Hospital Gray Ladies present were: Mrs. Arthur Biele, Mrs. John Bergeson, Mrs. William Bullen, Mrs. Newton Burnett, Mrs. Thomas Camp, Mrs. William Carolan, Mrs. Wilfred Chagnon, Mrs. H. J. Davidson, Mrs. John Day, Miss Marie Duplain, Mrs. Joseph Duris, Miss Genevieve Farley, Mrs. Leon Farley, Mrs. Hartley Gardner, Mrs. C. W. B. F. A. Day Junior High

The following boys and girls were elected to some of the student staffs at the Frank A. Day Junior High School last week. On the Playground Staff: Ann Lawless, Nelson, Assistant Captain. On the Boys' Playground Staff: Paul Whitworth was named Captain and John Farina, Assistant Captain. The members of the Cafeteria Staff elected: Nevela Trask as Captain and Robert St. George, John O'Meara and Robert Farnham as Assistants. The Library and Student Councils are holding their first meetings and their elections this week.

Under the direction of Miss Gianferante some of the home boxes to be sent to children in war-torn countries. They are being sent out this week.

The first meeting of the new "Daytonian" staff brought out over twenty-five candidates, all Ninth Graders. The Eighth and Seventh Grades will be given an opportunity to try out later on. The tentative Business Staff is composed of Leon Gammerman, Major Blackett, Rosemarie Gaziand, Alice Chinian, Cynthia Leach and Joanne Gilliland. The Editorial Staff has not been selected yet.

Newton High School News

The seniors have chosen Junior Miss by Jerome Chodorov and Joseph Fields for their play this year. Tryouts for the different roles have been held this past week. Judging from the crowd at the tryouts, the committee had plenty of amateur talent to pick from. Nearly a quarter of the class, it seemed, wanted to have one of the leading parts—either Judy, Fuffy, Lois, Willis, Harry or J. B. Curtin. The performances will be Friday afternoon, November 17, and Saturday evening, November 18.

The Newton High School Associates held the first meeting of their elected representatives on Wednesday, October 4. Dick Mellick called the meeting to order, following which the clerk, Phil Bolster, read the roll. Emily Guzzi gave a report on the balance in the treasury. The new parliamentarian, David Pynchon, kept the meeting running according to parliamentary law. Mr. Green said that he was pleased that the legislature was settling down to work so quickly. After some minor business the meeting was adjourned with the promise of many important issues to come before it in the coming school year.

Students may use the social room before and after school to meet friends and play cards. This room is a student room, conceived, decorated and run by students. There are a host and hostess in the room every morning from 8:10 until 8:25 and in the afternoon, Monday, Wednesday, and Friday until 4 o'clock.

Many students in the music appreciation courses, the Glee Club, and the choruses have already signed up for the six annual symphony youth concerts, which will be held again this season on Wednesday afternoons in Symphony Hall, Boston. Wheeler Beckett, who has conducted these concerts for several years, will continue his excellent work.

Newtonville

Mrs. Theodore Churchill Nickerson of 26 Lowell avenue celebrated her 95th birthday on Sunday.

CITY OF NEWTON FORESTRY DIVISION

Notice To Property Owners.

You are hereby required on or before November 30th, 1944, to destroy the gypsy and brown-tail moths on your property in this city.

This notification is in accordance with Chapter 132, General Laws, Section 18, and the amendments hereto, which require cities and towns to destroy the eggs, caterpillars, pupae and nests of the gypsy and brown-tail moths under heavy penalty for failure to comply with the provisions of the laws.

If a property owner fails to destroy such eggs, pupae and nests, then the city or town is required to destroy the same, and the cost of the work in whole or in part, according to the value of the land, is assessed upon and becomes a lien on the land. (See Section 18, of said Chapter 132, and amendments hereto).

The City Will Perform All Winter Moth Work Unless Otherwise Notified by Property Owners.

Full instructions as to the best methods of work against the moths may be obtained from the Forestry Division, City Hall, or from the State Forester, State House, Boston, Mass.

Work done by contractors should be inspected and approved by the Local Superintendent before payment for same is made.

JOHN D. HAUGHEY, Supt. of Moth Suppression. This notice issued by order of PAUL M. GODDARD, Mayor.

October 10th, 1944. Mayor.

Newton Man Now Sergeant Major of Largest Supply Depot

A U. S. ARMY SUPPLY

DEPOT, England—Master Sergeant E. M. Shebek, 29, of 65 St. James street, Newton, Mass., sergeant major of the largest United States Army general supply depot in England, which played a major role in supplying the troops for the Normandy invasion and is now shipping a record volume of supplies to American fighting fronts in France.

This gigantic depot also supplied the use of the guns used in the African and Sicilian campaigns. The thousands of troops stationed here worked on an around-the-clock basis for months to get the equipment to combat troops in time for D-Day.

A sergeant major of this depot, a virtual replica of an American industrial city transplanted to the English countryside and containing dozens of immense camouflage shops and warehouses, Sgt. Shebek holds the highest job for which enlisted men are eligible.

After entering the Army in November, 1942, Sgt. Shebek was chief clerk of Property Div. Watertown Arsenal, Mass. He received advanced technical training at Camp Sutton, North Carolina.

This depot, which stores Ordnance Engineering Signal and Chemical Warfare supplies, has developed improved methods for the receipt, storage and issued of thousands of tons of equipment monthly. Some of these methods have been adopted by other Army depots throughout the European Theater of Operations.

Sgt. Shebek's office is charged with the responsibility of coordinating the operations of the various branches of the Army Services of Supply stationed here. Sgt. Shebek was sergeant major of an Ordnance Base Group prior to the promotion to his present job. He recently was awarded a certificate of merit and the Good Conduct ribbon.

Sgt. Shebek's wife lives at the St. James street address. His parents reside at 7 Myrtle street, Florence, Massachusetts.

Newton W.C.T.U.

Our October meeting this week was an eye-opener to our environment in Newton of places where liquor is being sold. We found through investigators that 10 Newton restaurants sell all kinds—hard liquor—as well as beer, wine and ale. Mrs. Walter F. Stevens, president, said, "Ten restaurants sell light liquors only. There are 3 drug stores that sell all kinds—13 markets that sell meat and wine; 4 men's clubs that sell and serve across their bars all kinds of hard liquors. Club, Golf Club, Hunt Club and Charles River Club. There are 14 package stores—The Elks has all kinds of liquor."

Mrs. Keene says: "We get some taxes from this but we come under the Devil's tax, goes under his stomach and so do these taxes; we pay out \$3.00 to every \$1.00 received for remaking these men."

Mrs. Cobb says: "For welfare for their families, insane asylums, hospitals, prisons and for homes for these delirium tremens victims."

Does it help our boys over there to have us undermining our health here, and putting our money into whiskey at \$5.00 a quart instead of sending them spiritual help and setting an example of a clean home for their return and a clear subject."

Mrs. Walter F. Stevens said: "We are having a service flag made representing all mothers and grandmothers, sons and grandsons in service. One of the first stars to go on is for the first star Hartman of the Methodist Church, Bishop Hartman's son. His grandmother is a member. There will be over 50 stars, as we have members that are well represented by sons and daughters and granddaughters and sons."

William M. Barber of 224 Quinebequin road, Waban, gave a short and interesting talk on "International Relations" and gave us a list of places where she will take again in the near future. The first meeting will be at the Newton Library in Newtonville 10 a. m. Sept. 19; Oct. 3, 17, 31, she will speak, and up until April 17 on "Our Place in the World Today" every Tuesday. "Democracy, Its Failures and Successes" will be one subject; and several other subjects.

Was served by Mrs. Robert Keene and Assistant Treasurer Mrs. Harriet W. Briggs.

A solo was sung by Mrs. William F. Ferrin in opening and closing the meeting. Mrs. Edward R. Kimball, five new members were welcomed.

Vote NO 3 times is our slogan on liquor question.

Respectfully submitted by Julia W. Keene. Tel. L.A.S

STORM WINDOWS AND DOORS METAL WEATHERSTRIPPING

We urge you to order your cold weather protection AT ONCE and avoid waiting for weeks when fall comes. We were weeks behind in installing awnings all spring and only by ordering weather stripping now will you avoid delays this fall and winter.

**IT'S GOING TO BE JUST AS COLD THEN
AS IT IS HOT NOW.**

There will be a shortage of awning materials next season and we are already taking orders for 1945 installations. First come, first served.

THE IDEAL FERTILIZER
for LAWNS, GARDENS, FLOWERS, SHRUBS and TREES

NOW IS THE TIME TO GIVE TIRED GRASS A FRESH START!

Supplied in 25-, 50-, and 100-pound sift-proof bags.

Re-vitalize "summer weary" grass with a fall application of Milorganite. Unlike most plants, grass grows vigorously in the fall... provided dwindling soil fertility is restored by generous feeding. Milorganite is the ideal fertilizer to use because it contains all the elements needed by grass. Golf Clubs use more Milorganite than any other fertilizer. They know from long experience that it is the ideal fertilizer. Profit by their example. Fertilize with Milorganite this fall for greener, more luxuriant lawns now and NEXT year, too.

All Newton Music School

The All Newton Music School keeps in close touch with those many students once active in the school and now serving in the armed forces of our country. From time to time, these former pupils drop in at the school while home on leave, and a royal welcome is always given them, not only by the staff but also by the boys and girls who rather around asking questions, and showing a great deal of interest in these visits.

On Tuesday of this week, the school was surprised and honored when one of its graduates and former piano teacher, Miss Virginia Kenway, now a WAVE stationer at a base hospital in Miami, Florida, came in and spent the whole afternoon at the Clafin Headquarters. Miss Kenway taught piano at the Music School for 12 years, and had also been in charge of piano instruction at the Pomroy House for six years. She joined the WAVES in July 1943, and is now on leave for the first time after fourteen months of continuous service in hospitals at Corpus Christi, Texas, Memphis, Tenn., and Miami, Fla.

While at the school Miss Kenway visited the three Theon Classes and observed the work in other departments. She was surprised at the large number of students in attendance, and expressed herself as anxiously waiting to get back to her piano teaching after her term of enlistment is over. After her regular duties at the hospital, she has played for patients and for the nurses and had found the music to be a pleasure and comfort to them all.

In the evening, Miss Kenway attended the meeting of the Newton Community Council with other members of the Music School and met many old friends. She said, "Somehow, I came back expecting to find everything changed in Newton, but to me, Newton is just as wonderful as ever." The fall season at the Music School is proving a very busy one, with full schedules in all departments. A few openings remain, except in the piano department, where the demand has been such that it has been necessary to ask applicants to wait a little until arrangements can be made to make room for them. It is evident that, through the All Newton Music School, which is a member of the Newton Community Chest and the Red Feather Agency, more young people in Newton are getting a chance to learn and love music, and that the school is offering more music for more people.

"Neighbors At Home And Abroad" Is Topic

"Neighbors at Home and Abroad" will be the topic for a series of five timely discussion meetings at Central Congregational Church in Newtonville on Thursdays beginning Oct. 19. The speakers and their subjects will be: October 19, Julian D. Steele, Secretary of the Armstrong-Hemway Foundation in Boston, "The Negro—A Test of Our Character"; October 26, Dr. D. Brewer Eddy, "What Will Be Christian Justice After the War?"; November 2, Dr. Fred Field Goodsell, Executive Vice President of the American Board for Foreign Missions, "Latin America and Ourselves"; November 9, Prof. James P. Berkeley of Andover Newton Theological School, "Education for World Friendship"; November 16, Rev. Harold S. Matthews, American Board, Missionary to China, "Our Chinese Allies." There will be opportunity for question and discussion after each talk.

Future Planning

(Continued from Page 1) opportunities and challenges to uphold Newton's standards; if we continue to work together these standards are assured.

Mayor Godard, looking to the future of the City said, "Newton is certainly financially and spiritually sound. If all Newton organizations, including city government and all citizens will apply the same degree of fine citizenship, same kind of intelligent and informed understanding, the future of Newton is secure."

Dr. Homer Anderson, aware of the changing trends in education offers for the consideration of Newton citizens the thought of changes in the physical as well as the educational set-up of our Newton schools.

Col. Earle W. Lancaster, Director of Raytheon's Public Relations Department, spoke encouragingly of Newton's business future. Small industries and retail and service businesses have a definite and successful future in our city, Col. Lancaster said.

Dr. Julius Seelye Bixler urged that continued education and understanding of all phases of community life, religious training, recreation, schooling and business, are essential to the continuation of Newton's principles. "A city with so well established a community planning organization as this Council, with the type of citizenry you have, with a city government of such high calibre as Newton enjoys, cannot then escape a sound, progressive future," said Dr. Bixler.

Neil Leonard, recent president of the Newton Community Chest and vice-chairman of the Newton Community Council, was moderator for the Panel. Mr. Leonard stimulated many questions from the audience many of which, because there was not time to consider them, will be referred to the Conference and Study Group for future reference.

Arrangements for this meeting were handled by the Program Committee of the Council under the able chairmanship of Mrs. Arnold C. Barker.

Eather C. Walther, executive secretary of the Newton Community Council read an open letter outlining various functions of the Council and urging continued cooperation and coordination of its 60 member organizations.

Newton Center Methodist Church

We have added the 58th star to our flag for Marjorie Munsil of 32 Circuit Avenue, Newton Highlands, who left us last month for Fort Oglethorpe and the WAC.

Lieut. Gilbert Burns is flying a Thunderbolt somewhere over Europe. A recent letter to the home folks was written in Paris. Lee G. Covington received his wings and commission as 2nd Lieutenant in the Army Air Corps on September 8.

Sgt. George H. Dewansap was married while on furlough in the summer and now Mrs. Dewansap has joined him at Harlingen, Texas.

John Dorfman of the Navy, now training at Yale, was with us at the service Sunday, Oct. 1.

Lieut. Richard Whipple, after several months in Africa, is now stationed in Persia. Thursday evening, Oct. 19, there will be a gathering of all the people of the parish at the church for supper and the launching of the campaign for funds to meet the cost of reconsecrating and beautifying the interior of the church. Much of the work will have to wait, of course, for a favorable opportunity in materials and labor, but the exterior of the church trim has already been painted and the windows leaded. Florentine tile has been laid in the kitchen with new sinks and cabinets, linoleum and redecorating soon to follow.

Artists Series Is Announced

The Newton Centre Artists Series, sponsored by the Newton Centre Woman's Club, has announced the opening of its second season of the outstanding musical series. This Series, which was inaugurated last year as a pioneer activity of the music committee, and which was also made available to the community at large, proved so successful as to become this year a club unit in its own right. The response during the first season was so immediate and enthusiastic that it fostered the conviction that these concerts which have never been undertaken in Newton before, will become an annual event in the cultural life of this community.

This season's list of concerts promises to be outstanding in its presentation of the world's finest musical artists, on three Sunday evenings during the fall and winter season. The opening concert on Sunday, October 22 at 8:30 will offer Luboshutz and Nemenoff, who are leaders in the field of Duo-Pianists, and are so much in demand by musical audiences everywhere.

The remaining concerts will feature Christine Johnson, rising young contralto, and a recent winner of the Metropolitan Opera Auditions Award; and Raya Garbousova, foremost among women cellists, on November 26 and January 14 respectively. The committee, headed by Mrs. F. Alan Hallworth is as follows: Mrs. John Merrill, Mrs. David D. Bloom, Mrs. Paul Pierce, Mrs. D. Bradley Rich, Mrs. Melville D. Liming, Mrs. S. W. Wilder, Mrs. Carroll L. Sarty and Mrs. Joseph Williams.

Hamilton School Hallowe'en Party

The magic witchery of Hallowe'en will pervade the atmosphere at the Hamilton School in Newtonville, Lower Falls, on October 31, when witches, sprites, black cats, and hobgoblins join in an evening of devilry between the hours of 6:45 and 8:45.

Children from kindergarten age through the sixth grade are included, and committees have been formed under the general chairmanship of Mrs. Arthur C. Gernes, 34 Lafayette road, to handle each group.

Group chairmen and special assistants include: Mrs. Clenton Scott, Kindergarten; Mrs. Charles Anderson, first and second grades; Mrs. Guy Vassalotti, third and fourth grades; Mrs. Addison Roubaud, fifth and sixth grades.

Mrs. J. Douglas Bruce, refreshments; Mrs. Laurence Morrison, music; Mrs. Archibald Barron, first aid; Mr. Robert Bender, advisory; Mr. Henry Corcoran, tickets; Mr. Jonathan Roehrig, custodian.

At a committee meeting on Monday evening at the home of Mrs. Gernes, a program of movies, games, and refreshments was planned, with special prizes to be awarded for costumes and games.

Job For Every Vet. Aim of Committee

"Do you need someone to keep the books in your business?" asks John F. Wheelock, Executive Secretary of the Newton Citizens Advisory Committee for Returning Veterans. "We can refer you to about 80 men who are accountants or book-keepers." Of course, it must be borne in mind that at present most of these men are still in service, but they'll be civilians again some day and available for civilian employment.

The committee has set up complete classification files to cover 30 general occupational groups, the object being to provide instant reference to suitable men and women when an employer makes a request for someone to fill a certain job. In assigning a man to a certain classification, three things are considered: 1. What he has done in service; 2. What he is doing or being trained to do while in service; 3. What he says he expects to do after discharge and return to civilian life.

A study of this file leads to interesting speculation on the kind of industrial world we will see in coming years, continued Mr. Wheelock. For one man out of every 20 can qualify as an airplane pilot, and one out of every 25 as an airplane mechanic; 13% of the total have some association with electronics; and one out of every 30 is either a radio operator or repairman, or both.

Kiwanis Club Hears Talk On United War Fund

Several guests were present at the Tuesday meeting of the Newton Kiwanis Club, a neater final sign of interest in the local unit. Jack Janse announced the receipt of a letter from Gen. Van Bunkirk who is now in the Medical Corps. George expects to enjoy his first furlough soon, arriving in Newtonville next Monday noon. It is expected that he will be present at the club meeting on Tuesday.

Mr. Clarence Mease, General Secretary of the Newton Y. M. C. was presented by Frank Battles. He spoke very convincingly about the United War Fund.

Following Mr. Mease's talk the colored movie "Red Feather Magic" depicting the work of the various agencies in the War Fund was shown.

To complete the program, Chief John Keating showed some colored movies of the recent parade held in connection with National Fire Prevention Week; there were also some fine shots of the inner workings of Newton's fine, modern fire department.

Newton Rotary Hears Carl Smith

Carl Smith, President of the Babson Institute and Chairman of the New England Area of the Committee for Economics discussed the crisis of the Post-war economy at the regular Rotary Luncheon at the Brae Burn Country Club on Friday. The speaker said that the war production level at 140 billion dollars worth of goods and services per year in order to absorb the 9 million unemployed as of 1940 when national production hit a peak of 97 billion. In describing the war economy in the post-war period of transition when 11,000,000 men were to be sent home again.

The meeting marked a return to the Braeburn Club for the winter months and was presided over by Capt. Frederick J. Pascoe, in the absence of other "line" officers. The speaker was introduced by Rupert Thompson, Chairman of the local Chamber of Commerce. During the course of the day Pete Pettigling, Secretary of the Community Chest in behalf of the United War Fund.

Elliott Men's Club Holds First Meeting

The Elliott Men's Club of Newton held their first meeting of the season on Monday evening, October 9, at 6:30. The members enjoyed supper and then a talk by Mr. George T. Pascoe, president. Mr. Pascoe announced the chairman of the various committees and general outline for the coming season.

Dr. Everett Pierce read the revised Constitution for the consideration of the members. Dr. Norton then introduced the guest speaker, Capt. G. Harry Adalian, who gave a very interesting talk on the "Romance of Oriental Rugs." He displayed a number of oriental rugs showing the designs and characteristics of each, and explained how these designs reflected the historic and tribal background and culture of the weavers. A discussion period was held at the conclusion of Capt. Adalian's lecture.

Celebrates His 96th Birthday

Friends and neighbors called on Mr. Charles A. Drew, of 14 Hyde Avenue, Newton, last Monday, in observance of his 96th birthday. Mr. Drew, who enjoys excellent health and is often seen on short walks in the vicinity of his home, was the recipient of gifts, flowers and many congratulatory cards.

A feature of the occasion was the presence of his grandson Karl Hartzell of Geneseo, New York. Mr. Hartzell, Mr. Drew's daughter lives at 300 Franklin street, Newton.

Mr. Drew is the oldest living graduate of Boston University, and that institution sent him a large bouquet of carnations.

Other Divisions are holding meetings during these preliminary two weeks. The Advance Gifts Chairmen met with Daniel E. Watson at his home on Sunday, October 8. The Dinner Meeting of the Advance Gifts Division is to be held at Brae Burn on October 18 at 6:30 p.m., and preliminary meetings in villages are being held at the home of the Chairmen prior to this meeting. The Manufacturing Division had its second meeting on Wednesday, October 11, and plans are under way for further meetings of this Division. A program for industry cooperation was discussed and it was suggested that employee participation is best carried out by organizations of the employees themselves, experience having determined that where this plan is adopted, the campaign among employees is successful. The Municipal Division starts its preliminary work with a meeting of Department Heads at City Hall on Monday, October 16, at 4 p.m., and the Division get-together is on the evening of Thursday, October 19.

The enrollment of Newton through Tuesday noon, October 10, was 2015—a gain of nearly 500 for the week. With the present speed of enrollment continuing, total enrollment should be completed this week end, according to Thomas E. Shirley, Campaign Chairman. Village Chairmen are rushing to get their final names in so that the workers will be included on the list for the Opening Dinner on October 30, these invitations going out the first of the week.

Public Meeting On Serving the Veteran

A public meeting, sponsored by the Newton Council of Church Women, will be held on Friday, November 3rd, at 7:45 in the lecture hall of the Unitarian Church in West Newton.

The program for this meeting will be a panel discussion under the leadership of Roland R. Darling, director of the Job Counseling Service, Veterans Information Center, Boston. The theme of the discussion will be "Serving the Veteran." Those participating in the discussion will include an ex-marine, a veteran of Guadalcanal, a chaplain from active duty in the South Pacific, a member of the Red Cross Home Service, and a vocational counselor.

If you are interested in the veterans returning to your home or community, it is essential that you possess certain facts which will help develop your understanding of the needs of the men and women who are being discharged from our forces. It is to provide you with such facts that this meeting is being presented.

The public is cordially invited and urged to attend.

Word has been received that Private Howard E. Rummel, who was wounded in action in France during July, has been awarded the Purple Heart. He is now hospitalized in England.

Private Rummel, who went overseas in May, 1944, received his basic training at Fort Bragg, North Carolina. He attended the Newton High School and Bryant Stratton; and was a member of the Highland Glee Club of Newton. He was in the employ of the R. J. Reynolds Tobacco Company when he entered the Army in July, 1943. Mrs. Rummel, the former Ruth T. Black, lives at their home, 96 Walker street, Newtonville.

Word has been received from overseas of the promotion to the rank of Captain of First Lieutenant A. Thomas Sundborg, Jr. Captain Sundborg, son of Mr. and Mrs. A. Thomas Sundborg of 19 Baldwin street, Newton, enlisted as a cadet in the United States Army Air Forces in 1941. A graduate of the Newton High School and Northeastern University, he received his cadet training as an aeronautical engineer at Chanute Field, Illinois. He was stationed in Georgia, Florida and South Carolina before going overseas in February, 1944. At present he is a Squadron Engineer in charge of maintenance of planes.

Captain and Mrs. Sundborg, the former Jean Putnam Johnstone, also of Newton, have a son, A. Thomas Sundborg, 3rd Lt. John G. Sundborg, his brother, a bombardier in the Air Corps, was recently reported as a prisoner in Germany.

To Dedicate Honor Roll and Park This Sunday Afternoon

The dedication of the Thompson-
ville honor roll will take place on
Sunday afternoon, October 22 at
Thompsonville Memorial Park,
corner of Langley road and the
Worcester Turnpike, Newton
Centre.

The ceremonies, which will begin
at 2:30 o'clock will also mark the
acceptance of the park for the city
of Newton, by city officials. The
honor roll, attractively designed,
bears the names of 1887 who are
in service, 5 of whom are women.
A gold star appears before the
name of Domenic Silverstone, who
was killed in action.

The stars and stripes, and a
service flag will be raised on a 250
foot flag pole. Invited speakers are
Mayor Paul M. Goddard; Govern-
or Leverett Saltonstall; Arch-
bishop-elect Richard J. Cushing;
Acting Chief of Police Nicholas
Veducci; and Fire Chief John
Keating. Other invited guests are
Roy S. Edwards, Chairman of the

War Fund Advance Gifts Launches Campaign

The Greater Boston United War
Fund Campaign in Newton got off
to a fine start when the Advance
Gifts Division launched the Cam-
paign with its annual dinner at
Brace Burn Country Club last Wed-
nesday evening (October 18).
Daniel E. Watson, Chairman of
this Division, presided, and Neil
Leonard, past President of the
Newton Community Chest, was
the principal speaker. Henry A.
Laughlin, General Chairman of the
Greater Boston United War Fund,
brought greetings from the Fund,
and Thomas E. Shirley, General
Chairman in Newton, explained
Newton's share and told of the
benefits to the Newton Red
Feather Agencies which contribu-
tions through the Fund provide.

Mr. Watson said that his Di-
vision is asked to raise \$130,000
this year and he felt confident that
the enthusiasm that had been
shown at village meetings during
the past week was any indication
the Campaign as a whole and the
Advance Gifts in particular was
bound to be successful. Mr. Wat-
son pointed out, however, that
there could be no let-down in this
enthusiasm. He stated further
that solicitation of the 600 pros-
pects assigned to his Division
would start immediately and that
it was hoped that all calls could
be made and subscriptions received
by Thursday night, October 26, as
Friday, October 27, was selected as
Report Day for his group.

Mr. Laughlin, in addition to
bringing greetings from the
Greater Boston Fund, spoke highly
of the interest and enthusiasm
which Newton has always had in
philanthropic campaigns. He stated
that, under the fine leadership of
Tom Shirley, he was certain that
Newton would lead the way among

Newton Plans To Hold 238 Hallowe'en Parties

Newton has gone all out in its
Hallowe'en program for children
ranging in age from kindergarten
through senior high.

More than 1400 volunteer work-
ers, including parents and mem-
bers of various civic organizations,
have been busy for weeks ironing
out details for 238 parties in 41 key
locations throughout the City, at
which more than 11,000 boys and
girls are expected to be present.

The programs cover an amaz-
ing variety of jolly activities, each
carefully worked out according to
age levels. The elementary grades
will meet in their own schools and
the Junior High pupils will fore-
gather in women's clubs, churches
and the YMCA. There will be
music, charades, movies, dancing
games, story-telling, magic and
skits put on by numerous home-
room groups and High stu-
dents, a definite improvement over
previous years has resulted from
the voicing of the students, them-
selves, in their program. Through
the friendly cooperation of Mr.
Gill, who has offered the Totem
Pole Ballroom and Baron Hugo's
Orchestra at extremely low cost
to the Senior High students, the
popular resort will be the scene of
a Hallowe'en Prom exclusively for
these older boys and girls. All
working boys and girls of high
school age may also attend the
Prom, but must purchase their
tickets in advance, as none will be
sold at the Totem Pole. Tickets
will be on sale from October 23 to
27, at the Recreation Department,
City Hall.

The General Chairman of this
huge Hallowe'en project is Mr. E.
A. Terkelsen, who is serving as
director of the event for the sec-
ond time. Directly assisting him
are Mr. F. E. Wilson and Mrs.
Ragna Hovgaard, of Newton's Re-
creation Department, Capt. Nicho-
las Veducci, Police Department
and Dr. Homer W. Anderson, Su-
perintendent of Schools. The Sup-
porting Committee includes, Mr.

BIENNIAL SESSIONS

Referendum No. 3 on the ballot for the November election deserves the serious consideration of every voter. The decision on this question determines whether we shall continue biennial legislative sessions which were adopted by the people in 1938 by a majority of 330,000 and which six years of experience has fully justified in every respect, or return to annual sessions with its political skulduggery, confusion at the State House and waste of the taxpayers' money. Biennial sessions have resulted in:

1. Better government at less cost.
 2. More home rule for cities and towns through adoption of blanket laws for municipalities.
 3. Fewer and better laws.
 4. Elimination of "ballooning" of budgets in election years for political purposes.
 5. Less legislative interference with the processes of administration.
 6. Less political turmoil.
 7. Saving of time, effort and money to citizens required to travel and attend legislative hearings on proposed legislation.
- Only four states in the Union still stick to the old system of annual sessions. In one state, Alabama, the Legislature meets only every four years. No state with biennial sessions has ever reverted to annual sessions. Massachusetts must not make this error.
- A "YES" vote means a return to the almost universally abandoned system of annual sessions. A "NO" vote means we will continue the biennial system with all of its advantages. There can be no question of doubt on the issue in this case. The friends of better government must vote "No" on the third referendum on the ballot.

Letter to Editor...

Dear Editor Graphic:

I still enjoy my copy of the Newton Graphic.

Although it is only 5 years since I left the Stearns School many changes have come.

This retirement on the Cape is just what I like. As Director of Salvage, reporter for the Brewster News Letter, caring for a garden and looking out for three shore cottages, I keep pleasantly employed and wish that more of my friends might try it.

I am saddened by the death of two good friends, George Hardy and Ralph Spaulding, also by a former pupil of more than 40 years ago—Capt. Lawrence Early—a fine boy and later a wonderful man.

Michael Hughes—one of my former parents and always a good backer of the schools, was always ready to help in every emergency. He came down to the Stearns when the neighborhood gave me my farewell party. I had given his three children their start in school and I rank him very highly as a man and an efficient Chief. He was worthy successor to another parent I esteemed highly, —Ex-Chief Fred Mitchell. After one passes seventy-five these changes are sure to come.

Thank you for past courtesies, I am,

Yours truly,

Kenneth Winslow.

Appointed to U. S. Naval Academy

Bruce Albert Carpenter of 42 Tyler Terrace, Newton, has been appointed by Congressman Christian A. Herter to the United States Naval Academy at Annapolis.

Two other Newton young men were among Carpenter's three alternates named by Herter and two others were appointed as alternates to the United States Military Academy at West Point.

Carpenter, whose appointment was made by Congressman Herter on the basis of the results of competitive examinations held late in July, will enter Annapolis next June.

Donald E. O'Callaghan of 2 Alden street, Newton Centre, is his second alternate, and Charles Y. Chittick, jr., of 130 Upland road, Waban, his third alternate.

Named as alternates to West Point were Charles C. Stewart of 42 Annawan road, Waban, first alternate, and Robert H. Penny of 20 Bound Brook road, Newton Highlands, third alternate. Penny is a private in the army and is now stationed at Camp Livingston in Louisiana.

More than 60 young men from Congressman Herter's district took the competitive examinations held in July.

Politics With Color

by P. W. C.

Presidential Campaign

The campaign is rapidly warming up. F.D.R. has charged Gov. Dewey with "falsification" and the latter has come back sharply at F.D.R. and quoted book, chapter and verse in support of his original charges. It has become painfully obvious to the fourth-term enthusiasts that the President is currently on the defensive and he is beginning to squirm uneasily. This is a position with which he is not familiar. He is discovering, to his chagrin, that it is no longer possible to smear Mr. Hoover's record in the White House and to chide the Republicans in Congress for their isolationist votes several years ago by way of answering the Dewey charges. Gov. Dewey keeps him pinned down to the point at issue and presses for an honest answer. If he doesn't get an answer, he brings the matter up in his next speech. Furthermore, the G.O.P. candidate keeps hammering on the "tired, quarrelsome New Dealers" and the constant bickering and confusion in Washington AND in other countries involved in the war. According to the most recent Dewey speech, there is just as much "planned chaos" abroad as at home. Even in foreign countries we find a large group of alphabetical agencies messing things up and fighting among themselves. Dewey mentioned this situation as an answer to those who grant that the New Deal is very inefficient at home BUT claim that it is performing miracles abroad. Well, the miracles are being performed, all right, but it is the military and naval leaders who are responsible.

Perhaps the most unpleasant recent development in the campaign is the knowledge we now have concerning the improper propaganda which has been fed to the armed forces, both here and abroad. It seems that, through the medium of labor union papers, our fighting men have been given a dose of misrepresentation regarding the strikes in war plants. They have been fed the same apple-sauce about "one-tenth of one percent work hours lost." They have NOT been told how exceedingly vital production was held up as a result of this apparently small loss of time. This is very cheap stuff and entirely unworthy of Mr. Roosevelt or any other President of the United States. It is up to him to repudiate these activities promptly. The servicemen themselves will bitterly resent this unfair procedure on the part of their government. After all, even Mr. Roosevelt must know that this war is being fought by Republicans as well as Democrats. There are also independent voters, Socialists and many, many others who are now dying for their country.

Amendments to the Constitution

There will be five questions at the bottom of the ballot on Nov. 7. Every voter should now have in his possession a leaflet describing four proposed amendments to the Constitution and one amendment to Chapter 271 of the General Laws.

No. 1 requires, as I see it, a "Yes" answer. It provides for a much-needed simplification of such questions as these in order that the voter may understand what it is all about when he endeavors to make up his mind. A fair, concise summary of the proposed change will be printed on the ballot.

No. 2 is not so simple. As this was originally drawn, the idea was to make it more difficult to have any more disgraceful, hasty pardons similar to the famous Patricia pardon, which featured the Cockeyed impeachment trial. However, instead of providing certain safeguards, such as requiring the Governor to notify the Attorney General and the District Attorney involved in a given case, the present amendment appears to drag in the State Legislature, in case of a felony, and give it the power to "prescribe the terms and conditions upon which a pardon may be granted." Not so good. This requires further study before making any recommendation.

No. 3 requires a "No" answer. We must certainly NOT want to go back to annual sessions of the Legislature. We are now saving money, securing the same efficiency, if not more, and doing merely what all but three or four states

UNDER THE HAT AND FEATHER

Community Chest Communique

OCTOBER 19, 1944

The Advance Gifts Division in Newton of the Greater Boston United War Fund held its opening dinner at Brae Burn Country Club on October 1.

The Municipal Division had a get-together of its workers at City Hall, October 19th with a large attendance.

The Mercantile Division launches its solicitation on October 23d with a morning coffee at the Trinity Church, Newton Centre.

The Manufacturing Division is already at work, and members of the Committee are striving to get in final returns at their next meeting on October 27.

The Residential Division Campaign starts following the Opening Dinner on October 30. The workers strive to "call on all prospects within the first three days" and clean up their cards over the week end of November 4.

Newton has passed its enrollment quota of 2400 with a total of 2420 on Tuesday noon, October 17. It is expected that final enrollment figures will be close to 2600.

Residential pre-campaign meetings start on Sunday, October 22, with West Newton leading the way. Other villages and groups will follow throughout the week.

Campaign charts will be set up in each of the 13 Villages and at City Hall on Saturday, October 28. These charts have been re-designed and will catch public attention.

Endorsed By 179,000 Greater Bostonians

The Salvation Army, now working on its 1944-1945 Greater Boston Maintenance Appeal for \$400,000, announces that in response to its appeal of last year it received 179,000 endorsements of the organization and its activities—in the form of free-will contributions.

Expenses have greatly increased due to wartime costs. And so it comes that this year a total of one-quarter of a million men, women, children and corporations, will give their participating approval to The Salvation Army's expanding humanitarian, charitable and unselfish work—for both servicemen and civilians in Greater Boston.

The Salvation Army's service is all inclusive. Its help is rendered without consideration of creed, race, color or class.

In the entire country are doing. It is largely the professional people who want to change back; they would like the extra salary.

No. 4 calls for a "Yes" answer. It gives to those who are unable to go to the polls, even tho' said polls are but a few hundred yards distance, an opportunity to cast a vote. After all, why should we disfranchise a cripple or a helpless invalid, who may be far more patriotic than many of those who forgot to vote.

No. 5 is the Beano amendment. In this case, I understand that those who wish to record themselves AGAINST Beano should vote "Yes," even though that does not seem to make sense.

Raytheon Mfg. Co. On Radio Network

On Saturday evening, October 14, the Radio Receiving Tube Division of the Raytheon Manufacturing Company, 55 Chapel street, Newton launched an impressive national advertising program with its first broadcast over the entire Blue Network of the famous radio show "Meet Your Navy."

The program will be heard through Boston's Station WHDH, from 7:30 to 8:30 p.m., Saturdays. "Meet Your Navy," is an all blue-jacket show, broadcast direct from the huge Great Lakes Naval Training Station at Great Lakes, Illinois. Its membership, coast to coast, totals 3,500,000 people in every walk of life—people who are eager to know about the Navy and its personnel—people who will be therefore receptive to Raytheon's contributions to the Navy's fighting efficiency—and people who will purchase tremendous quantities of radio tubes and parts, when they become available.

In addition to building consumer acceptance for Raytheon, this advertising program will help to strengthen dealer organization by interesting larger and better dealers in carrying Raytheon tubes in the future. Present dealers, on the other hand, will appreciate Raytheon's foresighted efforts to build their business. As a result they will sell Raytheon tubes with greater enthusiasm and will cooperate more completely with the Raytheon merchandising program.

NEWTON In The Past

They want to call Nonantum street, Newton, Norfolk Road. Why not Indian lane in order to preserve that memory of the red man of whom we have some interesting legends? The Nonantum tribe, according to Elliott the apostle and others, did not comprise a very bad lot.

The demand for library books in Abundant is larger than ever and has increased many times since the establishing of free delivery.

There was a large attendance at the re-opening services at the Second Congregational Church, West Newton, on Sunday.

Richardson's market, Newton Centre, has been equipped with a new electric clock and a time board. The latter records the hour of all inward bound trains for the "Hub" and is a great convenience for patrons.

The Newton Catholic Club observed Columbus Day last Monday with a banquet in honor of its 162 members who served the country in the late war. Over 100 of them were present that evening and were given a most enthusiastic reception. About 300 members and guests were present and the occasion was honored by the presence of Governor Calvin Coolidge, who made his first public appearance since his recent illness.

As the Commanding Officer of the Newton Constabulary, Col. James G. White was certainly the right man in the right place during the past few weeks.—Ed. Note.

Dining With Jane and Bill

(Last week Jane and Bill were discussing Junior's cod liver oil. The discussion is continued.)

Bill—Here's that cod liver oil you wanted from the store. Boy, I bet they had 50 different kinds. This one looked good to me—you don't have to give a large dose and it wasn't too expensive. Didn't the doctor recommend any special kind?

Jane—No, he just said that Junior needed between 400 and 800 Units of vitamin D a day. Now let's see—that'll be about 15 drops of this. I think I'll call Junior and give it to him right now. He's upstairs playing with his blocks.

Bill—Well, Jane, I don't think that's a very good idea. Of course, Junior's going to make a fuss if you interrupt him while he's playing and give him the cod liver oil. He might form a distaste for it. I should think you'd give it to him as part of his daily routine—before his breakfast or his bath every day.

Jane—That's right. The doctor said that most children will accept it very well if it is given regularly. He suggested giving it all year round for two reasons. We wouldn't have to break him into the habit each fall, and also even though he plays out-
doors all summer there are plenty of cloudy days when he doesn't get enough Vitamin D from the sun.

Poor Mrs. R—. She has a regular battle with her Eleanor over the cod liver oil every day. I think it's because she used to make such a face each time she gave it to her. She even used to say in front of Eleanor that she couldn't stand the smell. The doctor said it was Mrs. R—'s fault, too. Now that she's created this problem, the doctor suggests giving Eleanor tablets or capsules or drops mixed with her food.

Bill—Well, I don't think we'll have any trouble with Junior. We can profit by Mrs. R—'s mistakes. I'll put the bottle here on the shelf—you can start giving it to him tomorrow.

Jane—No, pass it to me—I'll put it in the ice box. It's apt to get rancid in this warm room. I'll keep it cold, and covered like I do butter.

*Note from Children's Bureau Publication on "Infant Care," 1943. U. S. Department of Labor: "If properly kept, oil will remain fresh from 6 weeks to 2 months after the bottle has been opened. It is not wise to buy a bottle that holds more than a two months' supply."

UNWRITTEN CASUALTY

LIST. There's a war casualty list that will never be printed. It's that list of persons who might have been killed, and who—thanks to our women war workers—will live to see the future for which they are now fighting. Everytime a woman sees a service man alive and well, she should be able to say to herself "this is one of the might-have-beens" which I have kept alive. Our workers at Raytheon's Radio Receiving Tube Division, Newton, can honestly say that their efforts have contributed magnificently to keeping our boys alive. It is the duty of every American woman to take as her personal responsibility the "yet-to-be's"—those who may appear on the casualty list if our women fail to enter or continue in war work. Our Rays at Newton are taking no chances by trusting a serviceman's life to luck; rather they are working—turning out radio tubes—that he might have the proper equipment to insure his safety.

THE FIVE RAY SISTERS. Five time cards marked "Heselton" are punched, daily, at the Radio Receiving Tube Division, Newton, when five sisters—Eleanor, Marion, Bernice, Barbara, and Mildred—come to work at 7 a.m.

These sisters have joined together to do war work at Raytheon for their brothers, Sgt. Irving Heselton, U.S.A., stationed in England, and Pvt. Gerald Heselton, U.S.A., who has spent three years in Panama.

Twenty-three year old Eleanor, a unit operator, in Dept. 605, was the first Heselton to come to Raytheon, when she joined the "Rays" in 1942. Each morning at 5:45 a.m., Eleanor gets up and awakes the others on a pre-arranged schedule. While the girls are getting ready in relays, Mrs. Heselton, their mother, is putting up five fat lunches. Each day a different girl carries the total lunches to work.

The second Heselton to come to Raytheon was Marion, age 20, who works as a machine operator in Dept. 203. Marion, who has an excellent singing voice, has sung cowgirl songs and tap danced over the radio many times.

Bernice, the third sister to come to Raytheon, is also quite talented and has sung on the air with her sister, Marion. She has made many solo appearances with Joe Rubins over WMEX, and has sung on WLAW and WEEL. Bernice is 16 and works as a service girl in Dept. 203.

Barbara, who brought the Heselton total up to four, is 19 years old and works as a grid cutter in Dept. 203. Her after-work activities lean toward swimming, bowling, and roller skating.

The fifth to join the "Rays" was Mildred, age 17. In speaking of her family, Mildred said that with 12 in the house it takes expert maneuvering to get everyone out in the morning. Mildred works as a gauger in Dept. 203, and on her off-the-job hours goes swimming, dancing, and skating.

NAVY DAY AT RAYTHEON. Solomoni observing Navy Day, Oct. 27, employees of all Raytheon Manufacturing Co. plants will dedicate their entire day's production to all former Raytheon workers now serving in the U. S. Navy.

In conjunction with the nationwide observance of the Navy's anniversary, the day's attendance, quality, and production is offered by employees as Raytheon's tribute to the men in blue.

Navy Day was first observed in 1922 under the auspices of the Navy League of the United States. Oct. 27 was selected because it is the anniversary of the day that the Continental Congress first enacted the Bill providing the creation of an independent fleet in 1775. It is also the birthday of Theodore Roosevelt, who recognized the need for a strong Navy, and is widely credited with being the father of the Navy.

RAYTHEON BROADCASTS TO NATION. Coast-to-coast Raytheon Manufacturing Co. launched a new radio program entitled "Meet Your Navy," when the first of a series of 52 weekly broadcasts was made Saturday, Oct. 14 at 7:30 p.m. over the Blue Network.

It is estimated that this All-Navy program has a listening audience of 3,500,000 persons in all parts of the country. Broadcast from the huge Great Lakes Naval Training Station, "Meet Your Navy" features talented blue-jacket soloists, 65 Navy musicians, a choir of 200 sailor vocalists, and Navy heroes.

Police Association
Sends Gifts To
Service Members

The Newton Police Memorial Association has mailed Christmas gifts to the 39 members of the Newton Police Department now serving in the Armed Forces.

Joseph B. Lyons, president of the association, was in charge of the purchase and shipping of the gifts. He was assisted by Acting Chief Nicholas Veduccio and other members of the police department.

Club Conducts Annual Bridge

The Newton Junior Community Club held its annual fall dessert bridge at the Hunnewell Club, Newton, Wednesday evening, October 18, under the direction of Miss Jane Mansfield, vice-president.

Dessert was served at 7:30 by Miss Mansfield and her committee which included Mrs. Thomas V. Seeley, Mrs. Alvin Jorgensen, Miss Phyllis Aldrich, President; Miss Gertrude Dennison, Mrs. Herbert Dwight, Miss Dorothy Howe, and Miss Miriam Miller.

Decorations were appropriate for the Halloween season in orange and black. Prizes were given to high scorers at each table, and there were numerous door prizes.

Awards were made as follows: Glass bowl and matching candlesticks, Mrs. Leigh Stanton; Christmas tree, Mrs. Frank Sanborn; Pyrex set, Mrs. J. V. Morrison; Pillow cases, Miss Eleanor Lord; Banks to Mrs. J. V. Morrison; Mrs. Robert Tribe, Mrs. John B. Valentine, and Mrs. F. W. Webster; Cologne, Mrs. W. L. Ratcliff; and Theatre tickets to Mrs. Elford M. Peterson, Mrs. J. F. Alexander, Mrs. R. A. McTeague, and Miss Kay Gunn.

Because of the demand, the Junior Club will hold another bridge in the spring, on March 14, at the Hunnewell Club.

Newton Centre Woman's Club

Miss E. Eleanor Elliott, Art Supervisor, Newton Public Schools, has sent the following note to parents of school children.

"Saturday, October 21st at 2 p.m. an art exhibition, 'Understanding the Child Through Art' is opening at the Newton Centre Woman's Club sponsored by that club and the Newton Public Schools.

This exhibition is organized by the Committee on Art in American Education and Society circulated by the Modern Museum of New York that parents may better understand the value of art in the life of the child.

"The content of this exhibition has been collected from all over the country thus showing a broad national analysis of children's work."

"We hope as many parents as possible will see this exhibition and read the captions as they will better understand the art work of their own child."

"The room permits this exhibition to be supplemented by work of our Newton Public school children."

"The exhibition will be open to the public, Saturday, October 21, 1:30 to 4:30 p.m.; Sunday, October 22, 8 to 10 p.m.; Monday, October 23, Saturday, October 28, 3 to 4:30 p.m.; Monday, October 30, Thursday, November 2, 3 to 4:30 p.m."

C.L.S.C.

The Newton Highlands C. L. S. C. will meet with Miss Marion B. Morse, 161 Allerton road, on October 23rd. Mrs. Emory Clark will review "Mother Russia" by Maurice Hindus.

The Newton Archers

The tournament held on October 12th was a small one with perfect weather for shooting. The regular archery range was used because it was anticipated that the group would be small. Otis Wood of Essex was the field captain. A double American round was shot. Visitors came from Attleboro, Brockton, Essex, Rockport, Waltham and Worcester.

Miss Stella Ivey, the champion, came during the afternoon to renew friendships and to meet the new members.

The archers taking the first three places were: Malcolm Pearce, Waltham, 180-1248; Henry Schreiber, Waltham, 177-1183; Clarence Cheney, Worcester, 173-1159.

Women—Greta Schreiber, Waltham, 165-885; Fannie Cheney, Worcester, 162-860; Beatrice Sousa, Attleboro, 135-695.

Juniors—Tom Smith, Rockport, 166-646; David Briggs, Newton, 137-601; Stanley Gray, Rockport, 107-455.

The Cummings Handicap Cup was awarded to Lester Turner. Townsend H. Cushman had the same score, but the cup was awarded to Mr. Turner because he had a larger score at the 60 yard distance.

The Visitors Handicap Cup was awarded to Clarence Cheney of Worcester.

The Mariner Handicap Cup was awarded to David Briggs of Newton Highlands. It is the second time David has held the cup. The range winners were as follows: 60 yards, Lester Turner, Hazel Turner; 50 yards, B. J. Seaman, Anita Howarth; 40 yards, Harold Black, Dorothy Matthews.

Watch For the Jeep

HERBERT C. LANKS, lecturer, shown with the jeep in which he toured Alaska.

Herbert C. Lanks, Lecturer, Author, and War Correspondent is driving from New York to Newtonville in his Jeep which he toured Alaska recently to speak at the Newton High School, Friday evening, October 27th at 8:15 p.m. for the benefit of the Scholarship Fund and other Philanthropies under the sponsorship of the Newtonville Woman's Club.

Mr. Lanks will drive through the business sections in the various Newtons and also tour around the Newton High School. Be sure

Auburndale Review Club

Mrs. Edmund I. Wilson will be hostess for the next meeting of the Review Club of Auburndale at 41 Aspen avenue next Tuesday at 10 a.m. Members please note the change of place. After the usual business meeting, a paper will be read by Miss Eleanor Pinkham on the Dutch Domain in the Pacific, followed by a book review of "Lady Randolph Churchill" to be given by Mrs. John E. Williams. As Mrs. Franklin E. Leonard is unable to give the scheduled paper, Mrs. Guy W. Winslow will contribute her paper on "Unusual Hobbies" and the club is looking forward to this entertaining feature.

Community Club To Hear Lecture On China Oct. 26

Dr. Stanley Ross Fisher will present an illuminating picture of China in his fascinating survey of social and political forces in this ancient empire, when the second meeting of the Newton Community Club takes place October 26th, at 2 p.m. in the Underwood School house, Newton.

Dr. Fisher was sent to the Far East by the Institute of Social Research (Rockefeller Foundation), and while traveling extensively through every province in China came into intimate contact with General and Madame Chiang Kai-shek and the leading figures in educational and political development of that country. Dr. Fisher has the happy faculty of presenting his subject in a fascinating, instructive and entertaining manner.

Tea will be served as usual at the social half hour which follows the meeting at which Mrs. David Black will preside.

Hobby Class To Meet Here October 27th

On Friday, October 27, at 2 o'clock the Hobby Class of the West Newton Women's Educational Club will hold its first meeting of the new club year. Mrs. Harold Carter of 65 Harding St., West Newton, will be the hostess at this time. The members will work on sewing projects for the coming fall to be held at the next club meeting in November. The Class starts its new year with a full membership of 26 and a waiting list. Plans will be made for the time War Relief Red Cross Sewing, toy making for foreign countries, and other projects.

W.C.T.U. Appreciates Publicity in Graphic

A rising vote of thanks was extended to the Newton Graphic by the Newton W.C.T.U. at the October 7th meeting for their courtesy in publishing accounts of meetings held during the past year.

Federation Plans Fall Conference

The Newton Federation of Women's Clubs plans fall conference. Miss Adelaide B. Bell, President of Newton Federation of Women's Clubs announces that final plans for the fall conference will be made at the first Executive Board meeting to be held Monday, October 23rd at 10:15 a.m. in the Clafin School, Washington Park, Newtonville, All Newton Music School Room.

Lieut. Robert V. Neary will speak on Recruiting for the Woman's Army Corps.

Mothers' Auxiliary To Meet Oct. 25th

The Mothers' Auxiliary of the Newtonville Group of Boy Scouts and Cubs will hold its first meeting of the year at the home of its president, Mrs. Carl Grip, 39 Bemis st., Newtonville, on Wed., Oct. 25, at 7:45.

Miss Alice Payne from the Home Service Department of the Newton Consolidated Gas Company will give a talk on "Thanksgiving Dishes and Table Settings." Refreshments will be served by the social committee headed by Mrs. Herman Pohlman and Mrs. Walter Chase.

"First Lady" Enjoyed By Community Club

Miss June Hamblin delighted her audience with her clever impersonation of Washington women in the reading of "First Lady," at the opening meeting of the Newton Community Club October 12th.

The new President, Mrs. David Black, has a pleasing stage presence and addressed the club in a few well chosen words. She revealed the fact that an ancestor of her family, a professor at Harvard, had been chosen president of the first ladies club of Boston, which was called "The Ladies Physiological Institute" which was organized in 1847 and cited the difference between the timid retiring women of that age and the women of today who are fighting shoulder to shoulder with their husbands, sons and sweethearts to win this war, and hoped that the women's clubs of today would be a factor in helping to bring about world peace.

Mrs. Herbert G. Badell appealed to the Club for soap and white handkerchiefs for the Christmas boxes being made up for some of the islands in the South Pacific, for the Chelsea Hospital project and spoke of raising the money which the Knitting and Sewing Division of War Services is sponsoring.

The sale of bonds and defense stamps sponsored by the War Service Committee, Mrs. MacNeil, chairman, was in charge of Mrs. Fred G. Howe, Jr., at the back of the stage. Also the sale of tickets for the dessert bridge to be held Wednesday, Nov. 1, when Mrs. Henry I. Harriman opens her home at 825 Centre St., Newton. Dessert will be served at 1:30 p.m. There will be many door prizes and individual table prizes.

Mrs. Nelson R. Scott is chairman and Mrs. Lawrence Garvin is in charge of the tickets which will be on sale at Hubbard's Drug Store and are 75 cents plus tax.

Mrs. George W. Smith, Social chairman, and Mrs. Fred G. Howe, Jr., co-chairman of the day, were in charge of the social hour and tea which followed the meeting. Pourers at the attractive tea table were Mrs. Herbert J. Ham, Mrs. Alvin C. Cummings, Mrs. Edward R. Aldrich and Mrs. Jesse H. Baker.

Annual Dessert Bridge October 25th

Three Community Service Club of West Newton will hold its annual Dessert Bridge and Treasure Sale for the Club Benevolence Fund at the Neighborhood Club, Wednesday, Oct. 25th, at 1:30. Mrs. Harold Dixon is in charge.

There will be a duplicate bridge tournament in a separate room—those interested should enter by couples and get in touch with Mrs. Packard, Bigelow 1768.

Newton Women At Bank Conference

Mrs. Doris L. Green and Miss Ada M. Powell of the Newton Savings Bank and Miss Anne S. Walters, Mrs. Dorothy Gordon, Miss Jean L. Fletcher and Miss Betty B. B. of the Newton Savings Bank attended the Fall Conference of the Massachusetts Association of Savings Bank Women held October 7 and 8 at the New Ocean House in Swampscott. One of the speakers at the conference was Mr. Joseph E. Perry, President of the Newton Savings Bank.

Hospital Aid Ass'n Holds First Meeting

The directors of the Newton Hospital Aid Association, gathered at the nurses' home of the hospital for the first meeting of the new season. Mrs. Theron B. Walker, president, and Mrs. Charles B. Floyd, a past president, were hostesses, assisted by Mrs. Frank R. Clark and Mrs. William B. Baker as pourers at morning coffee. Miss Mabel McVickers, principal of the school of nursing, was the speaker of the morning. Preceded by reports of interest on association projects, the Benefit Shop which has served the Newtons and Welleleys for many years, the Coffee and Gift Shop which has just completed its first year.

In telling of the close of the summer's work in the Benefit Shop and the need for Fall articles Mrs. Francis F. Williams, chairman, listed calls for roller skates, bicycles, scooters, bedding, coats, shoes, a book-case, china cabinet, vases and decorative articles for window dressing. The Shop committee have sent several cartons of clothing for Russian and British relief. Things remaining in the shop, until, and for which there is no sale—to add a humorous touch to the report—are two large baskets of unmade shoes.

Mrs. Walter L. McGill, chairman of the Coffee Shop, said that 8,000 customers had been served in the restaurant part of the shop. The whole indebtedness for the expense of establishing the Shop has been returned to the Association treasury and there is additional profit on the books plus the inventory. The staff of paid workers has increased from three to eight, and over 100 volunteers serve each week as waitresses, soda jerkers, cooks, cashiers and salesmen in the gift shop.

Miss McVickers said the nurses are always most appreciative of the Association does for them and for the hospital. She told of the activities of the various nurses who have received the graduate fellowships presented each by the aid association. Over 100 graduates of the nursing school are in the service.

Mrs. Edward J. Prida, a member of the purchasing committee, in the absence of the chairman Mrs. F. Marsena Butts, told of the completion of the furnishing of the reception room for the obstetrical department. The room is a welcome addition to the facilities of the hospital.

Mrs. Edward J. Sawyer, chairman of the Gift Shop, had a most attractive display of articles which are on sale in the gift shop, and have an especial appeal for Christmas shoppers.

From where I sit... by Joe Marsh

A Stranger gets a lesson

Stranger spoke to me on a train the other day. "You're Joe Marsh, aren't you? Fellow that writes for the papers?" When I allowed as how I was, he said, "I thought I recognized you from your picture!"

"Well," he continued, "I read your pieces. But once in a while I get the idea you're tryin' to sell beer, and that makes me mad as a hornet." He pointed a skinny finger in my face. "Are you or aren't you?"

"Stranger," I said, "I'm glad you asked me that, and I'm glad to answer you. Fact is, I'm glad to put my answer in the paper for folks to see."

"Mister," I told him; "I don't care a tinker's hooch if you never take a sip of beer!"

"I am interested in your right, as an American, to have one if you want one." And there's a powerful lot of difference.

From where I sit, Voltaire put his finger on it. He said: "I disagree with everything you say. But I'll defend the death you're right to say it!"

Volunteers Needed In Newtonville Red Cross Workroom

An urgent call for volunteers for the Newtonville Red Cross sewing workroom has been made by Mrs. George N. Merritt, chairman. This sewing unit meets in St. John's Church on Lowell avenue on Wednesdays, from 9:30 to 4:00, and it is hoped that additional volunteers can be recruited to help in this vital war work.

Newton District Nursing Assn.

The budget for the ensuing year which was ably and clearly presented by Mrs. Harry Guterman, was the subject under discussion at the first meeting of the Newton District Nursing Association, held at the Clafin School in Newtonville.

Miss Elizabeth Porter, general supervisor, gave a resume of the summer's work. This was far heavier than that of the preceding year and shows the ever-increasing need for and appreciation of the organization. The program presented a new plan for the monthly board meetings. Each of the different committees will have charge of one meeting and will present a program connected with its particular field of work.

By the end of the year, this should give a fairly comprehensive picture of the services which the District Nursing Association renders the community.

Officers of the association are: Mrs. John F. Brown, president; Mrs. Horatio Rogers, first vice president; Mrs. Stanwood G. Bradley, second vice president; Mrs. Matt B. Jones Jr., treasurer; Stanley Anderson, assistant treasurer, and Mrs. Sheldon D. Dunlop, secretary.

Newtown Girls In Fashion Revue

Muriel Williams Hart, Marjorie and Jane Monahan of Newton are participating in the two-day benefit Fall Fashion Revue on Thursday and Friday afternoons, Oct. 19, 20, at the American Theatre Wing Stage Door Canteen of Boston.

The direction of the Revue is under Dean Mildred Albert of the Academic Moderne, Inc., from which the mannequins were graduated.

The models are appearing on the same entertainment program with the two stars, who are now in Boston, Helen Hayes and Diana Barrymore.

Miss Patricia DiSimone and Miss Adeline Montour, volunteer workers at the Stage Door Canteen, will assist with refreshments at the Thursday afternoon performance.

Mather Class Forum

The first meeting of the Mather Class Forum will be held in the First Baptist Church, Newton Centre on November 5, at 9:45 a.m.

The first Round Table will be held at the home of Mr. William L. Snow, 1016 Centre street, Newton Centre on November 12, at 6 p.m.

Dietitian's Aides To Be Trained At Newton Hospital

A course for Dietitian's Aides is being organized to begin Monday, November 6th, at 10 a.m. at the Newton Red Cross Chapter House, 21 Foster street, Newtonville. This additional group of Aides are being trained by Red Cross at the request of Mr. Gerald Hartman, Director of the Newton Hospital, who points to the fact that the dietary staff at the hospital has been greatly reduced by the demands of war, and must be supplemented by additional volunteer assistance.

The Dietitian's Aides course of 26 hours is open to anyone who has completed the Red Cross Standard Nutrition course. The course includes instruction in diets, tray service, food charts, hospital ethics, and practical work in the preparation of food at the hospital.

"For nearly two years, this corps has been functioning behind the scenes at the hospital," says Mrs. W. Frank Lowell, Dietitian's Aides Chairman for Newton Red Cross. "A patient's tray must be attractively served and diets followed carefully, all of which requires the assistance of many pairs of trained hands. If you have three hours to spare weekly, won't you join us?"

Enrollment in this new training course can be made by telephoning Mrs. Lowell at Bigelow 3852.

Enrollment Open For Red Cross First Aid Class

There is still an opportunity to enroll in the Standard First Aid class which started on the 17th of October. It has been announced by Mrs. Clifford O. Mooney, chairman of the First Aid Committee, for Newton Red Cross.

The class is being held on Tuesday evenings at 7:30 at the Chapter House, 21 Foster street, Newtonville. Enrollment can be made by phoning Lassell 6000, or by coming to the next meeting of the group.

Nov. 1 Closing Date For Campbell Series

No subscriptions will be sold after November 1st to the Campbell Series of Concerts to be held at the Fessenden School Gymnasium in West Newton.

The Hallelujah Negro Quartet will be heard on November 15th, and offer a selection from Bach to spirituals. They have had great success throughout the country, and their soloist, the Marjorie Anderson Scholarship.

On December 13th, Henry Scott will entertain with a program of great variety. Besides being an accomplished pianist, he introduces humour with his "concert saloons." The Boston Salon Orchestra (12 members) will give a popular concert on January 17th, under the direction of Samuel Seiner.

Tickets for the series may be purchased from Dorothy S. Campbell, 390 Waltham street, West Newton.

CITY OF NEWTON
FORESTRY DIVISION
Street Dept.

Notice To Property Owners.
You are hereby required on or before November 30th, 1944, to destroy the gypsy and brown-tail moths on your property in this City.

This notification is in accordance with Chapter 132, General Laws, Section 18, and the amendments hereto, which require cities and towns to destroy the eggs, caterpillars, pupae and nests of the gypsy and brown-tail moths under heavy penalty for failure to comply with the provisions of the laws.

If a property owner fails to destroy such eggs, pupae and nests, then the city or town is required to destroy the same, and the cost of the work in whole or in part, according to the value of the land, is assessed upon and becomes a lien on the land. (See Section 18, of said Chapter 132, and amendments hereto.)

The City Will Perform All Winter Moth Work Unless Otherwise Notified by Property Owners.

Full instructions as to the best methods of work against the moths may be obtained from the Forestry Division, City Hall, or from the State Forester, State House, Boston, Mass.

Work done by contractors should be inspected and approved by the Local Superintendent before payment for same is made.

JOHN D. TAUGHEY,
Supt. of Moth Suppression.

Reception To New
Pastor, Rev. Clarke

The Women's Association of the North Congregational Church held an informal reception on Wednesday evening, October 18, in honor of their new minister and his family. The Rev. Arthur Byron Clarke, who for the past eighteen years has been minister of the Rockdale and Centre Congregational Churches of Northbridge, Mass., assumed the pastorate of the Church on September 17.

Mr. Clarke is a native of South Kingstown, Rhode Island. He was graduated from the New England School of Theology in Boston in 1919 and from Andover Newton Theological School in 1924, and received his B. D. degree in 1931. He has been licensed to preach since 1917 and was ordained in 1920.

He held pastorates in North Scituate, Rhode Island, Lowell, and Mendon, Mass., before he went to the Northbridge parish. During the summer he was preacher at the Centerville and West Barnstable Congregational Churches.

Mrs. Clarke is the former Winifred Ayres of Boston. They have five children. Their daughter Ruth, is in the WAVES. Their other children are Mrs. Cleveland R. Reynolds (Pauline Clarke) of Whitinsville, Arthur Jr., who is in his second year at Junior High School, Robert in the 3rd year at elementary school and David who is of pre-school age.

Mrs. Willard Frye, Mrs. Edwin O. Childs, assisted by Mr. William Lowry, were in charge of the arrangements.

Officers and Directors
Of C. of C. Will be
Elected October 25

The annual meeting and dinner of the Newton Chamber of Commerce will be held at the Newton Centre Women's Club Wednesday evening, October 25. Dinner will be at 6:30 o'clock. Officers and directors for the year 1944-1945 will be elected.

Roy Edwards will outline in greater detail a proposed health and community center project for the post-war period, presented by him to the board of directors at their March meeting. Such a project, concerning as it would all citizens, should be fully and freely discussed from every angle as to what it would accomplish for the entire city, the many groups and organizations affected, and the financial burden the city government would be called upon to assume.

The following members have been nominated for membership on the board of directors of the chamber to be voted upon at the annual meeting. For the three year term, nominated for directors:

David A. Buxbaum, S. Buxbaum Co., Newton Centre.

William M. Cahill, Newton Trust Co., Newton Centre.

Thomas W. Cleveland, real estate, Newton Corner.

Church of Messiah
Cornerstone Laying

Rev. Henry Knox Sherrill, Bishop of Massachusetts headed a group of clergymen who participated in the re-laying of the cornerstone of the Church of the Messiah, Auburndale on Sunday afternoon at four o'clock.

The ceremonies opened with the Processional Hymn following which Rev. Richard P. McClintock, rector, placed within the stone a newspaper, an "A" gasoline ration coupon, a silver and a copper penny; papers which had been placed in the stone in 1892; pictures of the old edifice and photographs of Bishop Sherrill and himself.

Words of greeting were given by Bishop Sherrill who also gave Benediction. The church choir sang the hymn "Auburndale" and the ceremonies closed with the Recessional Hymn.

Taking part in the ceremonies were Rev. Roger W. Bennett of St. Mary's Church, Newton Lower Falls; Rev. James DeWolf Perry of St. John's Church, Newtonville; Rev. Richard A. Cartmel of St. Paul's Church, Newton Highlands; Rev. H. Robert Smith of Grace Church, Newton; Rev. Ralph H. Rogers of the Auburndale Congregational Church; Rev. Frederic M. Morris of Trinity Church, Newton Centre; Rev. Stanley Ellis of the Church of the Good Shepherd, Waban; Rev. Stephen Galtender of the Centenary Methodist Church, Auburndale; Rev. Harry H. Hough of the Newton First Church; Rev. George O. Ekwall of Christ Church, Waltham; Rev. Cornelius P. Trowbridge of the Church of the Redeemer, Chestnut Hill; and Rev. Philemon F. Sturges, Jr., of St. Andrew's Church, Wellesley.

The new building which is being erected at a cost of \$90,000 will replace the one destroyed by fire last November. The architects are Charles Collins and Carl Beckenroth, the builder, W. H. Porter Co., of Watertown.

Rev. Richard P. McClintock is chairman of the building committee which includes Basil F. Hawkins, Maurice E. Mosher, Leonard D. MacNutt, Albert E. Everett, Edward T. Edmand and Philip R. Bridgman.

15th Army Force—2nd Lt. Franklin H. Nichols, Jr., 29, son of Mr. and Mrs. Franklin H. Nichols, 33 Chestnut Hill road, Chestnut Hill, Mass., has been awarded the first Bronze Oak Leaf Cluster to the Air Medal, it was announced by 15th Army Air Force Headquarters.

In the words of the citation, Lt. Nichols was awarded the Cluster "for meritorious achievement in aerial flight while participating in sustained operational activities against the enemy." A first pilot, Nichols is stationed in Italy with a Liberator bombardment group, which has struck at strategic enemy targets from France to the Black Sea, with more than 120 bombing assaults.

A graduate of the Noble and Greenough School, Lt. Nichols attended Princeton University, Princeton, N. J. He entered the service April 6, 1943, and received his wings and commission Jan. 7, 1944.

In The Service

GROUP OF AMERICAN SOLDIERS who took part in an Anglo-American Sports meeting at Loughborough, Leicestershire, England, on Saturday, September 9. Included in the competitors was one boy from Newton, No. 12, Pvt. R. Hunting, 205 Mill street, third from left, back row.

Anglo-Americans
In Sports Meeting

Over 3,000 spectators were present at the spacious Loughborough College Stadium, on Saturday, September 9, when athletes from the United States Army and the three British Services met in an Anglo-American Forces sports meeting. It was one of the biggest Services athletic meetings ever held in the Midlands, and was attended by the Mayor and Mayoress of Loughborough (Coun. and Mrs. G. Hill), the Chief Constable of Leicestershire (Capt. C. E. Lynch-Blosse) and many high ranking officers of all the Services.

The program opened with an impressive parade of the athletes, led by an American Army band, round the 440 yard track of the stadium. Each team was preceded by the captain carrying their respective flags, which they presented to the mayor on the pavilion steps. The crowd then stood to attention while the band played the national anthems of the two Allied Nations, the "Star Spangled Banner" and "God Save The King."

The "high spot" of an elaborate program was a four-cornered contest between the U. S. Army, Royal Naval Air Service, British Army and R. A. F.

15TH ARMY AIR FORCE IN ITALY—Charles V. Earley, 20, of 115 Aspen avenue, Auburndale, Mass., pilot of a B-24 Liberator Bomber, operating from Italy, has been promoted to the rank of First Lieutenant and has also been awarded the Air Medal according to an announcement by the 15th Air Force.

In the words of the citation, the award was made, "for meritorious achievement in aerial flight while participating in sustained operational activities against the enemy." A first pilot, Nichols is stationed in Italy with a Liberator bombardment group, which has struck at strategic enemy targets from France to the Black Sea, with more than 120 bombing assaults.

15TH AAF IN ITALY—Edward F. Jenson, 11 Jepson street, W. Newton, Mass., waist gunner on a B-24 Liberator bomber, has been promoted to the rank of staff sergeant at his base in Italy.

Since his arrival overseas, Sergeant Jenson has participated in ten combat missions in the Mediterranean theater over enemy territory. He flew his first bombing mission on August 3, 1944, against enemy installations at Friedrichshafen, Germany.

He has been previously awarded the Air Medal "for meritorious achievement in aerial flight while participating in sustained operational activities against the enemy."

Sergeant Jenson, a graduate of Newton High School, enlisted in the Army Air Force on Sept. 23, 1943. He received his gunnery training at Laredo, Texas, and graduated with his wings in March, 1944.

Joseph E. Faraca Jr., 17, son of Mr. and Mrs. Joseph E. Faraca of 56 Elm street, West Newton, will be graduated on Friday with the rank of warrant officer from the U. S. Maritime Service Academy, Gallup's Island, radio engineering course.

Faraca entered the Maritime Service on his 17th birthday when he was a junior at St. Mary's High School, Waltham, where he was on the football team. He received his basic training at Sheepshead Bay, N. Y., and was recommended for advanced specialized training.

He also holds a second class radio engineer's license.

15TH AAF IN ITALY—Robert L. Haverly, 19, son of Mr. and Mrs. Joseph P. Haverly of 111 Tolman street, West Newton, a gunner on a B-24 Liberator, has been promoted to the rank of sergeant. Sgt. Haverly is a graduate of the Newton High School, class of 1943. Since arriving in Italy he has participated in bombing attacks over Germany, Austria, Hungary, France and Northern Italy.

Captain Edward L. Saxe, son of Mr. and Mrs. William W. Saxe of 21 Ivanhoe street, Newton, has been promoted to the rank of major in the U. S. Army. Major Saxe who is 28, is a graduate of Harvard College and of the Harvard School of Business Administration.

War Fund

(Continued from Page 1)

The Metropolitan office in the Fund. Mr. Laughlin spoke briefly of the 267 Red Feather Services which make up the Community Fund and of the 22 agencies of the National War Fund which are our war-time partners. He spoke glowingly of the work that the USO is doing, particularly in providing camp shows and talent to help keep up the spirit of the men and women on the battle fronts and in the camps. He told of the unusual services rendered war prisoners through the assistance of the Red Cross and mentioned the increasing needs in the war-torn countries as the fighting lines get nearer Germany. Mr. Laughlin's presentation was extremely well liked and he received the commendation of all for his splendid comments.

Thomas E. Shirley, Newton Chairman, in addition to explaining the Newton Red Feather Services, urged the Advance Gifts Division to lead the way this year and be the first division to reach its goal. He pointed out that the Campaign in Newton had been shortened to two weeks and unless the Advance Gifts Division had its job well done before the Residential Division opening on October 20, it was possible that the whole campaign might lag, particularly on Halloween, Election Day, and Armistice Day all fall within the campaign period. With Advance Gifts reaching their goal by October 28, inspiration would be furnished to the other divisions to get their jobs done in time.

Neil Leonard, as principal speaker of the evening, presented figures showing that the Advance Gifts Division, in the last year or two, was not raising amounts equal to those raised a few years back and urged the workers in this Division to lead the way to more impressive results by increasing the scope of the Division to take in a large number of prospects. Mr. Leonard stated that the Advance Gifts group is made up of special personnel whose primary purpose should be to call on those prospects who perhaps might not know the Fund well and who, if they did, might be able to increase their gifts. He pointed out that the place of the large givers who passed on or moved away must be taken by those people of means who are doubtless willing to give if they know the good the Fund does.

Those sitting at the head table were Mr. and Mrs. Daniel E. Watson, Mr. and Mrs. Neil Leonard, Mr. and Mrs. Henry A. Laughlin, Mr. and Mrs. Thomas E. Shirley, Clark E. Woodward, President of the Chest, and Mrs. Woodward, Mayor Paul M. Goddard and Mrs. Goddard, and Reverend Ralph H. Rogers, who opened the meeting with the invocation. It was agreed by all present that the meeting was one of the best Advance Gifts meetings ever held and that the Campaign was off to a good start.

Newton Kiwanis Club

The Newton Kiwanis Club was honored at its meeting last Tuesday by the presence of George VanBuskirk, home on furlough from Camp Crowder, Missouri. George was handed the gavel by acting president Walter Hood and presided during part of the meeting. He told about his experiences in the army and something of his future hopes and plans. He is home for a two week leave and his many friends will be glad to welcome him.

Jack Janse reported progress in connection with the scheduling of a date for Ladies' Night. Frank Battles announced that next week's speaker will be Dr. John L. Dougherty, who is connected with Saint Elizabeth Hospital. He then introduced Mr. Anthony DiCicco, assistant district attorney of Middlesex County, who spoke to the club on his experiences in public office and told some interesting things in connection with his work. The district attorney, he said, is simply a lawyer with a title. He pointed out that Middlesex County is the largest in the state in the matter of population, as it includes one million people within its boundaries. He spoke about some crimes as being common to the country areas, while others are common to the cities.

People, he said, do strange and unexplainable things. He told about several cases which had proved to be highlights in his experience. In connection with the activities of certain gambling outfits he told of the conviction of a business of three million dollars annually, whose activities were broken up by the district attorney's office. His office handles twenty-five cases a year and he indicated that after the war he expects a sizeable increase in the number of cases requiring the attention of the district attorney.

Red Cross To Hold
Annual Meeting

The annual meeting of the Newton Chapter of the American Red Cross will be held on Wednesday evening, October 25, at 8 o'clock, in Memorial Hall of the Newton City Hall. In addition to the election of officers, an amendment to the by-laws will be presented which calls for the enlargement of the Board of Directors to 40 members so that the chairman of new Corps and Committees may be included. The program will include brief reports of the Chapter activities for the past year, and one of the most recent War Department films which shows our Army and Navy in action on many of the battlefronts. Refreshments will be served by the Canteen Corps.

Mr. Charles Raymond Cabot, Chapter Chairman, in speaking for Executive Committees, wished to invite not only the many volunteers who have given their time so willingly to Chapter work, but also the loyal citizens of Newton who have supported Red Cross activities so wholeheartedly.

Plan Auburndale
Hallowe'en Parties

Mr. Frederick H. Woodward of Auburndale, Co-ordinator of Hallowe'en Parties for Auburndale, announces that four parties will be held on Oct. 31st, the witches day. The Kindergarten party will be held at the Auburndale Congregational Church under the direction of Mrs. Herbert Bosworth, and parties will be held at the Burr School under leadership of Mrs. Theodore Burk and Mrs. Wendell Hutchinson, at the William W. Winfield Clark and Mr. Dennis Cronin. The Junior High party will be held at The Auburndale Community Club under the leadership of Mr. & Mrs. F. K. Hoyt. These annual parties are made possible through the Chamber of Commerce donations of refreshments, the Recreation Dept. of Newton, the Auburndale Club who loans facility of its Club House, the Congregation Church, and the parents of the children who continue to lend their support and time.

President of the Italian Woman's Club; Sara Tornaboe, President of the Parent Teachers Association; Alderman Joseph Jamieson; Philip O. Ahlin, Public Relations Director; Street Commissioner John D. Hays; Park Commissioner F. E. Wilson; J. Edward Theriault, Commander Newton Post 48, American Legion; and Charles L. Pollock, commander of the Newton Veterans of Foreign Wars. Miss Irene Sersoli, of Thompsonville, will sing the national anthem.

Two years ago the park was a spot where scrap metal was accumulated. The children of the Thompsonville district collected nearly 75 tons of metal which was turned over to the city and sold, the proceeds given to the Citizens Committee for Service to Newton Servicemen, and used to purchase kits for departing selectees.

At the time the city cleaned the plot of scrap metal, residents and business men in the community conceived the idea of converting it into a beauty spot as a memorial to men and women serving their country in World War II. The Thompsonville Service Men's Committee was formed to develop the plan and selected as chairman John J. Delmonte, Arthur Cohen was chosen secretary and John Amicangoli treasurer.

The committee called on Mayor Goddard and the Board of Aldermen and after explaining the project to them, obtained an appropriation for improvements to the plot. The committee agreed to erect an honor roll and a 250 foot flag pole from which will be flown the stars and stripes and a service flag. The flags and decorations were donated by John M. Walker of the Home Specialties Company, who is chairman of the Committee on Decorations, and ample funds for completing the project were collected from business men in the Thompsonville Community.

At the ceremonies on Sunday, the park will be formally turned over to the City by John J. Delmonte.

Plan Barn Dance
At Saint Mary's

On the evening of Saturday, October 21st, there will be an old fashioned barn dance held in the Parish Hall of Saint Mary's Episcopal Church on Concord street in Newton Lower Falls. There is going to be an orchestra which specializes in music for square and regular dances, with a "caller," etc.

The time is eight o'clock and the Parish Hall is easily reached by bus. Take the Framingham bus from any connection on Washington street and get off at "the Falls".

There will be servicemen as guests from a Boston Service Men's Club and everyone is invited to come and help entertain the men. Tickets may be purchased at the door or reservations may be made by calling Mrs. Thompson at DEC 0406.

Newton Rotary Club

Mark Twain's classic remark to the effect that everybody talks a lot about the weather and no one does anything about it must have hit E. B. Rideout, WEEL Meteorologist, across the grain. In speaking before the Newton Rotary Club at the Barn Dance, Rideout said that as a very young boy he had been interested in the weather and read and studied all he could about it. During World War I he served in the United States Weather Bureau and received invaluable training.

The speaker, who was introduced by Harold Cores, described the causes of the two New England Hurricanes. That he was an expert in his field was demonstrated by the fact that the speaker could describe the counter-clockwise motion of high winds rushing to low pressure areas without once making his hands follow in a circular motion. The recent storm which hit the coast as a tropical storm of 150 miles per hour on Easterly or ocean edge of the vortex. In the question period which followed, Mr. Rideout was not sure whether or not there would be another storm of this type. He mentioned that he had said in 1938 there would not be another for 100 years and in light of that prediction, he said he could not be sure.

Fire Chief John Keating was a guest at the luncheon, as was Dr. Houghton, the Newton High School representative for the next two weeks. Members Al Waugh and Charles Hilliard were welcomed back to the Club after long illness. Joe Perry formerly with the Boston Rotary Club was received into membership in the Newton Club and John Cahill former member, was restored to active status.

Hallowe'en

(Continued from Page 1)

Drowne, Mr. Frank Rees, Mr. A. Carlton Warren and Mr. John R. Forsythe; Newton Upper Falls, Mr. Joseph Randall and Mr. Ernest McLaughlin; Oak Hill, Mrs. Elmer Bartels; Newton Centre, Mr. Howard Downs, Mr. and Mrs. Garfield Drew, Mr. and Mrs. William Dunklee, Mrs. Jules Baer and Mr. Carl Peterson; Nonantum, Mr. George Bradley, Rev. Russell T. Hubbard and Rev. Joseph E. Robichaud; Newton, Mr. Guy S. Baker, Mr. and Mrs. Ralph Angier, Mr. George Shannon and Mrs. Arnold Barker; Newton Lower Falls, Mrs. Arthur C. Gernes; Thompsonville, Mrs. Sheila Parker and Miss Helen B. Anderson. Also working closely with Mr. Terkelsen and his many committees are the Newton School and Recreation Departments, as a whole; and freely cooperating are Mayor Paul M. Goddard, the Newton Board of Aldermen, the Newton Chamber of Commerce, the Newton Police and Fire Departments, the Parent-Teacher Association, the Red Cross, the City Clerk's Department, Civic Clubs, the American Legion, the Catholic, Protestant and Jewish clergy, and newspapers.

This is Newton's fourth successive municipal Neighborhood Hallowe'en celebration and the success of these events has been so marked that last year more than many other communities asked Newton for information which would assist them in planning similar events.

When asked to explain the outstanding success of Newton's Hallowe'en gatherings, Mrs. Ragna Hoogstraal of the Recreation Department, and an indefatigable worker for the plan since its inception four years ago, said: "The answer is that we are working on a solid foundation, carefully framing our programs according to age levels, making the children participants instead of merely spectators at cut-and-dried entertainments and, of vital importance, being favored with the enthusiastic cooperation of more than 1400 loyal men and women who, in spite of the demands of many wartime activities, are unselfishly giving their time and ability. Without their help, and the willing financial aid offered by local merchants, manufacturers and individuals, these parties could not exist."

In a word, the Newton Neighborhood Hallowe'en parties are an expression of Newton's virile community spirit and evidence that its citizens are keenly alive to the fact that in these lax times it is paramount that we elders impress on children their love of them and our interest in them and their welfare. Taking a leaf from England's book during this fight for existence, we believe this community project will go far to level up and level down. Of all the conditions needing national and local solution, those in the forefront are enlistment of cooperation, unification of effort and mutual understanding. Axis enemies are subtly stressing our inability to attain these ideals and are creating unrest where they may. We feel confident that here in Newton, at least in some measure, we are offsetting this mischievous propaganda by getting together, wholeheartedly and with a singleness of purpose, to afford children a wholesome, intelligent, thoroughly pleasant and decent enjoyment on Hallowe'en."

Resolution On Death
Of Chief Hughes

The following resolution on the death of the late Chief of Police Michael T. Hughes, drawn up by a committee consisting of Aldermen John E. Barwise, chairman; Henderson Inches and George A. Bacon, was adopted by the Newton Board of Aldermen at their recent meeting.

"Whereas, it is fitting that we pause for a moment in respectful memory of Michael T. Hughes, conscientious and faithful in his service to the Police Department, City of Newton, for a period of 38 years, the last 15 years as chief of the department.

"He will long be remembered for his friendly, humane and cooperative spirit in the work which he performed with such outstanding success.

"In his passing every member of this board has lost a true friend. We sincerely regret his untimely death.

"It is therefore resolved that this memorial be spread upon the records of the Board of Aldermen and that a copy be sent to his family, with the sincere sympathies of every member of the Board of Aldermen."

F. A. Day Junior
High School Plans
Hallowe'en Party

On Monday evening the joint committee of parents and pupils, in planning the Hallowe'en party to be held at the F. A. Day Junior High School on the evening of Tuesday, Oct. 31st, met to make final plans. The entertainment will be an evening of dancing to music of a Baron Hugo orchestra, which is enough to guarantee an enjoyable time for all.

The following pupils are serving as the Student Committee: Catherine Tempesta, Katherine M. Manus, Helen Peterson, Jerry Quinn, Kenneth McKusick, Richard Gray, Carol Nesdon, Jane Martin and Robert Gifford.

Representing the Parents and Teachers are the following: General Chairman, Mrs. Walter N. Keene, Co-Chairman, Allen Duff; Sec.-Treas., Mrs. Ralph W. Leach; Master of Ceremonies, Alderman W. Read; Refreshments, Mrs. Thomas Dargan and Mrs. O. P. Hedley; First Aid, Dennis Shea; Publicity, Mrs. Russell W. Hand, Walter H. Sears; Prizes, Miss Katherine Dargan, Mrs. Walter H. Sears; Tickets and Door, Mr. and Mrs. Edwin F. Brown; Patronesses, Mrs. W. N. Keene and Mrs. R. W. Leach.

Admission tickets for the party are being sold to the pupils at a very nominal price and contributions of party favors are being solicited to help defray the expenses connected with the party. Parents are cordially invited to attend this party.

This affair is a part of the city wide plan for Hallowe'en entertainment sponsored jointly by the Newton City Recreation Department and other agencies throughout the city.

Oak Hill District Imp.
Association, Inc.

The semi-annual meeting of the Oak Hill District Improvement Association will be held at the Oak Hill School on Monday evening, October 23, at 8 o'clock. Members are invited to present at this meeting for consideration any matters that properly should come before the association.

The "Higgins Night" committee will address the gathering. His subject will be "Progress in Oak Hill."

Special Agent Lawrence G. Healey of the Federal Bureau of Investigation will be the guest speaker. His talk will describe the work of this important agency of the United States Department of Justice, supplemented by a sound film entitled "Men of the F.B.I."

The names of the men selected as a nominating committee for the selection of candidates for office to be elected at the Annual meeting next April will be announced. A social half hour will follow the meeting, and light refreshments will be served.

4 Hallowe'en Parties
in The Highlands

Churchill, assisting all committees to plan the finest Hallowe'en evening ever held in the Highlands for its children.

Com. Theriault To Be
Installed Tonight

The new officers of the Newton Post, American Legion, headed by Commander-elect J. Edward Theriault, will be installed this evening at the War Memorial Building, Newton Centre.

County Commander Timothy Mahoney, installing officer, will be assisted by the Newton Legion Guard, under the direction of Lieut. Ernest Carver. Past Commander Henry D. Corns will be master of ceremonies.

Plans will be completed for the observance of Armistice Day. Members will attend the annual service at Our Lady's Church, Newton, at 10 a.m., Sunday, Nov. 5, meeting at the corner of Adams and Waterfront streets at 9:45 a.m. The Memorial service will be held in the War Memorial Hall of Flagg at 10:30 a.m., on Nov. 11, when Past Commander C. Raymond Cabot will be the speaker.

New members of the Post include Philip Bernstein, Walter C. Harvey, Samuel J. Patriacca, Arthur Homsey, Sidney Baylor, James P. McKenna, Joseph K. Wright, Ernest Layou, Harold D. Morse, George R. Marshall, Kurt A. Westerman, Frances D. Merrill, Richard T. Hart, Joseph F. Guzzi and Claire Heald Macfarland.

Newton B.P.O.E.

At the meeting of Newton Lodge of Elks on Thursday night, plans were announced for a "Higgins Night" to be held on Thursday evening, November 9.

Exalted Ruler John J. Keefe conducted the business meeting, which was followed by a luncheon served under the direction of James Burns, chairman of the House committee. It was reported that Willard Sampson, Daniel Barnacle and Albert F. Stuart are all ill at the Newton Hospital.

Horace Belisse, chairman of the inter-lodge tournament team, reported that plans have been completed to start the games to be held on Tuesday evenings, and resigned as chairman. William A. Sproat was appointed in his place. Wallace Macpherson showed plans for the new stations and it was voted to purchase them. Christopher A. Sciarappa was accepted to membership and George Hennrikus and John V. Cavanaugh were reinstated. The proposed amendment, legalizing a Past Exalted Rulers' Association, was rejected.

The following committee was appointed to plan improvements to the Elks property: Walter Kearns, Nicholas Vedeucio, Edwin O. Childs, John Connors, John Guthrie and Edward J. Thornton. The "Higgins Night" committee comprises Thomas L. Ryan, chairman; D. William Kearns, treasurer; Bernard T. Haffey, Edwin O. Childs and Wallace Macpherson.

Coast Guard Program
At Newton YMCA

Boatswain's Mate First Class Richard Hendry of Quincy will tell of his experiences during the invasion of Saipan as a feature of the official U. S. Coast Guard program to be presented at 7:30, Tuesday, Oct. 24, at a joint meeting of the boys' clubs of the Newton YMCA and their guests, according to the announcement of Mr. Clarence Mease, Executive Secretary of the "Y" and Mr. Samuel Johnson, director of the clubs.

Hendry, who has been a Coast Guardsman for three years, was assigned to patrol duty along the entire East Coast from Eastport, Maine, to Balboa, Panama, before being transferred to the Pacific theater aboard an assault transport. As a ranking petty officer aboard his ship, he was placed in charge of the beach party at Saipan and directed the landing of men and supplies from the transport.

Hendry's experiences will be illustrated vividly by the official Coast Guard film, "Task Force," which shows the operations of a Coast Guard and Navy task force from the time when it leaves an unidentified port in this country until an invasion beachhead has been established. "Always Ready," a training film for "boats," portrays events from the history of the Coast Guard, describes some of the peacetime duties of the service, and shows scenes of the U. S. Coast Guard Academy at New London, Conn.

The U. S. Coast Guard has recently opened its ranks to accept as apprentice seamen men of at least one year of high school and who are in good physical condition. Apprentice seamen receive three months of basic training at the Manhattan Beach Training Station, and, upon being assigned to active duty stations, may qualify for specialized training at one of the many Coast Guard specialist schools, such as those for radar-men, radio technicians, signalmen, sourmen, and gunners' mates. Complete information about training and requirements of the service may be obtained from the U. S. Coast Guard Recruiting Office, 29 India street, Boston.

Navy Films To Be
Shown at Men's Club

The West Newton Men's Club will hold a dinner meeting in the First Unitarian Parish House, West Newton this evening at 6:30. This marks the beginning of the 39th year of the club.

Lt. W. M. Jennings, District Industrial Incentive officer for the Boston Naval Inspection District, will present official Navy moving pictures. The business meeting will be conducted by President Egon E. Kattwinkel.

Memorial Centre As Post War Project Urged At Meeting

At the annual meeting of the Newton Chamber of Commerce last Wednesday evening, Roy S. Edwards presented to the members a post war project which he has conceived, and which has created a great deal of interest. Edwards, who was a captain in the Canadian forces in the last war and has been a leader in movements in this city which tend to improve the morale of men and women in the service and maintain contact between them and their home city. He called attention to the need of a center which would serve all Newton villages. He pointed out that the Newton War Memorial building is a fine memorial to the war dead. The new center which he proposed, would be a memorial to the living veterans of the present war and of all wars. At the close of the last war there were about 2500 returned veterans. It is expected that there will be about 9000 veterans who will return.

Memorial Park and Honor Roll Dedicated

An honor roll for 187 Thompsonville servicemen and women was unveiled Sunday at the Thompsonville Memorial Park, by Mrs. Secondina Silvestro, whose son, Domenic, made the supreme sacrifice at Anzio. A service flag and the American flag was raised on a 250-foot pole.

Mayor Paul M. Goddard led the list of guests, which included acting Chief of Police Nicholas Veddico; Fire Chief John L. Keating; Roy S. Edwards, chairman of the Citizens Committee for Service to Newton Servicemen; Rev. James T. Cotter, representing Archbishop-elect Richard J. Cushing; W. Northrup Morse, senior vice-commander of the Newton Post, American Legion; John Amicangoli, president of the Filippo Corsi Society; Eva Amicangoli, president of the Italian Women's Club; Sara Tornabene, president of the Parent-Teachers Association; Alderman Joseph B. Jamieson; and Charles L. Pollock, commander of the Sgt. Daley Post, V.F.W.

John J. Delmonte was master of ceremonies and formerly turned over the memorial park to the City of Newton. Delmonte is chairman of the Thompsonville Servicemen's Committee, of which Arthur Cohen is Secretary.

Cabot Re-Elected Red Cross Chairman

Mr. Charles Raymond Cabot was re-elected chairman of the Newton Chapter, American Red Cross, at the annual meeting held Wednesday evening, October 25th, in War Memorial Hall. At the same meeting, it was announced that Mr. Charles B. Floyd has been appointed chairman of the 1945 Red Cross War Fund committee for the Newton Chapter.

The program included an address of welcome by Mayor Paul M. Goddard, and the presentation to the members of the annual Committee and Corps Reports. The special feature of the evening was the showing of a War Department film, which included scenes of the Task Force 58 South Pacific battle and the invasion of Cherbourg in the Normandy campaign. Mr. Cabot said that he was eager to have the Red Cross members see the conditions under which our boys are fighting. He added that though no scenes of specific Red Cross activities were shown in this film, we can be assured that Red Cross is at the side of every man fighting with our armed forces.

An amendment to the by-laws was passed, increasing the Board of Directors to 45 members. This increase is made necessary because of the many new corps which have been working for the Chapter during the last year.

On display were arts and crafts exhibits made by the war casualties who are patients at the Cushing General Hospital. This work has been done under the direction of the Arts and Skills Corps of Red Cross chapters who are working at the hospital, including our Newton Corps. Also shown was

How Does the Fund Operate?

The Greater Boston United War Fund, like the Community Fund which administers it, is essentially a volunteer organization.

If this is your first Campaign you will notice that all your fellow workers, except for a small professional staff, are like yourself people who give their time and effort to the Campaign without compensation of any kind.

Once each year some 30,000 people from every walk of life, of every creed and of almost every nationality join together for the common purpose of raising through the efforts of the Campaign the minimum needs of 267 hospitals, health and social services in the 54 cities and towns of Greater Boston.

Throughout the year Budget Committees, made up of responsible citizens who serve without pay, review the budgets of our Red Feather service agencies in order to insure the greatest possible

Dr. Yarbrough and Rev. Mr. Foster To Be Installed

The Second Church in Newton, West Newton, has called an Ecclesiastical Council to meet on Wednesday afternoon, November 1, at 3:30 o'clock to consult and if deemed wise to proceed with the installation of Doctor Robert Clyde Yarbrough and Reverend Virgil E. Foster as Ministers and Teachers of the Church.

In the past year Doctor Yarbrough came to Second Church from a position on the Faculty of Andover Newton Seminary, and Reverend Mr. Foster was called from the Pilgrim Congregational Church in St. Louis, Missouri.

Doctor Yarbrough has taken degrees at Texas Christian University, Columbia University, The Divinity School at Yale University and the University of Iowa. Reverend Mr. Foster took degrees at Taylor College, The University of Chicago, and the Chicago Theological Seminary. Subsequently he has been Associate Minister in the Bryn Mawr Community Church in Chicago and the Pilgrim Congregational Church in St. Louis.

The Ecclesiastical council will consist of representatives from the churches of the Suffolk West Association of Congregational Christian Churches. A number of local and national church leaders and the members of the Newton Ministers' Association are Honorary Members. The Council will be convened by Mr. Carl E. Pickhardt, the Moderator of The Second Church in Newton. A dinner has been arranged for the guests of the church following the deliberations of the council. The following speakers will be introduced by Mr. Pickhardt at the dinner: Dr. Everett C. Herrick, President of the Andover Newton Seminary, Reverend Randolph Merrill, President of the Newton Ministers' Association, Mr. Delos Haines of the

With the Opening Dinner of the Newton Community Chest Campaign at the Newton High School next Monday night, October 30, at 6:30 p.m., the 1945 Greater Boston United War Fund drive gets under way in Newton.

More than 2500 Newton citizens are enrolled and these volunteers are already planning to make their calls before the end of the week and to complete their work over the following week-end. The dates of the campaign are shorter than usual, starting October 30 and closing November 14. The second week of the campaign will be devoted largely to following up those not reached in the first week.

Newton's share of the Greater Boston goal is \$308,000. The slogan for the campaign is "Show That You Care - Give." Newton has adopted as its slogan "Let's Show WE Care."

At the Opening Dinner there will be approximately 1200 citizens of Newton who make up the volunteer group which will call upon every resident and businessman of our City to give each an opportunity to make a contribution through the United War Fund to 17 local health and social agencies, 250 Greater Boston agencies, and the National War Fund which includes the USO, United Seaman's Service, War Prisoners Aid, and 19 foreign relief groups.

Dr. James Gordon Gilkey of Springfield will be the principal speaker at the dinner and has selected as his subject "The Meaning of America." Dr. Gilkey is well known in Greater Boston and is a popular and gifted speaker.

Thomas E. Shirley, Newton Campaign Chairman, will preside at the meeting and will introduce Henry A. Laughlin, Greater Boston Chairman; Clark E. Woodward, President of the Newton Community Chest; and Lawrence B. Damon, Chairman of the Residential Division, who will extend greetings and discuss the campaign briefly. The Reverend Joseph C. MacDonald will give the invocation, and Mayor Paul M. Goddard will present a proclamation.

Music during the evening will be furnished by a sixteen-piece orchestra from the United States Coast Guard First Naval District with James Joyce, Seaman First Class, as soloist. Boy and Girl Scouts will assist as ushers.

Sitting at the head table will be Clark E. Woodward, President of the Chest; Thomas E. Shirley, Newton Campaign Chairman; Dr. James Gilkey, principal speaker; Henry A. Laughlin, Greater Boston Chairman; Harry M. Carey, Executive Director of the Greater Boston Community Fund; Nicholas W. Danforth, Chairman of the Greater Boston Metropolitan Division; Harold S. Fuller, Greater Boston Metropolitan past Chairman; Mayor Paul M. Goddard; Roger Preston and Harold Goldberg, Campaign Vice-Chairmen; Lawrence B. Damon, Residential Chairman; Laurence K. Marshall, Manufacturing Chairman; Mrs. L. Sumner Pruyne, Mercantile Chairman; Mrs. Horace W. Cole, Women's Service Chairman; Herbert W. Kestle, Campaign Auditor; A. Leslie Harwood, Jr., Maynard Hutchinson, William V. M. Fawcett, Neil Leonard, and Charles B. Floyd, Past Newton Campaign Chairmen; Reverend J. DeWolf Perry, Newton Ministers' Association; Father Michael Doherty; Reverend Joseph C. MacDonald; Dr. Kalman Friedman; William B. Plumer, Chairman of the Newton Community Council; L. Sumner Pruyne, Chairman of the Budget Committee; Robert H. Loomis, Treasurer, and H. J. Pettengill, Executive Director of the Chest.

The Special Events Committee in charge of the dinner arrangements and program consists of Mrs. D. Allen Smith, Chairman, Mrs. William V. M. Fawcett, Mrs. Charles F. Weeden, Mrs. C. Hassler Capron, Robert Pettit, Charles Petersen, Louis Hafermehl, and Hassler Capron.

Thomas E. Shirley, in announcing the start of the campaign, states, "Early returns are most encouraging. The Manufacturing

Division has adopted a slogan of "20 Per Cent Above Last Year," and many gifts already in have exceeded this increase. The Advance Gifts Division is daily turning in subscriptions with substantial increases. This will help offset losses through death and removal of many large givers. The Mercantile Division started work last Monday, and it would appear that many of the villages and sections are going to surpass last year's fine results. Already, the Beverage Stores Section has reported an increase of 30% over last year with every store contributing. The Municipal General and School Divisions are endeavoring to complete most of their work by the start of the campaign. I am confident that if every leader and worker gives his Division Chairman the same support that these chairmen are giving me, the returns will show, well before the November 14th closing date, that Newton has again done its share."

LET'S SHOW WE CARE

Is Newton going to care? Most assuredly! Since when have the residents of Newton ignored any appeal for the good of humanity? The answer is obviously—never. Nor will the citizens of Newton fail to heed the appeal for contributions to the Community Fund this year.

Never has the need been greater. Never have the citizens of Newton been more cognizant of this fact. This is no mere appeal for funds. It is a direct challenge to humanity. It cannot fail—it will not fail.

Remember, there is no distinction to those who will be aided by the generosity of those who give to this United War Fund. Not to give is not to recognize the needs of humanity. And in these days of suffering, there is a need to recognize this fact.

The Red Feather, worn to signify that the wearer has given, is a historic symbol of courage and devotion to a common cause. In the Crusades, the Black Prince so decorated his most valorous men for distinguished heroism of chivalry. Robin Hood awarded this Red Badge of Courage to his most daring followers in serving those in need. Even our own Indians dyed eagle feathers red for their braves. The Puritan hat of our Massachusetts Bay Colony forefathers recalls that New Englanders settling in a wilderness had early to practice community cooperation.

And this cooperation still lives with us. When a volunteer calls on you during this drive remember, he or she, typifies that spirit of cooperation. They are giving of their time and effort that humanity may be served. All you are asked to do is to give. If that spirit of cooperation between the volunteer and you is manifested there is no doubt of Newton, as always in the past, going over the top. Can we do less than to aid those who in the months to come will need our aid? Definitely not, and that is why the citizens of Newton are going to respond, gladly, willingly and with full cooperation.

FDR AND CONGRESS

The effective working of our system of government requires cooperation between the Executive and Legislative branches. Nowhere has Mr. Roosevelt so badly failed.

The President has called Congress inept and Congressmen, in turn, have boomed his words from the floor. The Democratic leader of the Senate called one veto message "a calculated and deliberate assault upon the legislative integrity of every member of Congress."

The record shows continuous efforts by Mr. Roosevelt to dominate Congress through (1) dictating to Congress what it must do; (2) influencing the votes of members by patronage, political favors, and bribes of public works and work relief; by reprisals and purges; (3) implying that Congress should be criticized and stirring up public resentment; (4) using legislative authority in ways never intended by Congress, sometimes in direct violation of the intent; and (5) by-passing Congress.

It is high time that America has a Chief Executive who can work in harmony with the national legislature in the interest of the people as a whole.

PUBLIC OPINION MADE WHILE YOU WAIT

Democracy is based upon the idea that the opinion of the majority of the public shall prevail. The designers of democracy did not insist upon the rights of free speech and a free press simply because they wanted freedom. Even in those early days before the advanced development of the art of advertising and propaganda, it was a recognized fact that public opinion could easily be molded by the written and spoken word. Therefore it followed that the people must be permitted to hear all sides of any story before they cast their votes.

But the framers of the Constitution were not aware that there would one day come into being the government press-agent. Now these government press-agents are adept at molding public opinion without the public knowing that its opinion is being molded. His is the practical application of the principle of bringing a man around to your point of view by simply letting him think that he arrived at the conclusion himself—without having been convinced by you.

The New Deal has employed the press-agent technique from the beginning. There is not a bureau or commission or agency that does not have its press-agent. He is variously known as the "Educational Director," or the "Director of Information," or simply the "Assistant to the Director." But he is there and his function is explicit. He is the man who has to sell the public on the agency for which he works. By every trick of the trade these government press agents flood the country with alleged information and supposedly accurate statistics designed to convince all and sundry that their agencies are necessary to the public welfare.

Thus we have arrived at a situation where the public's opinion is manufactured to a large degree right within the very offices of the government which that opinion is supposed to control. There is obvious danger in this state of affairs. And something must be done to avert that danger. Public opinion must flow into Washington—not out of it.

Two Fold Plan Of the Citizens Advisory Committee.

The Citizens' Advisory Committee for Returning Veterans aims to serve as a co-ordinating agency and clearing house for the problems, great and small of Newton service men and women after discharge from service and upon return to civilian life.

Recommended by the Newton Community Council and approved by Mayor Goddard as being in line with Governor Saltonstall's request for establishing similar committees in all cities and towns in the Commonwealth, the committee was accepted as a Red Feather Agency in April, 1944. It has since functioned under the Community Chest supervision.

The committee of eight with Charles B. Floyd as chairman and John F. Wheelock, executive secretary, have headquarters in the Newtonville Library, Building 1, on the program followed to date has been two-fold. First, to collect as much information as possible about the occupational and educational background of those in the armed services, their specialties in service, their plans after return to civilian life, and to analyze this information to the end of securing a picture of the problems of readjustment which will occur in Newton. Questionnaires, sent to the families of those in service and to the men themselves, have provided the facts for this study.

Second, to maintain a consulting and counseling center, where the discharged service man may ask his questions and discuss his problems freely, and expect a prompt and decisive answer. All the existing set-up of the Federal Government, the State, the municipal departments, and Community Chest agencies are utilized to send the man where his problem will be settled.

In general terms, people are inclined to think of the rehabilitation process as being a matter of finding a job for the veteran. Up to the present time, such has not proved the case in Newton. Employment is a minor problem as yet; the committee has more jobs on record than it has applicants to fill them. The U. S. Employment Service standing in the background with a reservoir of positions in essential industry. Those who come to the committee for assistance usually say smilingly that they're all fixed up as far as employment goes; what bothers them is likely to be some personal adaptation from the following directory of difficulties.

Mustering-out pay less than the fellow across the street received; government insurance lapses not yet disability rating which he feels he's entitled to; can't qualify for job he wants because discharged for physical disqualifications; family troubles, divorce, unsatisfactory home conditions; seeking education under the terms of the "G. I. Bill of Rights"; in the U. S. Employment Service standing in the background with a reservoir of positions in essential industry. Those who come to the committee for assistance usually say smilingly that they're all fixed up as far as employment goes; what bothers them is likely to be some personal adaptation from the following directory of difficulties.

The Citizens' Advisory Committee for Returning Veterans, a Red Feather Service, is a member-agency of the Newton Community Chest.

Writes An Appeal For War Fund

Henry A. Laughlin, general chairman of the Greater Boston United War Fund has written an appeal for the fund which has wide circulation. The appeal has created much favorable comment, and with Mr. Laughlin's permission it is reprinted here:

To My Fellow Workers . . . You and I—and more than 30,000 other volunteer workers in this 1945 Campaign—are united in a common cause. Our community must be kept strong in war and in peace. It is our job to help keep it so.

The Greater Boston United War Fund reflects the will of a great community working together for the common good. Year after year, Red Feather services here at home are adding new and tangible meaning to the words "Life, Liberty and the pursuit of Happiness." Throughout the world the War Services of the Fund are giving convincing proof of their work.

The book gives you a clear picture of the goal for which we strive. It tells the story of dollars in action. It answers the questions that contributors have the right to ask.

Tell the story of the Fund with conviction and with pride. The people of Greater Boston will give because they care—and will prove that they care by giving generously.

Henry A. Laughlin,
1945 General Chairman.

Thrift Center Reports 100,000 lbs. of Salvage

At the last Directors' meeting of the Thrift Center, Inc., it was reported that the Yellow Truck with the Bright Red Letters has travelled nearly 45,000 miles on Newton Streets in Red Feather Service.

Already this year the Thrift Center, Inc., has collected 100,000 pounds of salvage material to supplement its regular duties. The Thrift Center, Inc., is prepared at all times to assist needy families with donations of clothing and furniture properly requisitioned.

For instance—we have all read of homes burned to the ground, but many people stop to wonder who supplies the immediate needs of these people. By donating clothing and furniture which has outlived its usefulness to you, you are directly helping to rehabilitate these families and the Thrift Center is prepared to do its part. The time to make these gifts is now—or as soon as you have articles you can spare.

New England Laundries and ABC Cleaners at West Newton have contributed to this work by cleaning donated clothing before distribution. Public spirited ladies of local organizations do whatever mending is necessary.

The Thrift Center, Inc., is prepared to act as a clearing house for all Newton's social agencies. Requisitions from the Family Service Bureau, Newton District Nursing, St. Vincent de Paul Societies, Newton Department of Public Welfare, the Churches, and other reputable agencies are honored promptly for anything from baby carriages to men's suits.

During the War the Thrift Center, Inc., is concentrating on its salvage activities. The collection of waste paper, rags, and metal will all help—the Thrift Center, Inc., is also on the job on the Home Front. The Thrift Center, a Red Feather Service, is a member-agency of the Newton Community Chest.

Some improvements have been made in the postoffice in Newtonville. The business has increased so much that it became necessary to put in 100 additional call boxes. A good many of them have already been rented. A new stamp window has been placed in a position easy of access, and other changes made that provide conveniences for the public and the postoffice staff. There are now four distribution windows.

The Davis schoolhouse, West Newton, was re-opened this week, following its renovation. New floors have been laid and the building put in as good sanitary condition as possible. The school problem here is becoming serious and relief in the way of better and more healthful accommodations is becoming more and more urgent.

JOHN GEORGIAN

Receives Letter On Son's Award

Mr. and Mrs. James Georgian of 11 Orchard street, Newton, have received the following letter from Capt. Wilson E. Hughes in France regarding the award of the Silver Star to their son, John:

Dear Mr. and Mrs. Georgian:

It gives me great pleasure to confirm whatever official notification you have received that your son, John, has been awarded the Silver Star for heroism in action "above and beyond the call of duty." Every officer and enlisted man in this battalion joins me in saying that we all were very proud to see Johnny receive this award, and all feel that he certainly deserved it for what he did. As Johnny's own commanding officer, I wish to add that your son has been an outstanding Medical Corps soldier; in fact, his actions at all times have been exemplary. I wish that every man under my command were as able, alert, devoted to duty and courageous as Johnny. He certainly is a fine young man and I anticipate a very happy and successful future for him on the basis of his personality and character.

I understand that Johnny would later on like to study for medicine. If this is true, I would advise it by all means. This is no empty flattery; many times I have advised young men not to study medicine after knowing their qualifications, but in your son's case he has the mental aptitude, manual dexterity, personality and perseverance ideally suited for the profession. Both the officers agree with me 100% in this view—I am referring to the other two officers in the medical detachment. I do not think that the lengthy stay in the Army should deter him in any way from this ambition.

May I offer my congratulations?

Most sincerely,
Capt. Wilson E. Hughes.
John attended the Newton High School and entered the service in July, 1943. He is in the Medical Detachment, now serving in the European theatre of operations.

Politics With Color

National Campaign

Two major developments of the current campaign are the defection of Senator Ball of Minnesota, who has "taken a walk" out of the Republican party and the injection into the campaign by Mr. Roosevelt of the question of empowering the United States delegate to the new Council of Nations to vote for the application of force by this country WITH-OUT going back to Congress for specific authority. As Thomas L. Stokes, the new Traveler columnist, taking the place of Pegler indicates, this is a "sizzling issue." Let's consider these developments in order.

Senator Ball's defection had previously been discounted, but the shock has only partially been cushioned. It would be silly to minimize the seriousness of this matter. Bill Cunningham makes some interesting observations about it today. He visualizes Stassen as the 1948 nominee of the Republican party in the event of Gov. Dewey's possible defeat on Nov. 7. Senator Ball is one-half of the powerful team of Stassen-Ball Inc. If Dewey wins, he will be in office for eight years in all probability. That would be bad for the Minnesota team of statesmen. On the other hand, if Gov. Dewey should lose, he would very likely be a dead goose and the stage would be all set for returning naval hero, Lt. Commander Stassen, in 1948. Of course, it is only because the colorful Wendell Willkie is no longer in our midst that Stassen looms so large.

Two questions now arise. First, is Senator Ball entirely sincere in taking his present stand against Gov. Dewey? Second, to what extent will his defection hurt Gov. Dewey's excellent chance for winning on Nov. 7? Frankly, I am inclined to question his complete sincerity. Equally frankly, I fear that he is definitely jeopardizing Dewey's chances.

Now, regarding the second development, it seems likely that F.D.R.'s emphatic stand in connection with the use of force without consulting Congress may well have been the deciding factor in taking Ball out of the G.O.P. picture. It was rather surprising to have the President make such a drastic pronouncement. What will Gov. Dewey have to say about this? He may answer this question before this column appears in print. The vital question before us is, however, the attitude of the American people concerning this vital question. Do they wish to write a blank check for the United States delegate to the Council of Nations and allow him to commit our armed forces to action in any and every quarter of the globe? It seems doubtful. After all, we are still operating under our original constitution and that document provides that Congress MUST be consulted before we engage in war with any nation. My guess is that millions of voters will wish to proceed exceedingly slowly before side-stepping the constitution. Let us not forget, too, that it was Mr. Roosevelt who once suggested to Congress that a certain bill

What Is the Fund?

The Greater Boston United War Fund is the wartime name of our Community Fund Campaign. War has brought many additional responsibilities to our community.

To protect the public from a multiplicity of appeals for money, to conserve manpower and to reduce costs, the needs of both the home front and the war front are combined in a united annual Campaign.

By giving generously to the Fund, the people of Greater Boston can, at one time, do their share to—Maintain the spirit of our armed forces—Extend a neighborly hand to our Allies—Support our long-established services for the health and well-being of our community.

A successful Campaign is one more essential step on the road to victory and peace.

GIVE

should be passed EVEN THO there might be some doubt about its constitutionality! That left a sour taste in the mouths of many of us.

The other side of the picture is this. If we do NOT so empower our delegate, how are we going to check aggression by a foreign power in time to avert a world-wide war? To be honest, I do not know.

Wendell Willkie
It is a shame that Mrs. Willkie should find it necessary to publicly ask all the politicians and commentators to refrain from continuing their disgraceful guessing contest regarding the stand her late husband would have taken prior to the close of this campaign. Personally, I was never seated when Drew Pearson, BEFORE Wendell Willkie had even been buried, undertook to tell the world, via his regular Sunday broadcast, just what Willkie would have done on Nov. 7. Pearson hit an all-time low then and showed an utter lack of taste and decency. Others followed him, to be sure, but it was Pearson who started the ball rolling in the wrong direction. Mrs. Willkie is one of the most charming and lovely ladies in the entire country and it is high time that politically-minded men show her some measure of respect and consideration.

Congressman Herter
Christian A. Herter, Congressman and well-wisher show signs of life during the next two weeks. In 1942, he came much too close to defeat because his qualification for Congress were so outstanding that it never occurred to his friends that he could possibly lose. The result was that the Democrat who is again contesting this seat, Bill Carey of Boston, came within a few thousand votes of winning. This year he claims to be even more sure of beating Congressman Herter. It is now up to the voters of this district to get busy and roll up a huge vote for an outstanding public servant who has made good in a big way. Not within my memory has there been a better qualified man for this position. He has brains, character, personality, absolute integrity and a long and brilliant record of public service in state and nation. Let's give him a big vote of confidence.

Dining With Jane and Bill

Bill—Have a slice of bread Jane? Say, don't tell me you're
eating that old dried toast again! What's the idea anyway?Jane—Now don't start kidding me, Bill. I'm trying to lose
some weight and toast isn't as fattening as bread.Bill—Where did you ever get that crazy idea? It doesn't
make sense to me.Jane—What do you know about it? Mrs. X tells me that
she always toasts her bread when she goes on a diet.Bill—You women and the ideas you pass on to one another!
Moreover you know what I think about dieting without medical
advice.Jane—Well, what about toasting? Are you just poking fun
at me without knowing the answer?Bill—I did take some chemistry once and have a few ideas
on the subject. Heat changes starch into dextrins, I believe.
That only means that the starch granule is broken up into a
simpler form. It certainly would not have any appreciable effect
on the caloric value of a slice of bread, I should think. Toasting
bread also removes some of its moisture content and because it
weighs less I suppose that's how the popular notion that it's
less fattening started.Note—Bill is right. There are also one or two other points
of interest:1. Toasting affects the thiamin content of bread. In medium
toast this loss according to present data may amount to as
much as 1/8 and is more in melba toast.2. Breads and cereals are one of our principal, common
sources of thiamin (vitamin B1).

Mrs. Helen Niles of Melrose. Many
interesting reports were given by
the various departments. West
Newton led the rest in the re-
port of much work done for the
soldiers and sailors. At the lun-
cheon, Rev. W. Henry Shillington
gave an impressive talk on what
the W.C.T.U. has done. Rev. Wm.
Blake led the devotional service
in the afternoon. A very impres-
sive memorial service followed for
members who had passed on dur-

Merry-Go-Round -

(Continued from Page 1)

Two Great Armies...
Adolph and Benito were spark-
ing two great armies in those
days. Nothing on the other side
of the world had been able to stop
them—not even the Russians. The
Nips had been planning to take a
crack at us for many years, and
they were out there waiting.The situation was grave as Uncle
Sam's nephews began putting on
uniforms and everyone here knew
it. The Government sent out
urgent calls for everyone able to
work, male and female, to get es-
sential jobs. That call was an-
swered enthusiastically. Tens of
thousands of housewives hung up
their aprons for the duration, as
they entered defense plants, while
doctors, nurses and clergymen put
on uniforms and sailed away...Supplies...
In a short while, supplies from
our defense plants enabled the

Catholic Welfare Committee Renders Unusual Service

Keeping A Home Intact

A young mother, separated from her husband, requested placement of her two children in an institution. She was discouraged and bewildered and was acting upon the advice of her relatives.

Through contacts with the Newton Catholic Welfare Committee, the mother came to realize that she did not wish to part with her children and actually wanted to become reconciled with her husband. Gradually both parents became more tolerant of each other's faults as they discussed them with

Workers and with each other. They became reconciled after six months and re-established their home in a new neighborhood.

Adjustment Through Temporary Financial Help

Mrs. M. was pretty desperate when she applied to the Agency for temporary financial help. Her husband was ill; there were two young children to be provided for, and there were debts. She was willing to go to work but her husband and children needed her care.

The family was given temporary financial help until Mr. M. was able to return to work. Mr. and Mrs. M. were given encouragement and counseling with regard to their budget and the family is now out of debt and again looking forward to their father's functioning normally.

A Good Citizen in the Making

Tommy, aged nine, a likeable but mischievous boy, seemed to have a knack for getting into one difficulty after another. Finally he came to the attention of the Juvenile Court and was subsequently referred to one of our Volunteer Workers. Investigation disclosed that he was not having normal happiness at home. His father was an invalid and his mother worked. An older brother to whom he was attached was in the Army overseas. School reports were poor. Tommy was sent to a day camp at classes. It was evident that Tommy needed to be separated from his associates and that he needed a period of training in a controlled environment. A Catholic institution was selected and approved by the Juvenile Court. Tommy was placed in the institution and assumed responsibility for his support.

Tommy has been placed for about a year. He is making excellent progress and his family is delighted with his improvement. He is permitted to visit them regularly; and the Conference is keeping in regular touch with them in the hope that after another year under stabilizing influence Tommy may be returned to an improved home situation.

Gerald Returns to His Community

Bill, who is sixteen years of age, was orphaned in early infancy. Subsequently he was placed in an institution by interested friends, where he remained until he became fifteen, when he was referred to the Agency.

He was placed in a foster home, with foster parents who had experience in caring for boys of his age, and who had the warmth necessary to make a boy feel that he belonged with them. A factory job was found for him and after a study of his aptitudes had been made, special training was arranged for him. Bill has had two years of normal home life and now feels that he is a member of a family group. He is entirely responsible for his own support and is buying War Bonds. He hopes to join the Marines and if he does so, there will be a home awaiting him when he returns.

A Serviceman's Family Kept Together

The father of four little girls enlisted shortly after Pearl Harbor. A few months later his wife died suddenly. Relatives managed to care for the children until their father could get a furlough and decided what to do with them. All of these relatives had large families and could not keep the children indefinitely.

When their father came to our group, he was distressed about the fact that he had neglected the children's faith entirely. They had not yet been baptized but he was anxious to have them reared in the Catholic faith and placed in a school where they would have Catholic training. The children are now supported in a fine school through his allotment. They are expected to return from serving his country.

The Newton Catholic Welfare Committee, a Red Feather Service, is a member-agency of the Newton Community Chest.

Louise Parsons Accepts Position in St. Louis

Miss Harriet Louise Parsons who for the past ten years has been General Secretary of Newton's Family Service Bureau has accepted an appointment as Western Area Field Representative of the Family Welfare Association of America in St. Louis. It was announced today by Mr. William M. Cahill, President of the Newton Bureau. Miss Parsons assumed her new duties on October 14.

Miss Jane Ludy has been appointed to succeed Miss Parsons and is expected to take over her work as General Secretary shortly after November 15.

That great credit is due Miss Parsons for her outstanding work with the Family Service Bureau here, was shown by the presentation to her of a substantial purse at a meeting of the Board of Directors before she left.

Miss Parsons came by her life interest in Social Work naturally since her father, Herbert Parsons was head of the Probation Department of this Commonwealth and is remembered as well for his establishment of an annual award for achievement by ex-prisoners.

Her activity as a worker as well as a leader and outstanding speaker on the modern aspects of social work has made Miss Parsons a host of friends whose good wishes go with her to her new field.

REPUBLICAN CITY COMMITTEE OPENS 2 HEADQUARTERS

The Republican City Committee of Newton has opened two headquarters for the convenience of Garden City voters.

Information about candidates for office, tickets to rallies, literature and buttons are available as well as voting list which show whether a resident is registered.

The headquarters in Newton Centre are at 215 Summer street, under the direction of John B. Stetson and Alderman Carol J. Hoffman. In Newtonville, the office at 41 Centre street, is in charge of Mrs. Ernest Ralbach.

COUNCIL'S CONFERENCE

One hundred and eighty-five delegates and friends of the Newton Community Chest, a Red Feather service of the Newton Community Chest, attended the Fall Conference of the Council at the Newton Centre Woman's Club on October 10.

William B. Plumer, chairman of the Council, said: "In line with the policy of the Council of co-operative and progressive planning for Newton, your Community Council is proud to present this panel discussion on 'Planning Today for Newton's Tomorrow.' We have in the future many challenges and opportunities to uphold Newton standards. If we continue to work together, these standards are assured."

Nell Leonard, immediate past president of the Newton Community Chest was moderator of the discussion and the panel included Mayor Paul M. Goddard on "Plans and Hopes for the Future of Newton," Col. Earl W. Lancaster, director of public relations of Raytheon Manufacturing Co., on "Business Prospects in the Newton," Superintendent of School Dr. Homer W. Anderson on "The Educational Future of the City," and Dr. Julius Seelye Bixler, president of Colby College, on "Social and Welfare Problems Facing the Community."

Miss Esther C. Walther, executive secretary of the Council, outlined the functions of the organization and urged continued co-operation and coordination of the 62 member organizations.

MAYOR ASKS TRANSFER OF VOCATIONAL DEPARTMENT TO WEST NEWTON

The reconstruction of the abandoned Franklin School building on River street, West Newton, to house the general vocational department of the Trade School was requested by Mayor Paul M. Goddard and the School Committee at the meeting of the Board of Aldermen October 9.

The mayor recommended that the sum of \$65,000 be appropriated for the cost of alterations and repairs to the building to put it in shape for the transfer of the general department of the Trade School from its present quarters in the Hamilton School, Newton Lower Falls. The transfer was first proposed several years ago.

The board referred the matter to the public buildings committee and the matter will subsequently go to the finance committee for consideration before being presented to the voters for action.

The board appropriated \$700 for the installation of reconditioned motors in four cruising cars of the Police Department and \$1,500 for part-time assistants in the Library Department.

CAR RUNS AWAY, CRASHES TREE

An unoccupied auto "ran away" in Newton October 18, plunged down an embankment and crashed into a tree at Chestnut Hill road and Gate House road, Chestnut Hill, Newton.

The wrecked car was owned by Richard B. Clark, 11 Irvington street, Waban, who was in a nearby house when the accident occurred.

RESTAURANTS HAVE EXCELLENT RECORD, MORIARTY STATES

Newton restaurants have one of the best records in the state, a Leslie Moriarty, member of the Newton License Commission, stated at the meeting of the Newton Restaurant Owners' Association held October 15 at the Rex Cafe, 312 Washington street, Newton.

Mr. Moriarty stated that the State Alcoholic Beverage Commission has given a high rating to Newton establishments. President Edward A. Daley Jr., stated that the 35 Newton restaurants will aid in the post-war employment problem by giving work to many returning servicemen and women.

Harry Gath Jr., treasurer, presented his report.

WOMAN'S GUILD HOLDS PROGRAM

The Woman's Guild of the Church of the Messiah, Auburndale, held an "Open House" for the Fall Sale at the home of Mrs. F. J. Randlett, 357 Central street, Auburndale, on October 16.

Assisting the hostess with arrangements were Miss Marie Felix, Mrs. William Jackson and Mrs. Edgar Dunlap. Proceeds were used to furnish the ladies' parlor in the new church.

Sports in a Nutshell

by Bill Sullivan

The St. Louis Cardinals won the fifth game of the World Series when Mort Cooper pitched a masterpiece and beat the Browns 2-0. Cooper struck out 12 men in just one inning and the Browns were out of the park for home runs and the ball game. Cooper and Galehouse were at their best in this game as between them they struck out 22 men breaking the previous record of 21 strikeouts. Cooper struck out the three pinch hitters the Browns used in the ninth inning, he also struck out Al Zarilla and Mark Christman on the bases full in the sixth. Cooper came into his own in this game and showed everyone he is one of the best, but he had to be good as Galehouse pitched him with excellent pitching all the way striking out Hopp 3 times and Walter Cooper and Sanders twice and Litwhiler, Marion and Kurowski once. In the sixth inning with the count 3 balls and 1 strike on Sanders, Cooper struck out Sanders and whaled it out of the park for a home run, in the eighth Litwhiler socked Galehouse's first pitch over the fence for a home run. These two hits gave the Cards the game and the lead 3 games to 2 in the series.

The Cards won the World Series by defeating the Browns 3-1.

The Browns knocked Nel Potter out of the box in the fourth inning on 3 singles and a walk and an error scoring all their runs. With one out in the fourth Walter Cooper walked, Sanders singled sending Cooper to third, Kurowski hit to Stephens whose throw to second pulled Guttridge off the bag, Cooper scoring on the play. Marion fouled out to Chet Laabs, Veysan singled, Sanders walked and Kurowski singled scoring Kurowski, here Muncie came in and Litwhiler forced Lanier at second. That was all the scoring for the day as the Browns had scored in the first inning on Laabs triple and McCutcheon single. Wilks whom the Browns had knocked out of the box in the third relieved Lanier in the sixth and held the Browns hitless for 3-2-3 innings the Browns had made only 3 hits off Lanier in 5-1-3 innings but Billy Southworth was taking no chances losing this game. Lanier had 5 strikeouts, Wilks 4, Potts 3, Kramar 2 bringing the total strikeouts in the series to 92 breaking the previous mark of 87. The Cards made 10 hits in this final game.

The Cardinals received \$4,354 each as the winners share

and the Browns \$2842 each. This

was the smallest players pool since 1933.

The New York Giants defeated our Boston Yanks 22-10 at Fenway Park Sunday afternoon before 17,404 football fans in the second National league game of the season here. Ken Strong showed some super kicking and Bill Paschal was great on the attack. Angie Lio of East Boston was the standout performer for the Yanks. Morelli scored a touchdown for the Yanks and Lio scored a placement goal from the 47 yard mark.

Notre Dame ran away from Dartmouth in the game played at Fenway Park scoring at will while holding Dartmouth from scoring.

Notre Dame scored 51 yards on the first play of scrimmage which was the tip off of what Notre Dame would do.

Newton beat Brockton 13-0 at Dickinson field Saturday. Nugent scored 2 touchdowns and 3 touchdowns for Newton. Brockton has not won a game from Newton since 1939 making 3 wins and a tie for Newton in the last four games played. Somerville finally beat Medford after 30 years and Fran Brown scored the 3 touchdowns made by Somerville. Tom Lynch ex Holy Cross fullback and center turned the trick in his first year as head coach for Somerville. Malden defeated Melrose 16-0. It was Melrose's first defeat in 23 games. Malden has now won 5 games and remains unbeaten and untied this season.

Art Ross has about 40 players reporting for practice at Quebec, with five goal tenders trying for the job.

LEGION INSTALLS NEW OFFICERS AT OCTOBER MEETING

The new officers of the Newton Post, American Legion, headed by Commander-elect J. Edward Theriault, were installed October 19, at the War Memorial Building, Newton Centre.

County Commander Timothy Mahoney, installing officer, was assisted by the Newton Legion Guard, under the direction of Lieut. Ernest Carver. Past Commander Henry D. Cormerais was master of ceremonies.

New members of the Post include Philip Bernstein, Walter C. Harvey, Samuel J. Patricia, Arthur Homsey, Sidney Baylor, James P. McKenna, Joseph K. Wright, Ernest Layou, Harold D. Morse, George R. Marshall, Kurt A. Westernman, Frances D. Merrill, Richard T. Hart, Joseph F. Guzzi, and Claire Heidi Macfarland.

D. A. LAWYER WITH TITLE, KIWANIS TOLD

The district attorney is simply a lawyer with a title, Assistant District Attorney Anthony DiCicco of Middlesex County stated at the meeting of the Newton Kiwanis Club held October 17, at the Newton Y.M.C.A.

George VanBuskirk, who was inducted into the Army while serving as president of the club, was a visitor and conducted the meeting. He told of his experiences in the Army. He will return to Camp Crowder, Mo., after a two weeks' furlough. Past President John A. Janse reported on plans for the annual Ladies' Night.

DiCicco pointed out that Middlesex County is the largest in population in the state. He told of crimes, which were common in the country area and those which usually occur in the cities.

People do strange and unexplainable things he said. In connection with the activities of certain gambling outfits he told of one group which did a business of three million dollars annually, whose activities were broken up by the district attorney's office. His office handles 2,500 cases a year and he indicated that after the war he expects a sizeable increase in the number of cases requiring the attention of the district attorney.

WEST NEWTON MEN'S CLUB BEGINS 39TH SEASON

The 39th year of the West Newton Men's Club opened October 18 with a dinner meeting at the First Unitarian Parish House, West Newton.

Mr. W. M. Jennings, District Industrial Incentive officer for the Boston Naval Inspection District, presented official Navy moving pictures. The business meeting was conducted by President Egon E. Kattwinkel.

Charles H. Kelley, chairman of the membership committee, reported that nine new members have been admitted to the club.

ROTARY CLUB HEARS TALK BY RIDEOUT

Mark Twain's classic remark to the effect that everybody talks a lot about the weather and no one does anything about it must have hit E. B. Rideout, WEEI meteorologist, across the grain. He speaking before the Newton Rotary Club at Brae Burn Country Club, October 31, Mr. Rideout said that as a very young boy he had been interested in the weather and read and studied all he could about it. During World War I he served as a member of the United States Weather Bureau and received invaluable training.

Introduced by Harold B. Gores, Mr. Rideout presented an explanation of the hurricanes. In the question period which followed, Mr. Rideout said he was not sure whether or not there would be another storm of hurricane proportions in these parts. He mentioned that he had said in 1938 there would not be but for 100 years and in light of that prediction, he said he could not be sure.

MANUFACTURERS VOTE \$75 QUOTA FOR 1945 DRIVE

Representatives of Newton manufacturers voted to set a quota of \$75 for each permanent employee in the Sixth War Bond Drive to be conducted from Nov. 1 to Jan. 1, at a meeting held at the Chamber of Commerce.

The group was addressed by two members of the Massachusetts War Finance committee. Other speakers were Harold F. Young, secretary to Mayor Goddard; Rupert C. Thompson, secretary of the Chamber of Commerce; and James B. Melcher, chairman of the Newton War Bond Committee.

Concerns represented included Robert Gair Co., James C. Howe Stowe-Woodward, A. L. Rottler Middlesex & Boston Street Railway, Norman A. Goodale; Sherman Paper Products Co., H. T. Harrington; Zenith Associates, Eva M. Berry; Earnshaw Knitting Mill, Albion L. Young; Doelam Machine Tool Company, William A. Hunt; Milliken Machine Co., H. E. Kelley.

REVEAL SUCCESS OF CHURCH FAIR

The successful conclusion of the St. John's Church Fair, Newtonville, held recently, was announced October 10 by Riley Hampton, general chairman, who reported that all 16 committees had gone over the top in fulfilling their quotas.

Among the committee heads, John Clark received thanks for his work in decorating the 18 booths.

One of the committees served dinner to 200 people and a feature of the fair was an impromptu skit which parodied the paying of the mortgage.

George Merritt, Eugene Sargent, John Chapin, and John Reese were stars of the show.

How your dollars help every member of this family

You will give his wife helping hands, kind words, good advice... when she has a difficult problem... when she's learning how to handle a war job along with her home job. Family service, hospital and clinical facilities, pre-natal and post-natal care.

You will give him an easy chair, music, companionship in U.S.O. clubs... stars of stage and screen to entertain him wherever he goes, through U.S.O. Camp Shows. Little things? Big things to him!

You will give his daughter good, wholesome activities under wise leadership... recreation... a chance to help the war effort... all the community social services that combat juvenile delinquency.

You will give his little son safe and happy play while his mother is at work... necessary hospital care... services to keep a boy healthy, brave, strong—till daddy comes home again! When *you* give this once, you give many gifts. You help fighting men — and their fighting families at home. Give now. Give all you can.

Auburndale Review Club

In view of the current interest in Japan's rich Asiatic conquests, the paper read by Miss Eleanor Prickham on the Netherlands Indies, at the Auburndale Review Club, Oct. 24, was most timely. These Pacific islands extend over 3000 miles and count seventy million inhabitants. The Dutch have owned Eastern New Guinea as well as Sumatra, Borneo, Bali, the Moluccas or Spice Islands, etc. The peoples are of varying degrees of civilization, from the inhabitants of Bali with a culture extending back 1000 years, to the more primitive men in Borneo. The Dutch have been good colonizers but their government was paternalistic with separate laws for white and colored.

Interesting as throwing light on the ancestral background of England's prime minister, was the review of "Young Lady Randolph" by Renée Traus, given by Mrs. John E. Williams. This book is a biography of beautiful Jennie Jerome, the American girl who became the mother of Winston Churchill. Destiny led her from her native Brooklyn to the heights of court society in the Victorian and Edwardian eras. She was the confidante of Empress Eugenie in Paris and of Queen Alexandra in London, and she had social relations with Napoleon III, Bismarck, the Czar of Russia and Disraeli.

Mrs. Guy M. Winslow's subject was "Hobby." It should be something one chooses to do and enjoys doing but does not feel under obligation to do, she said. A hobby may bring happiness if it is a channel for creative energy. Collecting snakes, making caricatures, growing many kinds of tomatoes, studying soap bubbles, playing the harmonica, gathering menus from many countries—these were some mentioned. Asked to be personal, Mrs. Winslow confessed that writing is her own hobby and she read selections of original prose and verse for the entertainment of her audience.

At this camp, many groups of children of all ages are given a chance to spend at least a week in a summer camp. They are taken to Mrs. Sullivan's camp at Cohasset, on the lake. Eighty-one found relief from the extremely hot summer in the cool waters of the lake and it helped to make their summer more endurable.

And so, in this, the thirty-eighth year of its existence, the Community Center will probably have a total enrollment, as last year, of over half a thousand members. It rolled in forty classes to enjoy recreations and instruction which would not otherwise be available to them.

Community Center Opens Thirty-Eighth Year of Service

Last week under the capable management of Miss Gertrude MacCallum, the executive director, the West Newton Community Center opened its thirty-eighth year of service to the community.

For nearly four decades this organization has been working quietly and efficiently, to provide for members of the community, opportunities for wholesome activities which tend to develop ideas of service, and to encourage them to take a useful part in community life.

This year, even with many of the older boys gone into service, and many of the younger girls and boys enrolling in defense plants, the enrollment tends to reach an all-time peak.

This enrollment tends to exceed those of other years. The waiting lists have had to be established for the more popular activities.

The dancing classes are the most popular. They include classes in tap, folk, and social dancing and include all ages from pre-school through the high school group. There are almost two hundred enrolled and a waiting list for several of the classes has had to be established.

Woodworking is most popular with the boys. There are sixty-five enrolled in six groups and a waiting list for five. Crafts for girls are their next choice with twenty-four enrolled in this course.

Sewing classes are most popular with the girls, with thirty-one enrolled to date. Story-telling is next choice with twenty-two already interested. Knitting comes next in order with eighteen enrolled, and glee club and crafts tying.

Three new evening classes have been added to the activities scheduled this year, a woman's knitting class, one for the girls, and a crafts class for boys and girls of high school age.

Some of the mothers are enrolling their children because they wish them to have the privilege of the always popular summer day camp which is operated in conjunction with the Rebecca Pomroy House.

“...Sorta’ look out
for my kid sister
till I get back, will ya’?”

GET THIS RIGHT—she’s a good girl. She walks straight and proud and unafraid, holding her head up, only...

She’s walking into a different world, a grown-up world. These are tough times for kids her age. Most of the boys she knew have left town, have gone to war. There aren’t so many parties, clubs, and games anymore. No, but there are still plenty of the same old ugly, dangerous things for kids to do. War makes them look different. Exciting. Glamorous. Even *patriotic*.

See how *good* kids drift into juvenile delinquency?

Please... don’t let it happen to my sister. Sorta’ look out for her till I get back.

When you give to your Community War Fund you help fight juvenile delinquency here at home. Your dollars help supply recreational facilities, the wise counsel and practical help of trained workers for children of all families including service men and war workers. There are more children who need your help more than ever before.

They need that help *now*... Visiting Nurse Service, Family and Child Welfare Work, Recreation, Hospital and Clinic Services... And part of your gift, through the National War Fund, provides U.S.O. clubs, canteens and lounges for servicemen... delivers games, musical instruments, educational and recreational equipment to American prisoners of war.

You only give once to help them all. So give generously. Let your heart decide *now*.

NAVY HAS ITS DAY. Until recently the Navy seemed to be exclusively a man's world; but the day Pearl Harbor was bombed, our women decided that the time had come to step in. And step they did—as WAVES, SPARS and production-front sailors. Now, upon the shoulders of these "production front" sailors has fallen the tremendous job of supplying this Navy with all their needs. Doing top-flight work for the U. S. Navy are the employees of Raytheon's Radio Receiving Tube Division, Newton. These Rays have made every day Navy Day—by turning out the Electronic equipment that has played such an exciting part on all the oceans of the world. Our "Rays" know that the U. S. Navy could not hold No. 1 position, if it weren't for our women at home. Realizing the terrible battle of the Pacific ahead, our Rays have banded together to become fighting seamen by proxy. Every last one of them have some dear ones that they want to bring home, and they know that the best way of doing this is through prayer and production. Their motto is: Give our servicemen the best America has—and in turn our boys will give the best they have. As an inspiring tribute to the Navy, the Newton plant employees will dedicate their entire day's production, quality, and attendance to their men in blue on October 27—Navy Day.

TWO SAILORS COME HOME. Two sailors home from overseas—one a brother and the other a boy friend—is the luck of Jean Marchetti, 30 Paine street, Wellesley, an employee of Raytheon's Radio Receiving Tube Division, Newton.

S 1/c John J. McMahon, her boy friend, has returned from 13 months of service in the Pacific area. McMahon, who has fought in three major battles—Saipan, North Africa, and the Marshall Islands—spent much of his time in the Marshalls where he survived on rice and beans for three months. Jean's brother, Ralph J. Marchetti, S 2/c, arrived home after four months of overseas fighting.

He has participated in one major battle in European waters and has been in France, Casablanca, Trinidad, and Puerto Rico. Seaman Marchetti is now stationed in South Carolina.

Joining Jean in celebration is her sister, Helen, who is working in Dent, 140, Newton plant. G. I. JOE TALE. Tube Head Tim, company mascot, says that one of his servicemen nephews wrote home recently this bon mot: "During a furious battle I hugged the ground like a one hundred dollar bill during the depression."

SOLDIER MODEST HERO. Through a newspaper article, Helen Cox, 15 Malbert road, Brighton, employee of Raytheon's Radio Receiving Tube Division, Newton, learned that her boy friend, Pfc. Joseph Ronca, was recommended for gallant action in the European area.

Recounting the soldier's actions, the foreign correspondent wrote, "Ronca said he'd had a quiet time during the last few days except for occasional shelling, but he still remembered the day he came face to face with more Germans than he had ever seen in his life. It seems German trucks filled with troops had inadvertently followed a Yank convoy into a town and then turned off onto a road which landed them smack in the middle of a regimental command post. The CP was just as surprised as the Jerries."

"Ronca said he was just climbing a rise when he came to the top of it, I saw about a million Germans all throwing hand grenades. Well, it didn't last long of course. The Yanks killed a couple of the intruders and captured the rest, 21 in all, but Ronca is now convinced that even a command post is suspect in this war."

DOUBLE FARETURE FURLONGS. A pair of furloughs were drawn, recently, by Div. 800, Newton plant, when S 1/c James R. Dalfino, brother of Ida Dalfino, 4 Chestnut street, Belmont, and Pfc. George Holmes, U.S.A., boy friend of Marion Ewell, 33 Arden street, Allston, returned home from overseas.

Seaman Dalfino, a former employee of Dept. 300, Radio Receiving Tube Division, Newton, comes back after six months of fighting with the Amphibious Force. He had been stationed in England and Italy, and has seen action in France, twice.

Pfc. Holmes returns to the United States after a year and a half of overseas fighting in the

Judge Brogna To Be One of Guests Of Honor Saturday

Judge Vincent Brogna of 45 Hyde avenue, Newton, will be numbered among the guests of honor at the Servicemen's Dance, sponsored by the Junior Division, Grand Lodge of Massachusetts, Sons of Italy in America, to be given October 28th in the Imperial ballroom of the Hotel Statler.

The Junior Division, Order of Sons of Italy in America, consisting of members under 18 years of age, has been created so that children of Italian ancestry might become better acquainted with the ideals of their forefathers and combine these ideals with American principles to make themselves good citizens of the America of the future.

Servicemen may obtain free tickets to the Junior Division dance at either the Buddies' Club or the Servicemen's Club on Boylston street.

Newton Kiwanis Club

This week was Swap-President Week in the Kiwanis Club with the result that Bill Hartnett, president of the Waltham club presided at the Tuesday meeting in Newton and Walter Hood, president of the Newton club presided over the Waltham meeting held on Thursday. There was also an exchange of song leaders and several other members. The Newton meeting was considerably enlivened by the group singing under the direction of Waltham's song leader.

Next week's speaker was announced by Frank Battles as being Mr. William T. Gaynor, who is assistant advertising manager of the New York Central Railroad. He will talk on "railroads past, present and future."

Dr. John Doherty of Newton, a prominent orthopedist, who spoke about first aid from the standpoint of a layman. He spoke of first aid as being ordinary common sense plus a little bit of knowledge.

His talk was divided to include two main items; first, the use of splints in first aid and second, the use of tourniquets. He said that nature has provided man with the best splints in the form of a leg or the human body itself to which other broken members might be strapped. He told about how well meaning persons frequently do more damage than good by moving injured persons or by rendering incorrect treatment. He said it was better to leave the patient alone rather than run the risk of mistreating him.

In connection with tourniquets he said that they were dangerous in inexperienced hands and should be used less frequently than they are. He recommended light pressure on appropriate pressure points to stop bleeding rather than the use of the tourniquets. Much damage is done by the application of tourniquets that are either too tight or remain in use too long. Dr. Doherty's talk was brief, but full of interesting and helpful information.

The meeting was closed with a reminder that all who could should attend the meeting in Waltham on Thursday.

European theatre of war. Holmes, a member of the Infantry, was awarded the Purple Heart in Italy for wounds received in meritorious action.

Installed As Illustrious Master

Francis L. Buswell was installed Thursday as the Illustrious Master of Cryptic Council Royal and Select Masters, at the Masonic Temple in Newtonville. The affair was a public installation to which the ladies were invited. The installation ceremony was performed by Rt. Ill. Irving F. Ridlon, Deputy Grand Master of the Grand Council of Massachusetts, and he was assisted by James S. McDaniel of Melrose and Rev. Charles T. Allen. Other officers installed were:

Deputy Master, Ill. J. Harold Libbey; P.C. of the work, Comp. Ellsworth W. Read; treasurer, Ill. Lewis E. Moore.

The presiding officer, Gerald F. Zedren of Newtonville, was the retiring Ill. Master having just completed a successful year.

Following the installation there was a concert by Franklin G. Field, noted Newton soloist.

Wellesley Playhouse Presents "The Song Of Bernadette"

Still continuing in its many times extended Boston engagement, "The Song of Bernadette" comes to the Wellesley Hills Community Playhouse on a special week long showing beginning next Sunday.

Winner of five Academy Awards, this brilliant film stars Jennifer Jones. "The Song of Bernadette" was filmed from Franz Werfel's inspiring novel, the story of Sainte Bernadette.

measure of community service from every dollar contributed through the Fund.
The annual Fund Campaign, which unites everyone in one common cause, is Greater Boston's greatest demonstration of community teamwork.

It has proved itself the most efficient and economical way in which to maintain the Red Feather services whose existence is vital to all who live within our boundaries. It is the best way in which we can support the major accredited war relief appeals that since 1941 have been part of our individual and community responsibility.

Newton District Nursing Association Baby Conference

Of the many important services offered by the Newton District Nursing Association, one that has been gaining in popularity is the Well Baby Conference. These conferences where mothers receive expert advice on child care are held in places conveniently located in various parts of the city.

Present there are seven conferences—6 being held weekly and one bi-monthly. From the first of this year until October 1, 235 sessions have been held with a registration of 747 babies and with an attendance of 3,055. It is interesting to note that 13 sets of twins are now registered.

Upon registering, the baby's name and weight is recorded on his card. Here the volunteer worker plays an important role, for it is she who records this entrance and weight. The baby is examined by the doctor and nurse in charge, and the mother is advised as to good nutrition and other important phases of baby care.

The baby may be given inoculations for whooping cough and diphtheria, patch tests for tuberculosis and smallpox vaccination if the mother wishes. All this is done at a nominal charge by the competent members of the Nursing Association staff and the doctors associated with them. These visits of the mothers to the conferences are followed up by what ever visits are necessary to the home by nurse or nutritionist.

Shown above in the picture are the 5 sets of twins registered at the Stearns School Conference, who, as a result of the advice and care given through the services of the Newton District Nursing Association, have been classified as "Well Babies."

Memorial Centre -

from World War II.

Edwards' plan is to construct a building having a wing on each side of it. The building would be used to house a Medical Health Center. Many veterans would need physical check-ups, advice, minor treatments and other medical services which could be obtained here.

The other wing Edwards proposed to use as a Veterans' building to be kept open day and night for the convenience of all veterans. It would contain a library, reading room, committee room, game room and space for other veterans' activities.

The central building would contain a large civic auditorium which could be used for large meetings and other events for which there is at present no suitable place in Newton. Veterans and others could here hold their assemblies and various affairs, Edwards pointed out. A parcel of land, centrally located containing about 6 acres is available for the project. On the basis of a cost of \$500,000 this sum could be liquidated in 20 years and would probably add about 61 cents per thousand to the present tax rate.

Edwards closed his remarks with this slogan, "Newton must stop Localizing and Centralize." A lively discussion followed, indicative of the keen interest which had been aroused in the audience. Edwards' speech, explaining the project in detail, will be printed in full in a future issue of the GRAPHIC.

Everts Returns To Board of Aldermen

Albert P. Everts of Newtonville was elected alderman-at-large from Ward 2 by the Board of Aldermen Monday night to fill the vacancy which resulted last summer from his own resignation.

He was also re-elected vice president of the board, the office which he held at the time he resigned.

Everts resigned from the board last summer to accept an appointment to direct financial activities of the Republican State Committee. In view of the fact that this work has been completed, he was available to accept the election to fill the vacancy which he himself had left.

He was sworn in by City Clerk Frank M. Grant immediately after his "re-election" on Monday night.

Pfc. Anthony DeMaio Awarded Bronze Star

Pfc. Anthony J. DeMaio, 26, one of four sons of Mrs. Raffella DeMaio of 1231 Centre street, Newton Centre, all of whom are in the service, has been awarded the Bronze Star for "meritorious achievement in battle" in France.

Attached to an infantry division, Pfc. DeMaio has been overseas since November, and was married in England three months ago to the former Dorrethe Samms of Herts, England. He attended the Boven School and was graduated from Newton Trade School. He entered the Army in February, 1942. In addition to the Bronze Star, he holds a sharpshooter's medal and a Good Conduct medal.

His brother, Pvt. John DeMaio, 25, is with a Corps of Engineers in Southern France and has taken part in five major battles, in Africa, Sicily, Salerno, Naples and the invasion of the Riviera. Other brothers in the service are Pfc. Patrick DeMaio, 22, stationed at Camp Van Dorn, Miss., and Seaman, 2-c, Dominic, who is on a destroyer in the Atlantic. He also has two other brothers, Andrew and Joseph, and three sisters, Antonette, Constance and Mary DeMaio. Pvt. John is expected to arrive home on furlough soon.

REPUBLICAN RALLY

COLUMBUS HALL Cor. Watertown and Adams Sts.

Sunday Evening, Oct. 29 --- 7:45 P. M.

SPEAKERS: Congressman CHRISTIAN A. HERTER, Mayor PAUL M. GODDARD, State and Local Republican Candidates.

NEWTON REPUBLICAN CITY COMMITTEE.
Charles B. Floyd, Chairman
454 Wolcott St., Auburndale

His Name was Joe

HE came into our office after he had been away for a long time. Almost a year.

He was wearing the uniform of the U. S. Merchant Marine. There were ribbons on his breast.

We couldn't place him for a moment. He looked so different. It was hard to picture him as the youngster who was once a star on the Newton football team.

After he told me he had been bombed, machine-gunned, torpedoed, not once, but several times, on the run to Murmansk, I knew why he looked so different. It accounted for his nervousness—"convoy nerves."

As he stood there, we wondered what would help this lad. But he knew the answer.

He was going back to a United Seamen's Service rest center. They would take good care of him. Good care of him.

Then he was going back... going back to face again the things that had changed him so. Going back... for the duration.

We recalled having given to the United Seamen's Service, represented by the National War Fund, through our local community campaign last year. We wish now we had given more.

Knowing his case is only one of thousands, we **WILL** give more this year—won't you, too?

Let's show **WE** care—give generously through the

You Gave Them Hope!

ONE of the biggest jobs the U.S.O. did last year was to carry a slice of home to our boys overseas. Traveling shows that gave to those fighting men the best talent and entertainment this country had to offer.

Bob Hope . . . Carole Landis . . . Joe E. Brown . . . Kay Francis. The top names of radio and Hollywood. Vaudeville and night club headliners. Singers, dancers, magicians, ventriloquists, comedians, swing bands.

Entertainment that gave them the chance to relax and remember what home is like. That's what your dollars helped make possible—in hundreds of overseas outposts.

★ ★ ★

It's hard to measure the effect this boost in morale had on all the gains we've so far made in this war. That it had an important effect has been acknowledged by our military leaders.

But most important, it helped relieve for a while the loneliness of millions of boys away from home. And that was certainly worth every dollar you gave.

★ ★ ★

The job isn't over yet. There are still millions of boys across the seas. We can't let them down now. That's why you're being asked to give again, this year—to give more than ever before. Much of your gift will be needed here to help servicemen's families, to help solve juvenile delinquency, to care for the needy. Much of your gift will go overseas, to war prisoners, to Merchant Seamen, to homeless refugees. Make your contribution today, through your local community drive.

Instructors Are Recruited For Cushing Hospital

Volunteers to help instruct in arts and skills at the Cushing General Hospital for returning veterans of this war are being sought, it is announced by Mrs. George E. Rawson, newly appointed chairman of that Corps for the Newton Red Cross.

This Corps, formed last spring, teaches fine arts and craft work to both ambulatory and ward patients—those able to get about being taken care of in the workshops, and the bed patients having instructors and material brought to them. Unlike the occupational therapy work which is prescribed by a medical officer to obtain functional results, the arts and skills work is purely voluntary, aimed at diversion. "This is an outstanding program," says Capt. Hollis H. Buckelow, chief of the occupational therapy program at Cushing. "It helps the patient pass his time at the hospital pleasantly and intelligently, and as a by-product, we hope he will gain appreciation of an art or craft, dexterity with his hands, and an opportunity to explore any latent interest and ability he may have." In addition to the fine arts, work is provided in rug hooking, leather, fly tying, metals, pottery, lettering, block printing, wood carving and needlepoint.

The Arts and Skills program at Cushing was given its initial push by a group from the Worcester Art Museum, and is now supported by 8 neighboring Red Cross Chapters. Newton sends volunteers to the hospital every Thursday, transportation being furnished to and from Framingham. The charter members of the Newton Corps are Mrs. Frances Burt, Mrs. Langdon Chandler, Mrs. Doris Goodhue and Miss Priscilla Ordway.

Many more volunteers are needed for the arts and skills work, and anyone interested in belonging to this Corps should get in touch with Mrs. Rawson at the Newton Red Cross Chapter House, Lasell 6000.

Office of Price Administration

Boston—Regional OPA officials warned today that unless New England car owners speed up applications for new "A" books many of them will be stuck without gasoline.

OPA officials said they feared a jam at local War Price and Rationing Boards just before the deadline on November 8 when the present "A" book expires.

The new "A" book becomes good on November 9. Many boards have mailed application blanks within their area. Other boards have deposited applications at gasoline stations, post offices, fire stations, and other public places where applicants may obtain them.

Car owners are required to obtain an application blank, fill out the questions and attach the back cover of the present "A" book to the application and mail it or bring it to their local OPA board. Autoists are urged to apply immediately to avoid a last-minute rush which may hold up their ration for days.

UNDER THE HAT AND FEATHER

Community Chest Communique

OCTOBER 26, 1944

The Greater Boston United War Fund 1945 Campaign will open with outstanding dinner meeting at the Newton High School, October 30 at 6:30 p.m.

Newton's share in the campaign is \$308,000. The campaign dates run from October 30 to November 14.

Sunday, October 29, will be Red Feather Sunday with churches cooperating by devoting part of their services in the interest of the Fund and the Newton Community Chest.

An unusual feature of the opening of the campaign in Boston will be a mammoth parade on Sunday, October 29, at 2 p.m. from Beacon and Arlington Street, marching to Scollay Square via Beacon, Park, Tremont, Boylston, Washington, and Court Streets. There will be twenty bands in the parade.

The total enrollment in Newton has surpassed the quota set at 2500. More than 2550 citizens are enlisted in the Newton Community Chest volunteer army.

The Beverage Stores Section of the Mercantile Division is the first unit to go over the top. This group reports 100 percent of prospects subscribing and 30 percent increase in contribution over last year.

The USO, United Seamen's Service, and War Prisoners Aid, together with 19 foreign relief groups, make up the National War Fund which is a partner in the Greater Boston United War Fund.

70 percent of the Fund goes to Red Feather Service agencies and 30 percent to National War Fund agencies. Newton agencies each year need about \$200,000.

Tobin Assured Support In Western Counties

Mayor Tobin this week returned from the most impressive campaign tour through Western and Central Massachusetts staged by any Democratic candidate for state office in the recent history of the Commonwealth, addressing tens of thousands of voters and personally meeting thousands of them.

Political leaders in the huge area from Worcester to the New York line declared the Tobin rallies attracted the biggest crowds since the late Alfred E. Smith toured the state in his 1928 Presidential fight.

As Mayor Tobin returned to Boston to resume campaigning there, he expressed confidence the organization he had left behind him would function smoothly and effectively in the final drive to election day.

So thoroughly is the Tobin campaign organized in Western Massachusetts that even a Chinese-American Tobin-for-Governor Committee has been formed there, comprising largely of laundrymen, organized by Fred Wong of Boston as an expression of gratitude for Mayor Tobin's kindness to them.

Through there are probably not more than a few hundred Chinese-American voters in the entire state, the Chinese Tobin Committee has had a campaign circular printed in Chinese, urging Tobin's election as Governor, but up to the time he left the Berkshires the Mayor himself hadn't been able to find out exactly what it says.

Message wit' Laundry. An amusing situation also has developed through Berkshire County, where the Chinese laundrymen, after ironing the shirts of their customers, carefully place around them paper bands containing a campaign message in English, also urging Mayor Tobin's election as Governor.

Rock-ribbed Republicans, confronted with the alternative of washing their own shirts or getting them back wrapped in Tobin bands, are accepting the situation with good natured silence. The Mayor's tour through Western Massachusetts was marked by a number of colorful incidents. In North Adams a crowd of several thousand persons stood in the pouring rain to hear Mayor Tobin at an old-fashioned political rally, following a parade headed by blaring bands, at which cider and doughnuts were served to the

huge crowd by the committee running the event.

At another rally the presiding officer commented on Mayor Tobin's youthful appearance. To which Mayor Tobin replied that experience, not age is the important consideration before the voters.

"I was holding public office when Gov. Thomas E. Dewey was still studying to be an opera singer," Tobin told the gathering.

In his campaign speeches Mayor Tobin accused Lieutenant-Governor Cahill of attempting to seek election on the records of other men.

"I am running on my own record, and I wish that my opponent would run on his," said the Boston chief executive.

The Mayor said that if Mr. Cahill's campaign policy of asking election on the basis of what other men had done were followed generally in the Republican Party, Gov. Dewey "would be campaigning on the records of Hoover and Harding."

Mayor Tobin, in outlining his program for making Massachusetts a better, busier and more prosperous state in the postwar years, told of a number of steps he plans, including the construction of a chain of airfields throughout the state, built from a tax on the gasoline used by airplanes. At the present time there is no equivalent of the automobile gasoline tax on the gasoline used by planes.

Mayor Tobin's campaign received added impetus this week when a group of leaders of veteran and patriotic organizations endorsed his candidacy and paid war tribute to the assistance he has rendered to returning veterans.

Endorsed by Police. The candidacy of Mayor Tobin for Governor, has been endorsed by the New England Police Officials Association, the Mayor was informed by officials of the Association this week. Mayor Tobin was named as an honorary member of the Association at a recent meeting by a unanimous vote.

The letter to Mayor Tobin read: "At a recent meeting of the Officers and Directors of the New England Police Officials' Association, Inc., held in the Parker House, in Boston, you were chosen, unanimously, to be an honorary member of this Association. You may be certain that anything I or the other officers and directors can do to help out in your campaign, will be done to the best of our ability."

Wishing you success on November the Seventh, I remain, Very truly yours, (s) John F. Cavanaugh, Secretary.

Officers of the Association, in addition to Sgt. Cavanaugh of Brockton police, are Sgt. Thomas F. McEleney of the Everett police, president, and Chief John F. Hetherman of the Amesbury police, treasurer.

From where I sit... by Joe Marsh

Victory Is Just A New Start

Jeb Crowell and I took the bus to town the other day and a friend of ours asked us to go with him to his Club luncheon and hear a prominent college president speak.
He made a mighty sensible talk on Peace after the War, pointing out in particular that you can't readjust things after Victory's won just by making laws! Most countries, he said, will have to work out their post-war problems themselves.
To emphasize his point, he reminded us how we Americans once thought we could keep folks from enjoying a moderate glass of beer, by legislation. And how we got fooled, bad.
Jeb and I agreed he was exactly right. You can't cram laws down folks' throats, especially if they interfere with their "rights".
From where I sit, moderate folks ought to be able to sit down and enjoy a friendly beverage like beer—with a home-cooked meal, in the company of friends, if they want to. I'm a great believer in moderation.

There's an oar here for YOU!

Supporting the Newton Community Chest and the Greater Boston United War Fund is a life saving job, all right!

Manning the lifeboat isn't the responsibility of a few. It must be manned by all of us here in Newton.

The ill, the handicapped, the aged, the less fortunate, and the health and welfare of many Newton boys and girls are all aided by our local agencies.

A part of the money you give through the United War Fund goes far beyond the confines of our community. The National War Fund carries a message of cooperation to our uniformed men and women everywhere, and brings

hope of life and freedom to the peoples of war-torn countries.

Newton's 17 Red Feather services are dependent, in part or in whole, upon the Newton Community Chest. More than 70% of Newton's goal of \$308,000 goes to the support of these and other member agencies of the Greater Boston Community Fund. The balance to the National War Fund.

We urge you to give generously through the Newton Community Chest campaign now under way.

When asked to contribute, remember that you will benefit indirectly through living and working in a cleaner, stronger, healthier community.

Let's show WE care—give generously through Newton Community Chest and the

HUBBARD DRUG COMPANY

Explains the Questions Appearing on Massachusetts Ballot

The following five questions are simplifications of those which will appear on the ballot November 7th:

QUESTION NO. 1

Do you Approve a Constitutional Amendment simplifying the form and wording of questions on the Ballot so that future questions will be briefer and more easily understood than heretofore?

A YES vote means that future questions will be more simply and briefly stated.
A NO vote means that future questions appearing on the ballot will be in the same form as they are now.

QUESTION NO. 2

Do you Approve a Constitutional Amendment which would allow the Legislature to "prescribe the terms and conditions under which pardons of offenses which are felonies may be granted?"

A YES vote means that the legislature would have the power to change the conditions under which a pardon may be granted.
A NO vote means that the pardoning power will continue to be vested in the Governor, by and with the advice of the Council.

QUESTION NO. 3

Do you Approve a Constitutional Amendment providing that the Legislature meet annually, instead of every other year?

A YES vote means that the legislature will meet every year as it did up to 1938 when a Constitutional amendment providing for biennial session was adopted.
A NO vote means that the legislature will continue to meet every other year.

QUESTION NO. 4

Do you Approve an Amendment to the Constitution "Providing for Absent Voting by qualified voters who by reason of physical disability are unable to vote in person?"

A YES vote means that qualified voters who are physically unable to go to the polls and who are now unable to vote may vote by means of an absentee ballot.
A NO vote means that qualified voters who are physically unable to go to the polls will not be able to vote.

QUESTION NO. 5

Do you Approve of Prohibiting Beano when played for prizes?

A YES vote means that you do NOT wish to allow beano to be played for prizes.
A NO vote means that you DO wish to legalize the playing of beano for prizes.

Newton Hospital Boosts Morale On Fighting Fronts

Who will deny that the morale of our fine young men on the fighting front is vital to victory? The tangible planes, guns and field artillery at their disposal will ultimately crush the enemy, but those of us on the home front must constantly recognize that the higher a soldier's morale and the stronger his spirit the better his chances to return safely to his loved ones.

The soldier in the front ranks needs assurance that those he is forced to leave are secure and that his family is cared for in a community hospital in the event of serious illness. He needs to know that, should Johnny succumb to mumps or measles, his community hospital will do everything that has to be done to make Johnny well.

What can better remind him of our care and our faith than a picture taken in the Newton Hospital, of his wife with the new baby?

One of our leading physicians, who wishes to remain anonymous, regularly gives his personal skill with the camera to enable us to send such a photograph to the husband and father who is serving his country.

One of these photographs is shown here, that of Mrs. Shirley Sullivan and Baby Boy Michael of 39 Churchill street, Newtonville. Her husband, Staff Sergeant Daniel Sullivan, has been reported a German prisoner. We reproduced this photograph with Mrs. Sullivan's permission and she was "thrilled and flattered that my photo was selected."

Only one thing is lacking—our inability to see the expressions on the faces of these proud husbands and fathers when they view for the first time a likeness of the new baby being held in the arms of the smiling mother. But this is compensated in part by the fact that grateful messages are received which reflect surprise, pleasure, humor and pathos.

Captain Frank E. wrote, "The pictures of my wife and new baby arrived today and I want you to know how much I appreciate having my picture on her bedside table. I am definitely there in spirit, if not in person."

And from Lt. Com. Charles F., now somewhere in the Pacific, "Imagine my surprise at receiving the wonderful snaps of my wife and child. I certainly look healthy and knowing that Junior is here is just one more reason why I want this thing to be over as quickly as possible so that I can return to my family."

Seaman 1/c Irving B. came through with "I thank my child. Ye Gods, I can't believe it. Our first—and it looks like his mother, thank goodness! Many thanks."

The reaction of Tail-Gunner James D. is probably similar to that of most of these young men who, through no fault of their own, are unable to be near for the blessed event. "I have just completed my twenty-first mission without receiving a scar. But the thrill of those twenty-one missions can't compare with the thrill that I experienced when I received the photos of my wife and our new baby from your hospital."

An appropriate folder containing the photographs carries the following message: "Greetings from the Newton Hospital. We thought you would like to know that your wife and new baby are doing nicely." It is signed "The Medical Staff, the Nurses and all the Personnel of the Newton Hospital."

Yes, the Newton Hospital is keeping faith with our men in the service.

The Newton Hospital, a Red Feather Service, is a member agency of the Newton Community Chest.

Students Benefit By Music School Services

In this war year of 1944, the All Newton Music School, continues to teach music based upon standards of high quality, and to introduce the peace and happiness that good music brings to the hearts of all in our daily lives.

While the school works at full capacity here on the home front, with a present enrollment of nearly 300 students, and many times that number coming under its influence in theory classes, musicianship groups, orchestras, quartets, trios, sight-reading classes, recitals and concerts, it finds that its teaching and training are also being felt in the far corners of the world.

Thousands of Newton boys and girls have been students of the Music School, and now a large number of these are serving in the armed forces in every theatre of war. News often comes telling of the work they are doing, and speaking of the opportunities they find to use and enjoy their music.

A recent letter says: "At the moment, I am in Calcutta, India, after a long voyage in a Navy Transport. I have been assigned to a club some distance from here and will leave for there the first part of the week to be Club Director." This young woman who wrote the letter is a singer, who never forgets that she owes all of her early training to the All Newton Music School.

The school functions with a planned program and through a staff of professionally trained musicians. The opportunities of the school are placed within the

Mr. and Mrs. A. B. Lamasure of Utica, N. Y., are the guests this week of Mrs. Lamasure's aunt, Mrs. John Donlon and Mr. Donlon of Oak street.

Mrs. George A. Malanson Jr. of Chestnut street has returned from a week-end visit with her husband who is stationed in the Coast Guard on Long Island, N. Y.

Cpl. Thomas W. Wildman Jr. is visiting his father, Mr. Thomas W. Wildman of 975 Chestnut street.

Cpl. Harry N. Hilton who has been training as a radio operator mechanic gunner at Zuma, Arizona, is spending a furlough with his parents, Mr. and Mrs. L. H. Hilton of Canterbury road, before transferring to Westover Field, near Springfield, Mass.

Rev. A. K. Fillmore, pastor of the Second Baptist Church, will preach Sunday at 10 a.m. from the topic "The Yielding Christ."

The War Relief Group of this village will meet at the home of Miss Nellie M. Osborne of High street on Friday, November 3, from 10 a.m. to 4 p.m. to sew on clothing for this work. Volunteers are asked to bring a box lunch and coffee will be served.

The Red Cross Sewing Group, under the leadership of Mrs. Robert B. McLaughlin, will meet on Wednesdays in the Parish Hall of the First Methodist Church from 10 a.m. to 4 p.m. Volunteers are needed, as there is plenty of sewing for willing hands to work upon. The ladies of this village are asked to give a day or part of a day to help in this necessary work. Those spending the day are asked to bring a box lunch. Coffee will be served at noon.

Mrs. S. F. Oldfield, president of the W.S.C.S., was the guest speaker before the Lent-a-Hand Group on Wednesday evening in the Parish Hall of the First Methodist Church.

The 21-35 Club of the First Methodist Church met at the home of Mr. and Mrs. E. L. Ufford on 26 Woodbine road, Auburndale, on last Sunday evening.

Rev. W. Henry Shillington, pastor of the First Methodist Church, will preach Sunday at 10:45 a.m. and 7 p.m.

Mrs. Morde's group of the W.S.C.S. met at the home of Mrs. C. E. Nichols on High street on Thursday at 2 p.m.

Mrs. M. W. Hemen of Concord street is recovering from a broken wrist.

Mrs. M. W. Hemen of Concord street is entertaining her sister, Mrs. Margaret MacDonald, who has recently returned from India accompanied by Miss Taj Begum MacDonald.

T/Sergeant Douglas P. Brindley, son of Mr. and Mrs. Walter Brindley of Grove street, who is with the Medical Battalion has recently been promoted to Staff Sergeant. He went overseas in February and landed in France. He has been stationed in Holland and at present is "somewhere in Germany."

On Friday evening, October 27, the ladies of the Church Service League of Saint Mary's Church will hold a reception in the Parish Hall to Mr. and Mrs. Fultz and to the members of the choir. Mr. Fultz is the new organist at the church who replaced Mr. Clendenning Smith who was the organist for an extended period. Mr. Fultz has had 25 years of choral leadership and has studied under many of the famous teachers in both church and choral music. He holds degrees from Garrett Biblical Institute and Boston University graduate school. He comes to Saint Mary's from the Hyde Park Methodist Church.

Miss Beth Lewis of Saint Mary's street is enjoying a two weeks' vacation from her studies at Tufts College in Medford. She has just completed the first semester of her second year in the accelerated college course.

In spite of the inclement weather on Saturday evening, another of the successful barn dances was held in the Parish Hall of Saint Mary's Church. There were many out of town guests, amongst them were Mr. and Mrs. Carl Pescosolido, formerly of this town and of Hamilton, Mass. There were many in uniform, some from Australia. Refreshments of donuts, cider and coffee were served and until the last strain of music the floor was filled with couples who enjoyed dancing both the modern and "square" dances. The members of the committee who were responsible for the success of the dance were Mrs. Everett Brooks, Mrs. Bradford Davis, Mrs. James Thompson, Mrs. Edward Watson, Mrs. Robert Bender, Mrs. Frederic Gilroy, Mrs. Benjamin Louis, Mrs. Douglas Bruce and Mrs. Howard Lewis.

Dates for Discharged Service Men to Remember

The Citizens' Advisory Committee for Returning Veterans wishes to call to the attention of discharged service men some important dates:

Within 5 days after date of discharge—report by letter or in person to your Selective Service Board.

Within 40 days after date of discharge—apply by letter or in person to your former employer if you want to get back the job you were holding when you entered the service (this applies to Civil Service as well as to private employment).

Before the last day of the month after the month in which you were discharged—(a) arrange terms for payment of insurance premiums, if this has not already been done; (b) pay your insurance premium if it is still on monthly basis, sending payment direct to Veterans Administration, Washington 25, D. C.

Within 6 months of discharge—be sure you have done either (a) or (b) above otherwise your insurance will be allowed to lapse and cannot be renewed without considerable detail, including physical examination.

Within 5 years of the date on which you took out Government Life Insurance—convert to ordinary Life, 20-Payment Life, or 30-Payment Life; writing to Director of Insurance, Veterans Administration, Washington 25, D. C.

Within 2 years after discharge, or the end of the war, whichever is later—under the terms of the "GI Bill of Rights" (a) make your application for educational, training or refresher course; (b) make application for loan; (c) make application for readjustment allowance covering period of unemployment (applicant must be registered with U. S. Employment Service).

As soon as possible after discharge—if you are looking for a job, register at the nearest U. S. Employment Office (290 Centre St., Newton Corner).

"We urge Newton service men, especially those who have been discharged, to look these dates over carefully," said John F. Wheelock, Executive Secretary of the Citizens' Advisory Committee, "in order to make sure that they are not allowing a date to pass on which they could take advantage of some of these benefits."

The Committee is ready to advise with any discharged service man or woman on problems which may arise from return to civilian life. The office is located in the basement of the Newtonville Library Building, 345 Walnut Street (Highland Avenue Entrance).

KINGS POINT, N. Y.—Cadet-Midshipman John LaForge Robinson, 20, son of Mr. and Mrs. Winslow Robinson, of 10 Hyde street, Newton Highlands, has just graduated from the United States Merchant Marine Academy here.

He received a license as Third Officer in the Merchant Marine, a commission as Ensign in the U. S. Naval Reserve and the rank of Ensign in the U. S. Maritime Service.

Robinson's great grandfather, Captain R. H. Robinson, owned and captained his own ship the "Southern Belle."

Norumbega Council, Boy Scouts, Shows Remarkable Growth

The Norumbega Council, Inc., Boy Scouts of America serving Newton and Wellesley has shown remarkable growth during the past sixteen years. In 1928 there were 514 boys with 62 leaders. On October 15, 1944, there were 2046 boys, 524 adult leaders in 62 Units.

This remarkable expansion of the Scouting program in Newton and Wellesley is a testimonial to the worth of Scouting and it is generally agreed today by American educators, business and professional men, and officials in high public office that Scouting has become an American tradition.

During the current year New England Scouting has conducted a campaign for the further expansion of the program with a goal of "a thousand more new units in 1944." Norumbega Council has been an active participant in this program of expansion with a quota of 18 new Troops. Packton and Wellesley during the year, and Ships to be organized in Newton and Wellesley during the year. It may be reported at this date that 10 new Units have been organized. It is expected that by December 31, 1944, will show the greatest membership in the history of Norumbega Council—with the greatest number of boys and adult leaders ever to have participated in Scouting here.

The Scouts and men of Norumbega Council have served their country and community well since Pearl Harbor. Troops of the Council have collected waste paper continuously, and recently the Wellesley Troops established a record for a one-day collection when they gathered 117 tons. The 11th Troop requested Boy Scouts and Scout children to collect milkweed floss to be used as a substitute for kapok life preservers, denied us by the Japanese invasion of the Indies. Scouts of Norumbega Council, working in collaboration with the Newton and Wellesley schools, collected more of this very important war material than any other community of the county. Norumbega Scouts have, also, served faithfully as Civilian Defense couriers and messengers; have taken subscriptions for war bonds; have acted as U. S. Government dispatch bearers for the OWI during the past two years; and in many other ways have made definite contributions to the war effort. Individual Troops of the Council have reported some outstanding "Good Turn" projects: Troop 7W conducted a mosquito control project in Wellesley when oil was poured on the ponds and streams about the town (this Troop headed by Scoutmaster F. C. Williams received a CBS broadcasting station "Youth on Parade" citation of merit at a recent radio broadcast for this fine service); Troop 7C, with Scoutmaster Harold Amidon, has sent several Scouts regularly on Saturday mornings to Red Cross headquarters to wash and polish the Red Cross trucks; and many other Troops have bought War Bonds as a Troop project and accomplished services that have not been reported in detail.

An outstanding Scouting "Good Turn" has been going on since August in the form of a Scout V-Mail plan whereby every Scout in the Norumbega Council has been given the opportunity to write a letter to a serviceman overseas.

The V-Mail Scout Committee is headed by Mr. Henry S. C. Cummings and he has been assisted by Mr. Roy S. Edwards, advisor of "What's Cookin' in Newton"; Mr. Ben Louis, Kiwanian in charge of overseas servicemen addresses; and Mr. A. Edwies Larsson, editor of the Wellesley Townsman. Over a thousand letters have been mailed monthly by Scouts of Newton and Wellesley and the project has been an outstanding success. Many interesting replies have come back from all over the world to Scouts of the Council.

The Norumbega Council, Boy Scouts of America, a Red Feather Service, is a member-agency of the Newton Community Chest.

15TH AAF IN ITALY—Recent promotion to Private First Class marks the fifth month overseas duty of John C. Mercer, an aircraft armorer in a veteran P-38 Lightning Fighter Group, and whose wife, Mrs. Marilyn Mercer resides at 19 Fairfield street, Newtonville.

Mercer was on duty with his group when it participated in the aerial spearhead opening the late invasion of southern France and won commendation for its skillful and aggressive bombing attacks against German troop concentrations during that invasion. Now commanded by Col. D. S. Campbell of San Antonio, Texas, it had previously been awarded a Distinguished Unit citation for outstanding performance in aerial combat against the enemy.

Graduating from the Mechanics Arts High School in 1939 Mercer was employed by the Watertown Arsenal of Watertown, Mass., before entering the Army in November, 1943. His mother, Mrs. James Holmes, lives at 235 Pape avenue, Toronto, Canada.

A native of Boston, Cpl. Beckwith was with company B, 24th Engineers' Battalion. He was a graduate of Newton High School and Boston University College of Business Administration in 1938. He was an active member of the Second Church, West Newton and taught in the Church School. Shortly after his graduation from college he entered his father's business, the L. W. Beckwith & Co., 93 Federal street, Boston, stationery manufacturers. He entered service in February, 1942, and had been overseas since December.

Besides his parents he leaves a brother, Lt. (j.g.) Winslow F. Navy fighter stationed at Pensacola, and a sister, Ansonette J., of Newton.

PFC. DONALD M. CRAIG

Pfc. Craig Decorated

Pfc. Donald M. Craig, Army Air Forces, son of Major and Mrs. Elmer J. Peck of 40 Bradford road, Newton Highlands, has been decorated with the Presidential Unit Citation for outstanding performance of duty in action against the enemy during the invasion of France (in Normandy) on June 6, 1944 while with a unit of the Ninth Troop Carrier Command.

Pfc. Craig was born in Newton and has always resided there. He attended the Cabot School, the Bigelow Junior High School, and was graduated from Newton High School in 1941.

In December 1942 he and his mother joined Major Peck who was on duty in the Los Angeles Defense Area of the 4th Air Service, and was inducted into the service in that city in June 1943 at Fort McArthur where he was transferred into the Air Corps of the United States Army. Prior to his departure for overseas he served at air fields in Amarillo, Texas; Chanute Field, Illinois; Fort Bragg, No. Carolina; Gowan Field, Idaho; Fort Douglas, Utah, and Baer Field, Indiana.

He was transferred to the Troop Carrier Command and was sent overseas early in March 1944 to the Ninth Air Force.

With the XII AFSC in Italy—The promotion of William G. Thompson, son of Mr. and Mrs. Robert Thompson, 3 Mullen court, Newton Highlands, Mass., to the grade of Technical Sergeant has been announced by Headquarters of the XII Air Force Service Command. T/Sgt. Thompson was also awarded the European-African-Middle East Theatre Ribbon with one battle star for the part he has played in the Italian Campaign.

T/Sgt. Thompson has, for over a year, been in charge of a Mobile Repair Unit operating in Italy. It is the function of such a unit to proceed to scene of Army plane crashes and to make repairs without the aid of the usual facilities located at airfields, and the home bases of such planes. The work, which is exceedingly important and often dangerous, has taken T/Sgt. Thompson and his men over the greater part of occupied Italy, and often to remote and almost inaccessible locations. T/Sgt. Thompson and his men form a part of the ground operating working in Italy and other countries for the Army Air Forces whose sole aim and motto is "Keep 'Em Flying."

T/Sgt. Thompson was employed at Fennelly's Garage before joining the Armed Forces.

FORD OGLETHORPE, Ga., October 3, 1944—Pvt. Margaret L. Fletcher, of 42 Calvin road, Newtonville, Mass., has completed the six weeks' Motor Transport course at the Third WAC Training Center here.

Pvt. Fletcher is the daughter of Mr. Alfred Fletcher of 42 Calvin road, Newtonville.

Beverly G. Secord

HQ. TENTH AIR FORCE IN INDIA—First lieutenant Robert E. Newbert, son of Mrs. Walter E. Newbert, 17 Dorset road, Waban, Mass., has received the Meritorious Achievement while participating in operational flights.

Maj. Gen. Howard C. Davidson, Commanding General, Tenth Air Force, EAC, has announced.

A pilot for a Troop Carrier squadron of the Tenth Air Force that operates against the Japanese throughout the China-Burma-India theater, the flying officer also holds the Air Medal won during his two and one-half years in service.

His latest citation reads, in part: "... for extraordinary achievement while participating in operational flights totaling more than four hundred hours in unarmored, heavily loaded transport airplanes, during which exposure to enemy fire was probable and expected. He has completed flights from bases in Upper Assam, providing food, clothing, mail, medicinal supplies and material to our forward elements, and to those of our Indian, British and Chinese Allies in the hills and mountains of Upper Burma. Undaunted by the hazards faced regularly and continuously, he performed his duties in such a manner that the highest credit is reflected upon himself and the military forces of the United States."

Aviation Cadet Colin David Anderson, son of Mr. and Mrs. James Anderson, 51 Clinton place, Newton Centre, Mass., has reported at Carlsbad, New Mexico, Army Air Field, where he will receive advanced flight training in high-level bombardiering and dead-reckoning navigation.

One of First Women To Enter Paris

Captain Florence C. Metz, WAC of 18 Shorncliffe road, Newton, was one of the first American women to enter Paris following the liberation of the French capital on St. Louis day, August 25, according to word received here.

En route to Paris from the French coast Captain Metz spent her first night in an Army puppet tent but upon her arrival in Paris the military had taken over one of the Parisian hotels, where she set up headquarters. When she first entered the hotel sheets were still on the beds just as the German officers had hurriedly left them.

Captain Metz reports virtually no motors on French streets and roads except jeeps and military vehicles. Most persons travel by bicycle or afoot.

Sgt. William J. LeVert, Jr., 22, son of Mr. and Mrs. William H. LeVert, 87 Freeman street, Auburndale, has returned home on a furlough after nearly three years of service in the South Pacific where as a member of a Quartermaster Corps he saw action at Guadalcanal and Tulagi in a Quartermaster Corps. As a member of the famous American division he holds the presidential citation.

He is a graduate of the Newton High School where he played baseball and football, and also played in the City leagues. He was inducted into service in January 1941 and was sent overseas in January, 1942.

At the expiration of a three week furlough he will report to Asheville, No. Carolina, for reassignment.

His brother, Staff Sgt. Robert LeVert, who is at a convalescent hospital in Florida, holds the Distinguished Flying Cross, the Air Medal and Oak Leaf Clusters.

Cpl. Carl Shirley, 30, son of Mrs. Florence Shirley, 105 Atholstead road, Newton Centre, air plane mechanic serving with the 15th Army Air Force in Italy, has been awarded the distinguished unit citation ribbon.

He is attached to the top-scoring P-51 Mustang Fighter Group in the Mediterranean Theater, which was cited for its outstanding performance of duty against the enemy on April 21.

Community Council Coordinates Efforts of Local Organizations

The Newton Community Council, a Red Feather Service, operates throughout the year to coordinate the work and plans of 60 member organizations with health, welfare, group work and civic interests in order to assure Newton residents of well rounded, adequately covered programs in various fields.

The Council programs are supervised by a volunteer General Board made up principally of Chairmen of Committees whose membership is also volunteer.

Among the many community services offered by the Council are:

The Research Committee, sponsored the recent study that resulted in the formation of the Citizens' Advisory Committee for Returning Veterans.

The Health Committee, appointed a Nutrition Committee, which has been responsible for the expansion of the Nutrition program in Newton and the creation of the Newton Nutrition Center.

The Committee on Nurses for War Services works in cooperation with the War Manpower Commission for the classification of nurses for military and home front service.

The Conference and Study Group, through its monthly meetings of lay and professional people interested in vital community problems is constantly aware of changing needs in community planning and in a position to recommend action when needed.

The Group Work Committee, alert to the needs and fulfillment of leisure time activities for youth and adult groups in Newton.

The Welfare Committee, through the participation of agencies and departments concerned with the family and related matters, has sub-committees on Budget Standards, Foster Homes and similar pertinent subjects.

The Clearing House, operating each year at Thanksgiving and Christmas time, has eliminated duplicate giving to our less fortunate families and through the Christmas Basket Committee has made it possible for more Newton people to have a Merrier Christmas.

The Information Service Committee, set up to provide a central point in Newton where the public may go for information about existing services, is equipped to give data on public and private social and health agencies; on door-to-door solicitation; to suggest names of practical nurses; nursing homes; day care resources for children; to clear dates of meetings on its Community Calendar and to help any resident of Newton by giving careful thought and attention to the questions asked.

The Directory of Newton Agencies, Clubs and Organizations, the only complete listing of this kind available in the city, is published each year in the Fall by the Information Service of the Council.

The Newton Community Council, a Red Feather Service, is a member-agency of the Newton Community Chest.

A PROVEN CHIEF EXECUTIVE

MAURICE J. TOBIN has been an outstanding Mayor. His administration of the affairs of New England's largest city has earned him widespread praise. In this position of public trust he has demonstrated the executive ability, the courage and the integrity to make an excellent Governor.

I SINCERELY BELIEVE that the program I have submitted to the people of Massachusetts will make possible a better, busier and more prosperous Commonwealth during the peace-time years ahead.

WE MUST PROVIDE relief for the home-owners of Massachusetts. I am convinced that can be done by requiring the State government to live on its own revenue and end the practice of levying a deficit tax back upon the cities and towns which must, of course, be paid by all property-owners.

TOGETHER WE CAN make Massachusetts a better place in which to live. A man of vision and foresight will be needed at the head of our State government in the period that will follow this war. There is a real job to be done to assure our State a period of real post-war prosperity. I can do that job, and I respectfully ask your vote and your support on election day.

Sincerely yours,

Maurice J. Tobin

I'm the same Newton boy who asked you to give generously during last year's Community Fund. And you did.

Since then, I've been places. I've seen what the National War Fund actually does — at home and abroad. I've seen your money aid our war prisoners... find relaxation for the boys in the Merchant Marine... save our Allies with food, clothing, and medicine. I've shared the entertainment the U.S.O. Newton Girl Scouts Always On the Move

What organization in the United States has more than a million girls and women in uniform pledged to national service? Not, as you might think, the WAVES, the SPARS, or the MARINES. The Girl Scout movement, which has served America for thirty-two years, has passed the million mark (2,363 in Newton) in current registered numbers and is now about to celebrate its annual Girl Scout Week as a mighty force not only for victory but for a lasting peace.

Each of the week's seven days is dedicated to a project with long-term as well as war-time values. Girl Scout Sunday calls for renewed devotion to moral standards and spiritual strength so that the rebuilding of the world may rest upon unshakable foundations of individual character. Homemaking Day, Citizenship Day, Health and Safety Day, International Friendship Day, and Crafts Day, and Out-of-Door Day will in turn focus on high points in the wide range of Girl Scout training for future wives, mothers and citizens.

Girl Scout Week opens officially with Girl Scout Sunday, October 29, which is celebrated by Scouts throughout the United States in commemoration of the birthday of their founder, Juliette Low, on October 31. Uniformed scouts will attend proper scheduled services in their respective villages and many will go to Boston to participate in special celebrations there (On Sunday, October 29 at three P. M. Catholic Girl Scouts are urged to go to the Cathedral of the Holy Cross in Boston; on Saturday, November 4 at 10:30 A. M. Jewish Scouts are invited to either Temple Israel or Temple Beth Shalom, Boston or Temple Mishkan Tfila, Seaver street, Roxbury; and on Sunday, November 5 at 4 P. M. Protestant girls are asked to join with others at St. Paul's Cathedral, Tremont street, Boston).

Girl Scouts of Newton, like those in hundreds of other communities have done notable work in the past year by service to the Community Agencies. Special emphasis will be placed upon this type of service during the observance of Girl Scout Week. That this work will be continued with youthful vigor and enthusiasm in the months to come was evidenced by the more than 150 Senior Scouts who attended an informal meeting at the Y.M.C.A. this past week.

Mrs. Kenneth P. Crafts, co-ordinator of Scout activities confidently placed the gathering in the capable hands of Scouts Rose Ellen Griffin and Jean Marie Bova. These two young women promoted a lively hour's discussion of how and where a teen age scout may serve her community best, and introduced speakers to stimulate and encourage. Miss Esther Walther, Executive Secretary of the Community Council, spoke feelingly of the need for volunteer workers of all ages, stating what they should expect from a job and what a job should expect from them. Mrs. Stanley Hobbs, in charge of volunteers at the Newton Hospital, explained the type of work that girls might be expected to perform and mentioned that which has already been done by certain faithful scouts. Three girls from Auburndale, Priscilla Ford, Martha Rowley and Katherine Babcock have each given well over 100 hours at the Hospital helping in the laboratory, supplies and kitchen. These girls, along with others serving at the hospital, are worthy of being honored with the Scouts of the nation who have given more than two million hours to hospital work since Pearl Harbor.

The splendid health-giving program of Camp Mary Day, the Newton Girl Scouts' own camp—where so many hundreds of youngsters from this city have enjoyed untold benefits through the years—was brought to mind by Mrs. Sterling N. Loveland, Chairman of the Camp Committee.

Enumeration of what the campers and other scouts had done to beautify and refurbish their domain, and what they could continue to do, was thrilling to all listeners. There is work and fun for all.

Thirty-two years of helpful service have been completed—service which began when the magnetic Juliette Low of Savannah, Georgia met Lord Baden-Powell of England, under whose leadership the whole Scouting movement came into existence. With Girl Scout Week comes the renewed belief that from successful, immediate relationships in home and troop comes the ability to take a constructive part in larger community affairs and to assume the responsibilities as well as the privileges of citizenship.

The Newton Local Council, Girl Scouts of Newton, is a member-agency of the Newton Community Chest.

Beverly G. Secord, a resident of Newton for the past 58 years, died on Sunday, October 22, at his home, 31 Wesley street, Newton.

Mr. Secord was born in St. John, New Brunswick, the son of Gilead and Bradshaw Secord. He was in his 61st year. He had been employed since 1918 with the Federal Reserve Bank of Boston where he was manager of the Expense Department, and was a member of the Federal Reserve Society. He was a trustee of Immanuel Baptist Church, Newton, a member of the American Institute of Bankers and the Boston Bank Officers' Association.

He is survived by his wife, Mrs. Ethel Farwell Secord, his mother, two daughters, Mrs. Raymond Garon, two brothers, Dr. Walter M. Secord of Watertown and Harold M. Secord of Newton, and two sisters, Mrs. Shirley Worthen of Wollaston and Miss Alice M. Secord of Newton.

Funeral services were held Wednesday afternoon at 2 o'clock in the Immanuel Baptist Church, Newton. Rev. Newton A. Merritt and Rev. Clarence A. Wood officiated. Burial was in Ridgeway Cemetery, Watertown.

Many natives of Brazil drink from 10 to 20 cups of coffee a day.

Our forefathers shed their blood for the right to vote.

Attend Meeting In New York City

Edward C. Keating of Newton, treasurer of the Wildey Savings Bank of Boston; Francis Buswell, treasurer and Ralph Sanguinetti, assistant treasurer of the Newton Savings Bank and Clyde S. Casady, Executive Secretary of the Savings Bank Life Insurance Council, were among the representatives from more than 200 mutual savings banks in Massachusetts, New York and Connecticut attending the third annual Tri-State Conference on Savings Bank Life Insurance at the Westchester Country Club in Rye, N. Y. on October 9 and 10. Special consideration was given the subject of extending the benefits of Savings Bank Life Insurance in all three states, plans for giving advice to returning service men concerning the conversion and retention of their National Service Life Insurance, and problems of internal administration.

Granville H. Beever, treasurer of the Cambridge Savings Bank; Clyde S. Casady, Executive Secretary of the Savings Bank Life Insurance Council, and Eugene F. Caldwell, State Actuary for the State Division of Savings Bank Life Insurance had a prominent part in the proceedings. Mr. Sanguinetti participated in one of the panel discussions. Colonel E. H. Morris of the U. S. Army Medical Corps was the featured speaker on the subject "The Medical Care of Men and Women in the Armed Services" at the conference.

The savings banks now offering Savings Bank Life Insurance in the three states comprise about 40% of all the savings banks in the country. Over \$300,000,000 Savings Bank Life Insurance is now in force.

Died in France

Word has been received from the War Department of the death "somewhere in France" of First Lieut. Andre N. Laus, 29, husband of Mrs. Aline (Perrin) Laus and son of Mr. and Mrs. Abdon Laus of 101 Washington street, Newton.

Lt. Laus, a member of a chemical warfare unit had fought in Sicily, Salerno, Cassino and Anzio and was awarded the Silver Star for gallantry in action at Gela, Sicily on July 10, 1943. It is believed that he entered France in August when Southern France was invaded.

He leaves besides his wife and his parents, a 23 months old son, Andre Laus, and a brother, Jacques Laus of Manchester-by-the-Sea. His wife, who is also a native of France, taught French in Brookline before her marriage. His father has been a member of the Boston Symphony Orchestra for 27 years.

Republican headquarters, 415 Centre street, Newton Corner, where voters are given information on candidate, referendum, and may obtain tickets to rallies, literature, etc. One of the busiest spots in Newton.

Family Service Bureau Solves Difficult Situation

With 53 years' experience, this Red Feather service gives practical help to families without regard to race, color or creed. As an illustration of help given: Several years ago Mrs. B— came to the Bureau not knowing what to do next to solve an increasingly difficult home situation. She had tried many things, had given up her home which they were buying, devoted much time to bringing up her two little girls, and worked outside the home to help her husband when she could. Mrs. B— was an attractive, capable woman, active in community affairs, a tireless church worker and had a natural ability with young people. The social worker found that Mr. B—, a potentially fine person, was frequently unemployed. As a young boy he had been left quite deaf after scarlet fever. He was extremely sensitive about it and would never admit his handicap. He would get a job without telling his employer about his deafness, and then in a few months would fail on the job because he didn't hear some detail. His failures increased his sensitivity and his way out was irritability and drinking. The two little girls, 8 and 10 years old and unusually bright, were showing the effects of the tension in the family by not wanting to be with other people and failing in school.

The social worker started in to plan for a solid financial base for this family. There were many interviews with Mr. B— to try to get him to accept his handicap and fit himself for a position where his many assets could be used. He had spent many years in discouraging medical treatment, and although he still wanted to do something about his hearing he was afraid that the doctors would tell him that he would be totally deaf. The social worker talked with the hospitals that had treated him and then went to seek out information on new, tested advances in medical knowledge. The worker consulted a doctor who had perfected an ear operation and then Mr. and Mrs. B— talked with him. The operation was performed, and during the two months' convalescent period the Bureau stood back of the family financially to insure their future.

The mother had weekly interviews with the social worker to help gain insight into the problems of the children. The school was consulted and summers at camp helped them get along better with other children. For a period of five years there has been constant planning for and with each member of the family. Now Mr. B—'s hearing is restored and he is successfully employed in a responsible position. The children are doing well in school and the family seems securely established on their own.

Problems like this do not come alone to those in the low income brackets. Many people in Newton have difficulty in realizing there are residents who have serious family problems which threaten their very existence. Last year the Family Service Bureau gave help to more than 400 families, or more than 2,200 individuals. Its office welcomes notification of any cases in need.

The Family Service Bureau of Newton, a Red Feather Service, is a member-agency of the Newton Community Chest.

And here is a story that offers another good example of relativity! When a famous actress was at the summit of her beauty and fame, she met, at a semi-royal dinner, an African king. The lovely lady sat beside this king. She did her very best to amuse and please him. At the dinner's close, he sighed and said, "Oh, madam, if heaven had only made you black and fat, you would be irresistible!"

Hold Re-Dedication Of Church of Our Lady

The re-dedication of the Church of Our Lady, Help of Christians, Newton, took place on Sunday evening, October 22, with Archbishop-elect Richard J. Cushing and the pastor, Rev. Michael E. Doherty, I. P. P., officiating at the ceremonies. They were assisted by Rev. Russell T. Haley, Rev. James E. Fahey, D. D., Rev. Daniel F. Riordan and Rev. Arthur I. Norton.

Music was by members of the Junior Seminary of the Society of St. Mary under the direction of Rev. Fr. Armand Martin of the Marist Fathers of Bedford. More than 3500 persons attended the re-dedication services including eighty priests and thirty-five Sisters of St. Joseph from the parish schools.

Fr. Doherty, who was also observing his first anniversary as pastor of the church, expressed his joy at the completion of the re-dedication of the church, which took more than ten months, and was done under the direction of Gaston A. Goyette of Cambridge, recognized as one of the outstanding ecclesiastical artists in the country. The church was built 63 years ago and at the time when Fr. Doherty was appointed pastor a year ago was in need of repairs. In December permission was granted to start the work of redecorating and before the end of January more than \$25,000 was contributed by members of the parish. "This money," Fr. Doherty stated in his sermon, "came from all nationalities in the Parish. It came from the poor and from the rich; and it was given by all with such a good heart that tonight I feel duty bound to make mention of it, and to thank them publicly for such whole-hearted co-operation and good will. May God Bless them and reward them a hundred-fold."

The most striking feature of the church, after the sheer majesty of the altar, is the magnificent painting of the Crucifixion, which is directly over the main altar, and is 35 feet in width and 35 feet in height at the apex. Changes in the sanctuary proper include refurbishing of the Altar Railing, while a wine-colored broadloom rug carpets the flooring of the altar. A new public address system has been installed. The walls have been refinished in beige and gold combination in mottled glaze. The ceiling ribs are pale olive, highlighted with gold dots and a blue flower design. The ceiling panelling is a light cream color with a mosaic gold line and a light taupe border. In the soffits of the arches are hundreds of tiny gold crosses. The arched windows are decorated in fine gold design of the Chi-Rho, Greek abbreviation of

the name of Christ and the monogram of Mary.

The choir loft has been refinished and a new painting of the Sacred Heart is above the choir. Over the main entrance of the Gospel side, at the rear of the church, is a painting depicting the Rising of Lazarus From the Dead.

The transept entrance is marked by a representation of the Adoration of the Magi, while the Altar, dedicated to the Blessed Virgin, has been marked by a work portraying the Assumption of the Blessed Virgin Mary into Heaven. Over the entrance at the rear on the Epistle side is painted the story of St. Patrick's demonstration of the mystery of the Trinity. The transept painting over the entrance on the Epistle side is the Purification of the Infant Jesus. Over the Altar of St. Joseph is depicted the Holy Family.

The upper nave walls contain 14 oval portraits. In addition the crosses on the steeple and the salient points of the exterior of the church have been covered with gold leaf.

Staff Sgt. Donald E. Gallant, 20, one of four sons of Mr. and Mrs. Henry W. Gallant of 53 Williams street, West Newton, who are in the service, has been awarded a second Oak Leaf Cluster to his Air Medal, according to word received from England last week. The three citations received by Staff Sgt. Gallant are as follows: "For meritorious achievement, in accomplishing with distinction several aerial operations missions over enemy occupied Continental Europe. The courage, coolness and skill displayed by this individual in the face of determined opposition, materially aided in the successful completion of the missions. His actions reflect great credit upon himself and the Armed Forces of the United States."

He received the Air Medal on July 24, and his first Citation on July 21, while the third citation is dated Aug. 15. He has completed over 30 missions with the Eighth Air Force. He attended Newton schools and was employed by the Howard Watch Company when he entered the Army on June 7, 1943.

His brothers in the service are Seaman 2-c Arthur F. 25, who is attending a torpedomen's school in San Diego; Shipfitter 2-c William H. 23, who is in the South Pacific with the Navy Seabees, and Staff Sgt. Joseph E. 22, who is in the Army Infantry in Hawaii. Another brother, Lawrence W., of Newtonville is employed by the Boston Elevated Railway.

Vets Problems To Be Discussed At Meeting

Roland R. Darling, Director of the Job Counseling Service, Veterans' Information Center of Boston, will lead a Panel Discussion on the Problems of the Service Men and Women who are returning to civilian life in Newton. This meeting will be held Friday evening, November 3rd at 7:45 in the lecture hall of the West Newton Unitarian Church.

In addition to Mr. Darling, two returned service men, Chaplain Tupper, and others will discuss how we at home can help these returning Newton men and women to readjust themselves back to everyday living as civilians. Mr. Charles B. Floyd, of the Newton Committee, will tell what his committee is now doing for them.

The meeting, to which all men and women are invited, is being sponsored by the Newton Council of Church Women, in an endeavor to find out just what are the problems of the veteran, and what more could be done by our Newton citizens.
